**I'm Black. I'm Christian. I'm Methodist.** Lillian C. Smith, Erin Beasley, Justin Coleman, Jevon Caldwell-Gross, Pamela R. Lightsey, F. Willis Johnson, Vance P. Ross, Rodney Lorenzo Graves, Tori C. Butler, Rev. Rudy Rasmus, 2020-11-03 Ten personal narratives reveal the shared and distinct struggles of being Black in the Church, facing historic and modern racism. It's uncertain that Howard Thurman made the remark often attributed to him, "I have been writing this book all my life," but there is little doubt that he was deeply immersed in reflection on the times that bear an uncanny resemblance to the present day, which give voice to the Black Lives Matter movement. Our "life's book" is filled with sentence upon sentence of marginalization, pages of apartheid, chapters of separate and unequal. Now this season reveals volumes of violence against Blacks in America. Ten Black women and men explore life through the lens of compelling personal religious narratives. They are people and leaders whose lives are tangible demonstrations of the power of a divine purpose and evidence of what grace really means in face of hardship, disappointment, and determination. Each of the journeys intersect because of three central elements that are the focus of this book. We're Black. We're Christians. We're Methodists. Each starts with the fact, "I'm Black," but to resolve the conflict of being Christian and Methodist means confronting aspects of White theology, White supremacy, and White racism in order to ground an oppositional experience toward domination over four centuries in America. "The confluence of the everyday indignities of being Black in America; the outrageous, egregious, legalized lynching of George Floyd; and the unforgivable disparities exposed once again by COVID-19 have conspired together to create a seminal moment in America and in The United Methodist Church—in which we must find the courage to say unambiguously 'Black Lives Matter.' To stumble or choke on those words is beneath the gospel," says Bishop Gregory Palmer, who wrote the foreword to the collection. Praise for I'm Black. I'm Christian. I'm Methodist. "This book made me shout, dance, rage and hope—all at once! As a cradle Methodist, I have deep love for my church and bless it for nurturing my walk with Christ and my passion for social justice. At the same time, I lament that my church is also the place where I have witnessed and been most wounded by virulent racism, sexism, heterosexism, and ageism. Yet, I stay and struggle for the soul of the church because I am a Black Christian woman fired by the love of God-in-Christ-Jesus. I stay because this is MY church and the church of my ancestors. Although I regularly question my decision to remain United Methodist, it is stories like these—from other exuberant love warriors—that remind me that I am called by God to stay, pray, fight, and flourish!" —M. Garlinda Burton, deaconess and interim general secretary, General Commission of Religion and Race, Washington DC "Racism continues to be the unacceptable scandal of American society and the American churches. In spite of some gains such as the diversity of supporters for "Black Lives Matter," even the best intentioned among us remain largely ignorant of the actual life experience of those who are other than ourselves. This collection of testimonies, edited by Rudy Rasmus, helps remedy that by simply recounting personal stories of being Black, Christian, and Methodist in the United States. White Methodist Christians in particular need to read these stories and take them to heart so that racism and its divisiveness is countered by shared experience and recognition of common humanity across difference. More White Methodists need not only reject racism in our society and church but become active anti-racists willing to do the hard work to create the beloved community, dreamed about by Martin Luther King in the 1960s civil rights movement. —Bruce C. Birch, Dean Emeritus and Professor Emeritus of Biblical Theology Wesley Theological Seminary, Washington DC "This book is a powerful collection interweaving personal stories, denominational and intercultural practices, and Black lives bearing hopeful witness. Readers will have their consciousness raised, and they will think more deeply about the meaning of beloved community and the embodiment of the justice of God." —Harold J. Recinos, Professor of Church and Society, Perkins School of Theology/SMU, Dallas, Texas "For hundreds of years, we have not listened. This book is our chance to hear the words of the Black leaders in our church. They will change us, remake us, and reform us. Get ready to be transformed by painful truth and deep love. —Rev. Dr. Dottie Escobedo-Frank, Lead Pastor, Catalina United Methodist Church, Tucson, Arizona I'm Black gives readers a clear picture of the diversity and value of Black culture in church and society. After reading the dynamic stories told by these faithful, transformative church leaders, Black lives will be cherished, and systemic change for the better will take place." —Joseph W. Daniels, Jr., Lead Pastor, Emory United Methodist Church, Washington, D.C. Dr. Rudy Rasmus and others give an insightful look into what it means to be black, Christian and Methodist in America. Their perspectives on the status and plight of being black in America are both engaging and riveting. If you are looking for ways to better understand the nuances and many faces of African American Methodist evangelical life in America, this book is a must-read! —The Reverend J. Elvin Sadler, D.Min., General Secretary-Auditor, The A.M.E. Zion Church Assistant Dean for Doctoral Studies, United Theological Seminary, Dayton, Ohio I endorse this powerful book of Essays conceived and edited by my friend Pastor Rudy Rasmus. It is a book for our current and future realities facing the Black Church a must read. —Deborah Bass, Vice-Chairperson, National BMCR

**United Methodist Doctrine** Scott J. Jones, 2010-09-01 Throughout this ebook, Scott J. Jones insists that for United Methodists the ultimate goal of doctrine is holiness. Importantly, he clarifies the nature and the specific claims of official United Methodist doctrine in a way that moves beyond the current tendency to assume the only

alternatives are a rigid dogmatism or an unfettered theological pluralism. In classic Wesleyan form, Jones' driving concern is with recovering the vital role of forming believers in the mind of Christ, so that they might live more faithfully in their many settings in our world.

**The Organization of the United Methodist Church** Bishop Jack M. Tuell, 2010-10-01 An indispensable guide for all United Methodists-especially pastors, lay leaders, church council members, confirmation and new member candidates and their instructors, and seminarians-this book is presented in a practical, down-to-earth manner for easy use by both individuals and classes, clergy and lay. It highlights the functions and connectional relationships within the organization, beginning with the local church and continuing through connectional organs in districts, annual conferences and their agencies, jurisdictional conferences and their agencies, the General Conference, the general agencies of the Church, and the Judicial Council. Bishop Tuell discusses the Church's unique polity and gives a frank assessment of its strengths and weaknesses. At the same time he paints the image of a worldwide connectional communion that is organized to spread the good news of Jesus Christ and to bear witness to its Wesleyan heritage.

**United Methodist Beliefs** William H. Willimon, 2007-04-19 This brief introduction spells out the major beliefs of the United Methodist Church in a clear, nontechnical style. William Willimon, the beloved United Methodist author, preacher, teacher, and bishop, discusses the great theological themes that United Methodists share in common with all Christians as well as the particular accents and emphases that characterize United Methodist understandings of Christian doctrines. In his engaging style, Willimon opens the door for further study, challenging the reader to move toward a continuing reflection on their faith. This guide will be of great value to those who are beginning their study of United Methodist beliefs as well as those who have long been in the church and want a helpful way to refresh their understandings of the distinctiveness of United Methodist doctrine.

**The Lost Books of the Bible and The Forgotten Books of Eden** Rutherford Hayes Platt, 1927 Presented here are two volumes of apocryphal writings reflecting the life and time of the Old and New Testaments. Stories told by contemporary fiction writers of historical Bible times in fascinating and beautiful style.

**Together at the Table** Karen Oliveto, 2018-07-31 Together at the Table is the personal story and public message of Bishop Karen Oliveto, the first openly LGBTQ person to be elected a bishop in The United Methodist Church. Her election was and is controversial, with opponents seeking to have her removed and some even threatening violence against her. The denomination has been debating the inclusion of LGBTQ people for decades and will be gathering in February 2019 to determine whether it can agree to let conferences within the church ordain as they see fit and let congregations decide what weddings to hold or whether conservative and liberal factions will break off from the denominational body. Bishop Oliveto believes that the church can stay together that people of different convictions can remain in communion with one another. Woven together with her own story of coming out and following God's call to ordained ministry is her guidance for how to live together despite differences by practicing empathy, living with ambiguity, appreciating the diversity of creation, and embracing unity without uniformity.

**First United Methodist Church of San Diego** Krista Ames-Cook, 2018 First United Methodist Church (UMC) of San Diego has worshipped in several locations throughout San Diego, California, since February 1869. As the city of San Diego grew, so did the church. The first locations were near the waterfront and in the neighborhood that is known today as the Gaslamp Quarter. From 1870 to 1906, the church was in the heart of what is now downtown. In 1906, the congregation decided to move a few blocks northeast, and it worshipped from 1907 to 1963 in a Gothic Revival-style sanctuary designed by Irving J. Gill. In the late 1950s, even with additions, First Church was outgrowing its space, and so it moved again, to a location in Mission Valley. In 1963, construction began on a Spanish contemporary-style church that was completed in 1964 and continues to be an iconic landmark in San Diego. Over the years, the church's reach has expanded to multiple sites and many congregations.

**A Brief History of the United Methodist Church** Alan K. Waltz, 1998-08 Written in straightforward language, this booklet summarizes the beginnings and development of The United Methodist Church.

**Focus** Lovett H. Weems JR., 2012-02-01 Few would argue that many challenges face The United Methodist Church. But what are the core issues and concerns, the ones that must be addressed if the church is to follow God's leading into the future? Laying aside what can be merely tweaked or adjusted, what must the UMC "reset" about itself? Lovett Weems, one of the most highly-respected interpreters of contemporary United Methodism, suggests that we start with the following: - What will happen now that the increased giving that United Methodists have enjoyed (despite declining membership numbers) has reached a plateau and begun to decline? - Why, with 34,000 congregations and \$6.5 billion in annual giving, can't United Methodists add a net increase of even 1 new disciple

of Jesus Christ in a given year? - Why are United Methodist clergy less concerned with reaching young adults than are laity? Why are laity unwilling to make the changes to worship and budgets required to attract these same young adults? - If the percentage of married couples with young children has declined by half since the 1950s, why is that still the group we focus on reaching? - Why are so many mid-sized churches on their way to becoming small-membership congregations? With insight, conviction, and calm resolve, Lovett Weems challenges United Methodists not only to ask these hard questions, but to face up to the difficult decisions they require of us as we continue to seek God’s will for our lives together.

**Come from Away** Genevieve Graham,2018-04-24 From the bestselling author of Tides of Honour and Promises to Keep comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker’s three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about “wolf packs” of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone’s throw from Grace’s window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely—someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. Come from Away is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

**Three Simple Rules** Bishop Rueben P. Job,2010-03-01 In Three Simple Rules, Rueben Job offers an interpretation of John Wesley's General Rules for today's readers. For individual reading or group study, this insightful work calls us to mutual respect, unity and a deeper daily relationship with God. This simple but challenging look at three commands, do no harm, do good, stay in love with God, calls us to mutual respect, unity, and a deeper relationship with God. “Every year I review the three general rules of the United Methodist Church with those who are being ordained. Now I have a wonderful ordination gift to give them in Bishop Job’s, Three Simple Rules, to start and deepen the conversation as they enter a new relationship with the church. Bishop Job has described “by attending upon all the ordinances of God” to be to “stay in love with God.” It’s a fresh language that speaks especially to long-time Christians and United Methodists.” Sally Dyck, Resident Bishop, Minnesota Area “Three Simple Rules is a new catechism for everyone wanting to follow Jesus Christ. These practices for holy living should replace the membership vows in every church! Don’t let the title fool you. Bishop Job writes, ‘The rules are simple, but the way is not easy. Only those with great courage will attempt it, and only those with great faith will be able to walk this exciting and demanding way.’” John Hopkins, Resident Bishop, East Ohio Area Table of Contents: Introduction The World In Which We Live First Do No Harm Do All the Good You Can Stay in Love with God A Guide for Daily Prayer

**Doctrine and Theology in the United Methodist Church** Thomas A. Langford,1991 This volume is intended to set in historical context the official United Methodist theological statements in the Disciplines of 1972 and 1988, and to foster reflection on and discussion of the 1988 statement.

**The Christian as Minister** Meg Lassiat,2013-09-30 This book is a compilation of information about the call to ministry and the avenues The United Methodist Church offers to embody that call.
