**Shut Up You're Pretty** Téa Mutojji, 2019-06-11 Winner, Trillium Book Award In Téa Mutojji's disarming debut story collection, a woman contemplates her Congolese traditions during a family wedding, a teenage girl looks for happiness inside a pack of cigarettes, a mother reconnects with her daughter through their shared interest in fish, and a young woman decides on shaving her head in the waiting room of an abortion clinic. These punchy, sharply observed stories blur the lines between longing and choosing, exploring the narrator's experience as an involuntary one. Tinged with pathos and humor, they interrogate the moments in which femininity, womanness, and identity are not only questioned but also imposed. Shut Up You're Pretty is the first book to be published under VS. Books, a series of books curated and edited by writer-musician Vivek Shraya featuring work by new and emerging Indigenous or Black writers, or writers of color. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

**Burning Sugar** Cicely Belle Blain, 2020-10-27 In this incendiary debut collection, activist and poet Cicely Belle Blain intimately revisits familiar spaces in geography, in the arts, and in personal history to expose the legacy of colonization and its impact on Black bodies. They use poetry to illuminate their activist work: exposing racism, especially anti-Blackness, and helping people see the connections between history and systemic oppression that show up in every human interaction, space, and community. Their poems demonstrate how the world is both beautiful and cruel, a truth that inspires overwhelming anger and awe -- all of which spills out onto the page to tell the story of a challenging, complex, nuanced, and joyful life. In Burning Sugar, verse and epistolary, racism and resilience, pain and precarity are flawlessly sewn together by the mighty hands of a Black, queer femme. This book is the second title to be published under the VS. Books imprint, a series curated and edited by writer-musician Vivek Shraya, featuring work by new and emerging Indigenous or Black writers, or writers of color. This publication meets the EPUB Accessibility requirements and it also meets the Web Content Accessibility Guidelines (WCAG-AA). It is screen-reader friendly and is accessible to persons with disabilities. A Simple book with few images, which is defined with accessible structural markup. This book contains various accessibility features such as alternative text for images, table of contents, page-list, landmark, reading order and semantic structure.

**Caveboy Dave: More Scrawny Than Brawny** Aaron Reynolds, 2016-11-01 A funny graphic-novel series by Aaron Reynolds, New York Times bestselling author of Creepy Carrots! His grandpa invented fire. His dad invented the wheel. How will Caveboy Dave leave his mark? Dave Unga-Bunga has always been more scrawny than brawny. This is a major problem when your village expects you to become a meat-bringer. At age twelve, all young cave-people must stalk through the eerie mushroom forests for a prehistoric beast the village can feast on. But Dave would much rather invent stuff for a better life—like underwear to make loincloths less itchy and cutlery to make eating less filthy. Can Dave save his group by inventing the perfect defense against a

bloodthirsty pokeyhorn? Or will he MEET HIS DOOM? First in a new series, More Scrawny Than Brawny delivers irresistible characters, big thrills, and even bigger laughs. Imagine a prehistoric version of Wimpy Kid meets Captain Underpants. –Boys' Life

**Sword of Kings** Bernard Cornwell, 2019-11-26 The twelfth installment of Bernard Cornwell's New York Times bestselling series chronicling the epic saga of the making of England—superior entertainment that is both engaging and enlightening” (Washington Post), and the basis for The Last Kingdom, the hit Netflix series. It is a time of political turmoil once more as the fading King Edward begins to lose control over his successors and their supporters. There are two potential heirs—possibly more—and doubt over whether the once separate states of Wessex and Mercia will hold together. Despite attempts at pulling him into the political fray, Uhtred of Bebbanburg cares solely about his beloved Northumbria and its continuing independence from southern control. But an oath is a strong, almost sacred commitment and such a promise had been exchanged between Uhtred and Aethelstan, his onetime companion in arms and now a potential king. Uhtred was tempted to ignore the demands of the oath and stay in his northern fastness, leaving the quarrelling Anglo-Saxons to sort out their own issues. But an attack on him by a leading supporter of one of the candidates and an unexpected appeal for help from another, drives Uhtred with a small band of warriors south, into the battle for kingship—and England's fate.

VS #2 Ivan Brandon, 2018-03-14 With fresh augments and new sponsors, Satta Flynn is ready for his big comeback fight. But while war never changes, fame is a fickle mistress. Can Satta reclaim the spotlight?

**Beatles vs. Stones** John McMillian, 2013-10-29 In the 1960s an epic battle was waged between the two biggest bands in the world—the clean-cut, mop-topped Beatles and the badboy Rolling Stones. Both groups liked to maintain that they weren't really “rivals”—that was just a media myth, they politely said—and yet they plainly competed for commercial success and aesthetic credibility. On both sides of the Atlantic, fans often aligned themselves with one group or the other. In Beatles vs. Stones, John McMillian gets to the truth behind the ultimate rock and roll debate. Painting an eye-opening portrait of a generation dragged into an ideological battle between Flower Power and New Left militance, McMillian reveals how the Beatles-Stones rivalry was created by music managers intent on engineering a moneymaking empire. He describes how the Beatles were marketed as cute and amiable, when in fact they came from hardscrabble backgrounds in Liverpool. By contrast, the Stones were cast as an edgy, dangerous group, even though they mostly hailed from the chic London suburbs. For many years, writers and historians have associated the Beatles with the gauzy idealism of the “good” sixties, placing the Stones as representatives of the dangerous and nihilistic “bad” sixties. Beatles vs. Stones explodes that split, ultimately revealing unseen realities about America's most turbulent decade through its most potent personalities and its most unforgettable music.
