What's Great about Wisconsin? Erika Wittekind,2014-09-01 What's so great about Wisconsin? Find out the top ten sites to see or things to do in the Badger State! Explore Wisconsin's dairy farms, pine forests, crystal blue lakes, and large cities. The Wisconsin by Map feature shows where you'll find all the places covered in the book. A special section provides quick state facts such as the state motto, capital, population, animals, foods, and more. Take a fun-filled tour of all there is to discover in Wisconsin.

History of Green County, Wisconsin ,1884

Wisconsin Votes Robert Booth Fowler,2008 This is the first full history of voting in Wisconsin from statehood in 1848 to the present. Fowler both tells the story of voting in key elections across the years and investigates electoral trends and patterns over the course of Wisconsin's history. He explores the ways that ethnic and religious groups in the state have voted historically and how they vote today, and he looks at the successes and failures of the two major parties over the years. Highlighting important historical movements, Fowler discusses the great struggle for women's suffrage and the rich tales of many Wisconsin third parties--the Socialists, Progressives, the Prohibition Party, and others. Here, too, are the famous politicians in Wisconsin history, such as the La Follettes, William Proxmire, and Tommy Thompson. Winner, Award of Merit for Leadership in History, American Association for State and Local History

Native People of Wisconsin, Revised Edition Patty Loew,2015-10-06 So many of the children in this classroom are Ho-Chunk, and it brings history alive to them and makes it clear to the rest of us too that this isn't just...Natives riding on horseback. There are still Natives in our society today, and we're working together and living side by side. So we need to learn about their ways as well. --Amy Laundrie, former Lake Delton Elementary School fourth grade teacher An essential title for the upper elementary classroom, *Native People of Wisconsin* fills the need for accurate and authentic teaching materials about Wisconsin's Indian Nations. Based on her research for her award-winning title for adults, *Indian Nations of Wisconsin: Histories of Endurance and Survival*, author Patty Loew has tailored this book specifically for young readers. *Native People of Wisconsin* tells the stories of the twelve Native Nations in Wisconsin, including the Native people's incredible resilience despite rapid change and the impact of European arrivals on Native culture. Young readers will become familiar with the unique cultural traditions, tribal history, and life today for each nation. Complete with maps, illustrations, and a detailed glossary of terms, this highly anticipated new edition includes two new chapters on the Brothertown Indian Nation and urban Indians, as well as updates on each tribe's current history and new profiles of outstanding young people from every nation.

Home Grown - Notebook Hj Designs,2019-08-29 This blank, lined notebook provides a great way to keep track of your to-do list, jotting down notes, journal writing or anything you desire. It makes a great gift for college students, those moving out of state to share pride in where they were raised, or whoever is proud of their home state. It's a memorable and useful - something that anyone is sure to enjoy. 100 pages Professionally bound book with durable cover to protect your book Great gift Measures 6 x 9 Designed in the USA

History of the Territory of Wisconsin, from 1836 to 1848, 1885 In the winter of 1870, the compiler of this book was invited to deliver the annual address before the State Historical Society, and the members of the legislature. Having accepted the invitation, he took as his theme Territorial Legislation of Wisconsin. The address was a brief condensation of what had occurred in the legislative halls during the territorial period of twelve years. This mere epitome of the history of Territorial Legislation, short and fragmentary as it was from the necessities of the occasion, was received with unexpected favor. The author was urged by many who heard it, among whom were those for whose judgment he felt the utmost deference, to enlarge the work of which the address was an abridgment, and to publish a more complete history of the subject to which it related. These flattering solicitations induced the author to make the experiment, although with great hesitation and very serious doubts as to his ability to compile a work which would disappoint the too generous confidence of his friends. The result is the book now presented to the public.

Wisconsin Folklife Marshall Cook, 1998 This lively and colorfully illustrated book documents Wisconsin folk traditions in the 1990s: building Harley motorcycles and Ojibwe birch bark canoes; gatherings at neighborhood taverns, polka dances, the Mexican neighborhood store, or the sturgeon-spearing shanties on Lake Winnebago; working on a dairy farm or at a lakeside fish market; brokering a Hmong marriage or restoring the Dickeyville Grotto; and cheeseheads tailgating at Lambeau field before a Green Bay Packers football game. Written for a general readership by folklorists, cultural anthropologists, and historians, this book resulted from the Wisconsin Folklife Festivals staged by the Smithsonian Institution in Washington, D.C., and by the Wisconsin Arts Board in Madison, Wisconsin, in honor of the 1998 Wisconsin Sesquicentennial.

Private Soldiers Benjamin Buchholz, 2007 Private Soldiers chronicles the 2-127th's year-long deployment from the unique perspective of the soldiers themselves. Written and photographed by three battalion members, the book provides a rare first-hand account of war and life in Iraq. Fascinating soldier interviews reveal the effects of deployment on the troops and on their families back home, and interviews with Iraqi civilians describe the Iraqis' perceptions of life, war, and working alongside Wisconsin troops. Brilliant photography illuminates the 2-127th's year, from training to boots on the ground to their return home. And candid photos taken by battalion members capture the soldiers' day-to-day lives and camaraderie.--BOOK JACKET.
