

# **Williston**

**F. Kennon Moody, Floyd D. Putnam**

*Williston* Richard H. Allen, 2021 After it was chartered in 1763, Williston attracted settlers from southern New England and grew because of the rich farmland and abundant forests. Vermont's first governor, Thomas Chittenden, settled here, and other families soon followed. The arrival of the railroad in 1849 brought new industries and prosperity. The Civil War and westward migration drew men and families away and impacted the town's growth. During the first half of the 20th century, Williston was a small, rural town with an agricultural base. When the interstate highway opened and IBM established a major facility in nearby Essex, increased development brought about the need for modern municipal services. Today, Williston, with a well-preserved historic village, is a thriving commercial and residential town in the middle of Vermont's most populous county.

**The Williston Story** F. Kennon Moody, Floyd D. Putnam, 1961

**East Williston History, 1663-1970** Nicholas A. Meyer, 1970

A History of Williston Seminary Joseph Henry Sawyer, 1917

**North Williston** Richard H. Allen, 2011 With the advent of the railroad in 1849, North Williston changed from a small collection of farms to a thriving economic center in Chittenden County. Transportation access spurred industries such as Smith Wright's cold storage plant, a butter tub factory and a gristmill. The general store, with the telephone switchboard and the post office, served as the community's central gathering place

during the village's prosperity. Richard H. Allen has drawn on a wide variety of sources to capture the essence of this era, and perhaps most enchanting are the words of North Williston residents who recall the time before rail service declined and the village all but disappeared.

Ten New England Leaders Williston  
Walker, 2004-01-26 A preeminent American church  
historian offers ten biographical sketches of New  
England church leaders. This book grew out of a  
series of lectures given at Andover Theological  
Seminary in 1898 and 1899. In them Walker aimed to  
present varied and typical representatives of the  
religious thought of Congregational New England.  
Presented are biographies of: William Bradford  
John Cotton Richard Mather John Eliot Increase  
Mather Jonathan Edwards Charles Chauncy Samuel  
Hopkins Leonard Woods Leonard Bacon

Three Prize Essays on American Slavery Timothy Williston, A. C. Baldwin, R. B. Thurston, 2022-08-10  
The great and agitating question of our country is that concerning slavery. Beneath the whole subject there lies of course some simple truth, for all fundamental truth is simple, which will be readily accepted by patriotic and Christian minds, when it is clearly perceived and discreetly applied. It is the design of these pages to exhibit this truth, and to show that it is a foundation for a union of sentiment and action on the part of good men, by which, under the divine blessing, our threatening controversies, North and South, may be happily terminated. The book is a collection of articles written in 1857 by different authors to an American audience on the subject of slavery.

**History of Easthampton** Payson Williston Lyman, 1866

As recognized, adventure as well as experience about lesson, amusement, as with ease as arrangement can be gotten by just checking out a books **Williston** afterward it is not directly done, you could resign yourself to even more on this life, with reference to the world.

We have enough money you this proper as skillfully as easy exaggeration to acquire those all. We have the funds for Williston and numerous book

collections from fictions to scientific research in any way. among them is this Williston that can be your partner.
