Mike Rosenthal

Twitterature Alexander Aciman, Emmett Rensin, 2009-12-29 Perhaps while reading Shakespeare you've asked yourself, What exactly is Hamlet trying to tell me? Why must he mince words and muse in lyricism and, in short, whack about the shrub? But if the Prince of Denmark had a Twitter account and an iPhone, he could tell his story in real time--and concisely! Hence the genius of *Twitterature*. Hatched in a dorm room at the brain trust that is the University of Chicago, *Twitterature* is a hilarious and irreverent re-imagining of the classics as a series of 140-character tweets from the protagonist. Providing a crash course in more than eighty of the world's best-known books, from Homer to Harry Potter, Virgil to Voltaire, Tolstoy to Twilight and Dante to The Da Vinci Code. It's the ultimate Cliffs Notes. Because as great as the classics are, who has time to read those big, long books anymore? Sample tweets: From Hamlet: WTF IS POLONIUS DOING BEHIND THE CURTAIN??? From the Harry Potter series: Oh man big tournament at my school this year!! PSYCHED! I hope nobody dies this year, and every year as if by clockwork. From The Great Gatsby: Gatsby is so emo. Who cries about his girlfriend while eating breakfast...IN THE POOL?

The Tweets of President Donald J. Trump Forefront Books, 2020-07-28 Love them or hate them, the tweets of President Donald J. Trump rule the Twitterverse. Until our last presidential campaign, television, particularly campaign ads, dominated the political landscape. But with the rise of Donald J. Trump came a new political tool: the internet. Trump used this to communicate instantly and very effectively with the American people. And it worked. Establishing his political positions by tweeting numerous times a day, Trump pulled a major upset by defeating Hillary Rodham Clinton to become the 45th president of the United States. Once in office, Trump did not abandon his penchant for using Twitter as his populist platform. Instead, he doubled down on it, making it his primary means of communicating with the American people. Knowing how effective a tweet can be, Trump once wrote, "Boom. I press it and within two seconds we have breaking news." With a massive Twitter following of 78 million by the spring of 2020, Trump's direct impact upon Americans cannot be dismissed, nor can the value of his tweets as an essential part of the historical record be denied. To put the enormous impact of his tweets into perspective, Trump won the White House with 63 million votes—a number significantly lower than his massive Twitter following. Now you can read the collected tweets of wisdom—or ridiculousness—from President Donald J. Trump, from his inauguration through February 2020 in this historically significant collection.

Twitter: The Comic (The Book) Mike Rosenthal, 2014-08-19 Each carefully curated tweet delivers

concentrated humor in the language of the Internet, reproduced in the comics with typos and all. As envisioned by Rosenthal, each comes to life through a bizarrely recognizable cast of bassoon-playing cops, sarcastic teens, bear MDs, clueless dads, potential insect overlords, and more.

Selected Tweets Mira Gonzalez,Tao Lin,2015 Literary Nonfiction. Art. Fiction. Poetry. **SELECTED TWEETS** by Mira Gonzalez and Tao Lin, dating from 2008 to 2014, as well as extras such as illustrations of each other's tweets, short stories, essays, and a long poem. SHEILA HETI: How do you imagine people read Twitter? TAO LIN: On their phones I think mostly. I think I've read the most Twitter while laying in bed or on my back, or just laying in places, like in parks or in airports. Maybe not the most, but a lot. I've dropped my phone on my face many times. I think other people must too, but I rarely hear about this. SHEILA HETI: What do you think about before you tweet? You once told me that you tweet what makes you feel uncomfortable. So which tweets do you reject, which do you accept? MIRA GONZALEZ: I wouldn't necessarily say that I tweet what makes me feel uncomfortable, I think it's more that I feel comfortable tweeting things that I would never feel comfortable saying in a real life conversation, or even in other places on the internet. For reasons that I don't fully understand, Twitter is a place where I don't feel ashamed to say my most shameful thoughts... (From *What Would Twitter Do*, Tao Lin and Mira Gonzalez interviewed by Sheila Heti)

Trump, Twitter, and the American Democracy Yu Ouyang,Richard W. Waterman,2020-06-29 This book takes a social science approach to address two related questions: (1) what does Donald Trump say on Twitter? and (2) why? Since entering the 2016 Presidential Election, Donald Trump's tweets have been a major part of his communications strategy with the public. While the popular media has devoted considerable attention to selected tweets, it is less clear what those selected tweets tell us about Trump the businessman, the political candidate, and, finally, the President of the United States. We argue that to fully understand Trump, we must take a more comprehensive approach to examining all of his activities on Twitter. Overall, our analysis presents a strikingly complex picture of Trump and how he uses Twitter. Not only has his pattern of tweets changed over time, we find that Trump's use of Twitter is more deliberate than he has been given credit. Like most other politicians, Trump is strategically-minded about his presence on social media.

Laconia: 1,200 Tweets on Film Masha Tupitsyn,2011-05-16 If the sound bite is the new order, then how do we make every word count? In today's surplus world of communication overload and cultural clutter, writer and cultural critic Masha Tupitsyn turns to the media matrix of Twitter to explore the changing ways that we construct and consume narrative. Loosely applying the discerning

aphorism? a compressed genre in itself? to a 21st century context, *LACONIA: 1,200 TWEETS ON FILM* offers meditations on film and popular culture that resonant with laconic meaning and personal insight while getting to the heart of the matter. Inspired by Chris Marker's free-associative film impressions in *La Jet e* and *Sans Soleil*, *LACONIA* is part film diary, part cultural inventory, and part mashup. Pulling from an array of film, popular culture, books, and mainstream news, it offers penetrating critical commentary on an increasingly muddled virtual world. *LACONIA* consists of brick by brick prose, as Tupitsyn thinks in sentences and lines that culminate in an architecture of thin

Trump Tweets, the World Reacts Regina Luttrell, 2018-05-25 *Trump Tweets, the World Reacts: Understanding What Is Relevant and Why* illustrates and articulates the intimate connection between theories presented in communication and the mediums through which President Trump communicates. Drawing on a range of theoretical and empirical perspectives, this collection examines several transformations and implications of President Trump's influence on the social sphere, within economies, among government entities, and on the communications profession.

Twitter for Good Claire Diaz-Ortiz, 2011-08-30 Silver Medal Winner, Social Networking, 2012 Axiom Business Book Awards Silver Medal Winner, Business and Leadership, 2012 Nautilus Book Awards The official word from Twitter on how to harness the power of the platform for any cause. As recent events in Japan, the Middle East, and Haiti have shown, Twitter offers a unique platform to connect individuals and influence change in ways that were unthinkable only a short time ago. In *Twitter for Good*, Claire Diaz Ortiz, Twitter's head of corporate social innovation and philanthropy, shares the same strategies she offers to organizations launching cause-based campaigns. Filled with dynamic examples from initiatives around the world, this groundbreaking book offers practical guidelines for harnessing individual activism via Twitter as a force for social change. Reveals why every organization needs a dedicated Twitter strategy and explains how to set one Introduces the five-step model taught at trainings around the world: T.W.E.E.T. (Target, Write, Engage, Explore, Track) Author @claired is the head of corporate social innovation and philanthropy at Twitter, collaborating with organizations like Nike, Pepsi, MTV, the American Red Cross, charity:water, Room to Read, the Gates Foundation, the Skoll Foundation, the Case Foundation, National Wildlife Federation, Kiva, the United Nations, Free the Children, Committee to Protect Journalists, Partners in Health, FEMA, Ushahidi, The Acumen Fund With more than 200 million users worldwide, Twitter has established itself as a dynamic force, one that every business and nonprofit must understand how to use effectively.

Politics and the Twitter Revolution John H. Parmelee, Shannon L. Bichard, 2012 *Politics and the*

Twitter Revolution: How Tweets Influence the Relationship between Political Leaders and the Public by John H. Parmelee and Shannon L. Bichard is the first comprehensive examination of how Twitter is used politically. Surveys and in-depth interviews with political Twitter users answer several important questions, including: Who follows the political leaders on Twitter, and why? How persuasive are political tweets? Is political Twitter use good for democracy? These and other questions are answered from theoretical perspectives, such as uses and gratifications, word-of-mouth communication, selective exposure, innovation characteristics, and the continuity-discontinuity framework. In addition, content analysis and frame analysis illustrate how political leaders' tweets frame their policies and personalities. The findings in *Politics and the Twitter Revolution* show Twitter to be surprisingly influential on political discourse. Twitter has caused major changes in how people engage politically. Followers regularly take actions that are requested in leaders' tweets, and, in many cases, leaders' tweets shape followers' political views more than friends and family. Other findings raise concerns. For some, Twitter use contributes to political polarization, and there is frequently a disconnect between what followers expect from leaders on Twitter and what those leaders are giving them.

Historical Tweets Alan Beard, Alec McNayr, 2010 Beard and McNayr introduce thousands of years of tweets, from Adam's first tweet through the beginnings of the modern world to major events of the recent past, in this smart and creative take on the twitter phenomenon. Full color throughout.

Tweets from Tahrir Alex Nunns, Nadia Idle, 2011 The Twitter posts of the activists who brought heady days of revolution to Egypt in early 2011, paint a picture of an uprising in real time. This book brings together a selection of key tweets in a compelling, fastpaced narrative, allowing the story to be told directly by the people who made the revolution.

Twitter Tips, Tricks, and Tweets Paul McFedries, 2010-05-14 Maximize your fun and boost your productivity with this updated, full-color guide to tantalizing Twitter tips! Fully updated to cover all the latest features and changes to Twitter Written by a Twitter pioneer who was one of the first marketers to fully tap into Twitter's business applications Ideal for beginners, whether they want to use Twitter to stay in touch with friends or to market their products and services Explains how to incorporate Twitter into other social media and how to use third-party tools to improve and simplify Twitter

Let them Eat Tweets: How the Right Rules in an Age of Extreme Inequality Jacob S. Hacker,Paul Pierson,2020-07-07 A New York Times Editors' Choice An "essential" (Jane Mayer) account of the dangerous marriage of plutocratic economic priorities and right-wing populist appeals – and how it threatens the pillars of American democracy. In *Let Them Eat Tweets*, best-selling political scientists Jacob S. Hacker and Paul Pierson argue that despite the rhetoric of Donald Trump, Josh Hawley, and other right-wing "populists," the Republican Party came to serve its plutocratic masters to a degree without precedent in modern global history. To maintain power while serving the 0.1 percent, the GOP has relied on increasingly incendiary racial and cultural appeals to its almost entirely white base. Calling this dangerous hybrid "plutocratic populism," Hacker and Pierson show how, over the last forty years, reactionary plutocrats and right-wing populists have become the two faces of a party that now actively undermines democracy to achieve its goals against the will of the majority of Americans. Based on decades of research and featuring a new epilogue about the intensification of GOP radicalism after the 2020 election, *Let Them Eat Tweets* authoritatively explains the doom loop of tax cutting and fearmongering that defines the Republican Party—and reveals how the rest of us can fight

back.

Twittering the #Arabspring? An Empirical Content Analysis of Tweets Johannes

Sieben,2014-05-27 This study examines tweet content from key periods of the uprisings in Egypt and Syria of 2011 and 2012, generally known as the “Arab Spring”. Some authors and the mainstream media have suggested that these uprisings were significantly influenced and organised by Twitter and subsequently referred to them as “Twitter Revolution”. Other authors have strongly opposed this idea and attributed it to self-deception in the light of marvellous inventions of the Western World. They have suggested Twitter was predominantly used as an information-sharing network. In an effort to contribute data to this debate, this study analyses tweet content from three different observation periods; two tweet datasets were collected from other academics and a third one was crawled from the Twitter API; this process made use of the crawling tool cURL and the database software mongoDB. The combined tweet dataset contained about 1.9 million tweets out of which a sample of 1945 tweets was drawn. This sample was then evaluated in a quantitative content analysis according to a coding manual. These codes were entered into the statistical analysis software SPSS, in which they were also processed.

Sweet Tweets Erin Cox,2015-08-04 Fall in love with cheery little birds that add the perfect touch of whimsy to these simple, practical items. The magic happens with a unique style of raw-edge applique that's similar to free-motion quilting, as if you were sketching with thread. Let your creativity soar with 11 quick projects. Get the look of hand embroidery without the handwork--almost all the stitching is done by machine! Stitch patchwork patterns including a pillow, place mat, coaster, tote bag, and small quilts Make personalized gifts for housewarmings, holidays, babies, and birthdays--this technique works well on many types of projects Add crochet edging to several projects if you wish (instructions are included)

Blue Sparrow 2: Tweets on Writing, Reading, and Other Creative Nonsense Ksenia

Anske,2015-06-18 The original Blue Sparrow was born on Twitter. It's a compilation of my daily ramblings on writing and reading to encourage fellow writers to write. After it got published, my Twitter followers asked me to make the second book, with illustrations this time. So this is it. This book has 140 pages just like 140 characters in a tweet, each page adorned by an encouraging tweet like There is no wrong way to write a novel. The only wrong way is not to write it. and an adorable drawing by illustrator Jeff Bergstrand. Happy writing!

My Shorts R Bunching. Thoughts? G. B. Trudeau,2010-01-25 Hilarious! -- Jake Tapper, ABC

News Hilarious! -- Karen Tumulty, TIME Hilarious! -- Erin Moriarity, CBS News In March of 2009, Doonesbury's intrepid journalist Roland Burton Hedley, III, opened a Twitter account and began to tweet. A lot. Four weeks later, a sampling of his 140-character missives was published in The New Yorker to great acclaim, and his posts were featured in a one-on-one tweet-off in the Columbia Journalism Review. Rushed into print, this groundbreaking volume is the first book-length Twitter collection by a single author. With dozens of Doonesbury strips and over 500 tweets, it presents the best of Hedley's work -- frontline micro-blogging from the self-anointed dean of Washington journotwits. Eight months into this project, author G.B. Trudeau can confirm that Twitter is a colossal sinkhole of time, but is gratified that he has found a way to monetize Roland's inane postings. (Follow Roland_Hedley.) When not writing comedy haiku on Twitter, Trudeau writes and draws the Pulitzer-prize-winning comic strip Doonesbury for 1100 newspapers worldwide, and lovingly curates his web presence at Doonesbury.com. He also hosts a milblog called The Sandbox. From the book: Just spotted colleague Terry Moran in hall. Could wave, but easier to tweet. Hey, dude. 10:49 AM Mar 18th from Tweetdeck Bumped into an old stalker of mine at Borders. She'd lost some weight and looked terrific, but I tweeted 911 anyway. Cops arrived from 3 states. 1:43 PM Mar7th from Blackberry I refuse to apologize for making time for my kid's ball games, so I usually end up not going. 9:13 AM May 4th from web Had close call watching MJ memorial service. They ended 'We are the World' before I could jimmy open my gun closet and blow my brains out. 12:33 PM Jul 7th from web While speaking last night, someone threw panties on stage. Or boxers. Whatever. Times like that, always ask myself: What would The Boss do? 5:13 PM Mar 12th from web Kabul. Awakened by huge blast in hotel lobby. Suicide bomber blew up complimentary breakfast buffet. Off to find bagel. 3:14 PM Apr 8th from Tweetdeck Accompanying HMMV patrol, used on-board computer to order Ab Rocket. And because I acted when I did, receiving second one absolutely free. 8:01 PM Apr 13th from Blackberry

*Sh*t My President Says: The Illustrated Tweets of Donald J. Trump* Shannon Wheeler, 2017-07-31

Some people are saying, I don't know, you tell me, but a lot of people are saying this is the greatest book of the year. This guy, Shannon Wheeler, he draws these cartoons for the New Yorker, MAD, the Onion—he's very, very, good, okay? Now he's illustrated the most incredible tweets. Wow! You won't believe what he does with these tweets. I mean, these tweets changed the world, folks. It's true! It's very true. EVERYONE is going to want this book — even the haters and losers (Sad!).

*The F***ing Epic Twitter Quest of @MayorEmanuel* Dan Sinker, 2011-09-13 Primary Colors for the social media era, the wildly profane, viral phenomenon that resulted from a fake Twitter account deftly

satirizing Rahm Emanuel is the first significant Twitter epic in today's digital age. Primary Colors for the social media era, the wildly profane, viral phenomenon that resulted from a fake Twitter account deftly satirizing Rahm Emanuel is the first significant Twitter epic in today's digital age. With web sensations such as *Stuff White People Like* and *Sh*t My Dad Says* making the leap from the Internet to the bestseller lists, it's no surprise that this unique and hilarious first-person account of Rahm Emanuel's fake mayoral campaign via Twitter has already been featured in *The Atlantic*, *Wired*, *The Colbert Report*, and is still an unfolding story. Now, fans can read the entire six months of collected tweets of @MayorEmanuel with commentary and annotations from creator Dan Sinker. When rumors circulated that Rahm Emanuel would enter the Chicago mayor's race, suddenly the "real" Rahm became overshadowed by a decidedly different Rahm, @MayorEmanuel. Via Twitter, this fake Rahm spun a faux-insider's story unlike any other—in real time. Garnering a passionate following on Twitter and hailed by the press, @MayorEmanuel's journey is an entertaining, modern-day anti-hero's quest as he travels a surrealistic Chicago landscape, picking up friends along the way, including advisor David Axelrod, Carl the Intern (a high-school-aged MacGyver), a puppy named Hambone, and a duck named Quaxelrod, to name a few. Both a surprisingly literary romp as well as an inside peek into an historic mayoral race, *The F***ing Epic Twitter Quest of @MayorEmanuel* is a bold and exciting foray into a new form of participatory, real-time storytelling.

Tweets: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year.

The Must-Read : Colleen Hoover's *"It Ends with Us"* This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed.

Uncover the Best : Taylor Jenkins Reids' *"The Seven Husbands of Evelyn Hugo"* This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids' absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery.

Tweets : Delia Owens' *"Where the Crawdads Sing"* This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with

its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.

confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Tweets PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Tweets PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By

adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Tweets free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
