

Tumblr

Gabriela Taylor

a tumblr book Allison McCracken,Alexander Cho,Louisa Stein,Indira N Hoch,2020-10-26 This book takes an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the “age of Tumblr activism.” Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works.

Tumblr Katrin Tiidenberg,Natalie Ann Hendry,Crystal Abidin,2021-08-23 Launched in 2007, tumblr became a safe haven for LGBT youth, social justice movements, and a counseling station for mental health issues. For a decade, this micro-blogging platform had more users than either Twitter or Snapchat, but it remained an obscure subculture for nonusers. Katrin Tiidenberg, Natalie Ann Hendry, and Crystal Abidin offer the first systematic guide to tumblr and its crucial role in shaping internet culture. Drawing on a decade of qualitative data, they trace the prominent social media practices of creativity, curation, and community-making, and reveal tumblr’s cultlike appeal and position in the social media ecosystem. The book demonstrates how diverse cultures can – in felt and imagined silos – coexist on a single platform and how destructive recent trends in platform governance are. The concept of “silosociality” is introduced to critically re-think social media, interrogate what kinds of sociality it affords, and what (unintended) consequences arise. This book is an essential resource for students and scholars of media and communication, as well as anyone interested in an influential but overlooked platform.

Alice in Tumblr-land Tim Manley,2013-11-05 Disney meets Lena Dunham in this illustrated humor book featuring your favorite fairy-tale characters dating and finding their way in 21st-century America The Ugly Duckling still feels gross compared to everyone else, but now she’s got Instagram, and there’s this one filter that makes her look awesome. Cinderella swaps her glass slippers for Crocs. The Tortoise and the Hare Facebook stalk each other. Goldilocks goes gluten free. And Peter Pan finally has to grow up and get a job, or at least start paying rent. Here are more than one hundred fairy tales, illustrated and re-imagined for today. Instead of fairy godmothers, there’s Siri. And rather than big bad wolves, there are creepy dudes on OkCupid. In our brave new world of social networking, YouTube, and texting, fairy tales can once again lead us to “happily ever after”—and have us laughing all the way.

Tumblr For Dummies Sue Jenkins,2012-04-30 Create a Tumblelog and start posting--this fun, portable guide shows you how Tumblr may be a microblogging platform, but there's nothing micro about it. There's no limit to what you can post in your blog--from text, photos, and links to audio, video, slideshows, and more. Now you can join the over 28 million Tumblelogs on Tumblr with this handy, portable guide. In the popular, For Dummies, easy-access style, this practical book shows you exactly what to do to get the most out of Tumblr. Set up your account, choose a theme, post from your computer or phone, see how to reblog content, and before you know it, you're off and Tumblimg. Guides you in how to join and get the most out of Tumblr Shows you how to set up an account, choose a theme, customize your Tumblelog, and use the dashboard Explains how to follow other Tumblr users and reblog their content, and post from your browser, phone, or email Offers tips, trick, and techniques to make everything easy All the detail you need to get up and running on this fun microblogging platform is here, in Tumblr For Dummies Portable Edition.

Tumblr For Dummies Sue Jenkins,2012-05-29 This fun guide shows how Tumblr may be a microblogging platform, but there's nothing micro

about it.

Eye to Eye Joan E. Biren, 1979

A Tumblr Book Allison Maura McCracken, Alexander Cho, Louisa Ellen Stein, Indira Neill Hoch, 2020 This is the first book to take an extensive look at the many different types of users and cultures that comprise the popular social media platform Tumblr. Though it does not receive nearly as much attention as other social media such as Twitter or Facebook, Tumblr and its users have been hugely influential in creating and shifting popular culture, especially progressive youth culture, with the New York Times referring to 2014 as the dawning of the age of Tumblr activism. Perfect for those unfamiliar with the platform as well as those who grew up on it, this volume contains essays and artwork that span many different topics: fandom; platform structure and design; race, gender and sexuality, including queer and trans identities; aesthetics; disability and mental health; and social media privacy and ethics. It contains work from over 60 contributors and includes more than 90 illustrations and three galleries, honoring Tumblr's identity as a heavily image-based social network. An entire generation of young people that is now beginning to influence mass culture and politics came of age on Tumblr, and this volume is an indispensable guide to the many ways this platform works--

David Karp Karen Latchana Kenney, 2017-01-01 What's more popular than Tumblr? This microblogging site has taken the Web by storm since its founding in 2007. Not much can top it when it comes to capturing its fans' imaginations, except for perhaps its creator, David Karp. Karp developed Tumblr after he tried to start a blog and found the process daunting. With most platforms, a blogger faces a huge, empty text box that begs to be filled with words. It was intimidating for a guy who'd never blogged before. Karp had the idea for tumblelogging—creating short blog posts—and built Tumblr as a platform. It lets users easily post both text and images, making Tumblr highly visual and expressive. Creating a different way to blog came naturally to Karp, who never does things by the book. At fifteen, he dropped out of school. At seventeen, he moved to Tokyo, holing up with a computer and fine-tuning his tech skills. He returned to the states to build a business—but to do that, he stretched the truth. He used a deep voice on the phone with potential clients so they wouldn't guess how young he was. He didn't tell anyone how little experience he had. Yet people could see he had a good thing going with Tumblr. The company quickly found support and grew into what it is today: a groundbreaking site for connection and creation. And as the mastermind behind it, Karp is sure to remain a figure to watch.

The Lovely and the Lost Jennifer Lynn Barnes, 2019-05-04 A teenage girl, her friends, and their search-and-rescue dogs must uncover long-buried secrets to save a life in this unputdownable mystery from Jennifer Lynn Barnes, #1 bestselling author of *The Inheritance Games*. Kira Bennett's earliest memories are of living alone and wild in the woods. She has no idea how long she was on her own or what she had to do to survive, but she remembers the moment that Cady Bennett and one of her search-and-rescue dogs found her. Adopted into the Bennett family, Kira still struggles with human interaction years later, but she excels at the family business: search and rescue. Together with Cady's son, Jude, and their neighbor, Free, Kira works alongside Cady to train the world's most elite search-and-rescue dogs. Someday, all three teenagers hope to put their skills to use, finding the lost and bringing them home. When Cady's estranged father, the enigmatic Bales Bennett, tracks his daughter down and asks for her help in locating a missing child—one of several visitors who has disappeared in the Sierra Glades National Park in the past twelve months -- the teens find themselves on the front lines sooner than they could have ever expected. As the search through seven hundred and fifty thousand acres of unbridled wilderness intensifies, Kira becomes obsessed with finding the missing child. She knows all too well what it's like to be lost in the wilderness, fighting for survival, alone. But this case isn't simple. There is more afoot than a single missing girl, and Kira's memories threaten to overwhelm her at every turn. As the danger mounts and long-held family secrets come to light, Kira is forced to question everything she thought she knew about her adopted family, her true nature, and her past.

Tumblr® Aurelia Jackson,2014-11-17 In the last few years, Tumblr has become one of the most popular social networking websites. Before Tumblr was the company we know today, however, it was just one of David Karp's smaller projects. Learn more about one of the most successful young people working in tech—and how he changed the way people share who they are and what they like. Discover the story behind David Karp's success—and find out what it takes to turn a new company into something amazing.

Feminist Ryan Gosling Danielle Henderson,2012-08-14 Based on the blog of the same name, a humorous book pairs 120 photos of Ryan Gosling with favorite feminist theories.

Fangirl Rainbow Rowell,2013-09-10 #1 New York Times bestselling author! In Rainbow Rowell's Fangirl, Cath is a Simon Snow fan. Okay, the whole world is a Simon Snow fan, but for Cath, being a fan is her life-and she's really good at it. She and her twin sister, Wren, ensconced themselves in the Simon Snow series when they were just kids; it's what got them through their mother leaving. Reading. Rereading. Hanging out in Simon Snow forums, writing Simon Snow fan fiction, dressing up like the characters for every movie premiere. Cath's sister has mostly grown away from fandom, but Cath can't let go. She doesn't want to. Now that they're going to college, Wren has told Cath she doesn't want to be roommates. Cath is on her own, completely outside of her comfort zone. She's got a surly roommate with a charming, always-around boyfriend, a fiction-writing professor who thinks fan fiction is the end of the civilized world, a handsome classmate who only wants to talk about words . . . And she can't stop worrying about her dad, who's loving and fragile and has never really been alone. For Cath, the question is: Can she do this? Can she make it without Wren holding her hand? Is she ready to start living her own life? And does she even want to move on if it means leaving Simon Snow behind? A New York Times Book Review Notable Children's Book of 2013 A New York Times Best Seller!

David Karp and Tumblr Monique Vescia,2013-07-15 Sometimes in business, success comes not by reinventing the wheel but by simply building a better mousetrap. That's exactly what David Karp did when he founded his microblogging site, Tumblr. This book introduces readers to Karp and follows him from his humble beginnings as a shy kid to the head of one of the most successful tech companies today. He grew his business simply because he believed he could build a simpler, leaner blogging platform that was easier to use. His idea was a hit, and Tumblr's success took off. As with most companies, though, Karp's business experienced growing pains from its rapid expansion and struggled to turn a profit. However, readers learn that Karp, the once introverted kid who transformed into a confident leader, is looking toward further growing Tumblr into an even greater success. With fact sheets on the founder and the company itself, readers see that it's possible to turn a simple idea into a revolutionary business.

20 Great Career-Building Activities Using Tumblr Susan Henneberg,2016-12-15 This guide gives an introduction to the Tumblr platform with its unique and dynamic structure, as well as an overview of its etiquette and usage tips. A particularly inclusive, diverse social media platform with an extremely active user base, Tumblr takes blogging beyond text posts to engage with video, GIFS, photos, and animations that are passed from user to user. While progressing through the twenty activities in this guide, readers will learn the basics of usage and the community, as well as safety tips. Activities include creating a personal blog and leveraging social media skills on behalf of an employer or a cause the reader is passionate about.

Full coverage: Take a Tumblr, Customize it, Sharing comments, Blogging,

Publishing posts, Multiple Tumblrs, Become a follower, What's in a blog? Attracting Attention, Preferences, Mobile, Tumblr by email. (Equivalent printed page extent 28 pages)

Tackling Tumblr Thord Daniel Hedengren, 2011-07-13 A comprehensive guide to the popular web publishing site Tumblr The popularity of Tumblr is growing by leaps and bounds, as it continues to make a name for itself as a reliable, accessible blogging platform. Yet, there is very little documentation on Tumblr, leaving newcomers confused as to where to start. That's where this helpful book comes in. Written by well-respected author Thord Hedengren, this step-by-step guide is an ideal starting point for Tumblr newcomers as well as web designers who want to take their Tumblblogs to the next level. You'll learn how to maximize the full potential of this amazing blogging and livestreaming platform as you create your first post, make your Tumblr blog unique, create your own custom themes, and more. Introduces you to the exciting world of Tumblr, the popular web publishing platform Walks you through posting quotes, links, photos, audio, and more Addresses finding and installing themes, using a comment system on your Tumblr site, and integrating third-party content Demonstrates how to create your own custom theme, network in the Tumblr community, and modify your Tumblr themes with HTML and CSS Explains ways to integrate Tumblr with other services, including Facebook, Twitter, and Flickr There's no need to grumble about learning Tumblr—this book is all you need!

Before We Were Strangers Renée Carlino, 2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist “missed connection” post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

Little White Lies Jennifer Lynn Barnes, 2018-11-04 Scandal, scheming, and secrets abound in #1 bestselling author Jennifer Lynn Barnes's *Little White Lies*, packed with “page-turning tension, witty humor” (Jennifer L. Armentrout), and “characters as devious as they are southern-belle glamorous (E. Lockhart). I'm not saying this is Sawyer's fault, the prim and proper one said delicately. But. Eighteen-year-old auto mechanic Sawyer Taft did not expect her estranged grandmother to show up at her apartment door and offer her a six-figure contract to participate in debutante season. And she definitely never imagined she would accept. But when she realizes that immersing herself in her grandmother's society might mean discovering the answer to the biggest mystery of her life—her father's identity—she signs on the dotted line and braces herself for a year of makeovers, big dresses, bigger egos, and a whole lot of bless your heart. The one thing she doesn't expect to find is friendship, but as she's drawn into a group of debutantes with scandalous, dangerous secrets of their own, Sawyer quickly discovers that her family is not the only mainstay of high society with skeletons in their closet. There are people in her grandmother's glittering world who are not what they appear, and no one wants Sawyer poking her nose into the past. As she navigates the twisted relationships between her new friends and their powerful parents, Sawyer's search for the

truth about her own origins is just the beginning.

Art of Devin Elle Kurtz Devin Elle Kurtz, 2021-09-07 Illustrator and concept artist Devin Elle Kurtz shares her journey, from childhood ambitions to be an artist and finding the best educational fit, to working in the industry as she continues to develop her craft. The Art of Devin Elle Kurtz bursts with the stunning color, light, and storytelling that Devin has mastered, using traditional and digital methods. This is a unique opportunity to learn from a young industry professional. Devin recalls navigating educational opportunities, looking for the combination of formal classes and personal study that suited her needs. Color and light play a huge part - whether she uses traditional or digital techniques - and specially commissioned tutorials give aspiring artists the chance to sample her methods while evolving their skills. Readers will also enjoy the intriguing subject of storytelling, as Devin explores the themes that feature the most in her own work, including where they originated from. These insights and reflections are not only fascinating, but also help readers unlock their own authentic storytelling potential. Devin has been handpicked to join the ranks of superstar artists who have produced their Art of... books with 3dtotal Publishing, creating the unique blend of advice, tutorials, inspiration, and galleries that we love to see.

TUMBLR FOR BUSINESS: The Ultimate Guide Gabriela Taylor, 2013-09-25 The world is changing. The way we do business, the way we shop, the way we socialize and the way we run successful marketing campaigns In Tumblr for Business, Gabriela Taylor, an expert in online marketing and social media, shows you not only how Tumblr can be used to showcase your brand to a worldwide audience, but also how to create social buzz and take your business to the next level. Amazon reviewer Andrew David states, Gabriela Taylor really knows how to keep things simple but detailed, which I liked because I did not know what I was doing at the start. If your customer demographics skew young, your business and Tumblr could be a perfect match, since half of Tumblr's users are under 25. There are 100+ million Tumblr blogs and only 67+ million sites running on WordPress. The popular website, valued at \$1 billion plus, allows the use of multimedia and can brag of 13 billion global page views in just one recent month and 75 million posts daily. This book is really a soup to nuts guide on how to register for and set up a Tumblr blog to advanced Tumblr marketing strategies for your product or service, says Amazon reviewer Jennie Zahn. Gabriela Taylor also provides other ways to use Tumblr to make money. Is it the ultimate guide? I'd have to say Yes. It's the best guide I've read for Tumblr. There's a thoughtful comparison of Tumblr and other social media sites like Facebook & Twitter. Zahn also liked the step-by-step instructions to set up and enhance a Tumblr site. There's also great information on how to integrate other tools and features with Tumblr. . . . I thought the best part covered advanced strategies and monetization. Taylor writes clearly and is obviously an expert Tumblr user. I also think the book is underpriced for what you get. I'd highly recommend it for anyone considering using Tumblr at any level.

Right here, we have countless ebook **Tumblr** and collections to check out. We additionally have enough money variant types and also type of the books to browse. The normal book, fiction, history, novel, scientific research, as competently as various further sorts of books are readily understandable here.

As this Tumblr, it ends going on brute one of the favored book Tumblr collections that we have. This is why you remain in the best website to see the unbelievable book to have.
