Why I Write George Orwell,2021-01-01 George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell's Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' – Irish Times

Trust Me, I'm Lying Ryan Holiday,2013-07-02 The cult classic that predicted the rise of fake news—revised and updated for the post-Trump, post-Gawker age. Hailed as astonishing and disturbing by the Financial Times and essential reading by TechCrunch at its original publication, former American Apparel marketing director Ryan Holiday's first book sounded a prescient alarm about the dangers of fake news. It's all the more relevant today. Trust Me, I'm Lying was the first book to blow the lid off the speed and force at which rumors travel online—and get traded up the media ecosystem until they become real headlines and generate real responses in the real world. The culprit? Marketers and professional media manipulators, encouraged by the toxic economics of the news business. Whenever you see a malicious online rumor costs a company millions, politically motivated fake news driving elections, a product or celebrity zooming from total obscurity to viral sensation, or anonymously sourced articles becoming national conversation, someone is behind it. Often someone like Ryan Holiday. As he explains, "I wrote this book to explain how media manipulators work, how to spot their fingerprints, how to fight them, and how (if you must) to emulate their tactics. Why am I giving away these secrets? Because I'm tired of a world where trolls hijack debates, marketers help write the news, opinion masquerades as fact, algorithms drive everything to extremes, and no one is accountable for any of it. I'm pulling back the curtain because it's time the public understands how things really work. What you choose to do with this information is up to you."

Self-Publish & Succeed Julie Broad,2021-02-23 You can write a book-anyone can. But if you want to write a book that people will want or even need to read, it's not as simple as sitting down to write. In fact, that's one of the biggest mistakes unsuccessful authors make. Writing a book can be one of the smartest moves for your business success. But you need more than writing skills to create an impressive book that readers will love. You also need a plan to market, sell, and leverage your book into a new level of leadership within your industry to reach your professional goals. In Self-Publish & Succeed, trusted best-selling author and entrepreneur Julie Broad shows you that writing a successful nonfiction book starts long before you write your first chapter. To write a book that boosts your brand, generates a profit, and makes you an influencer in your industry, you need the #noboringbooks way. You're about to discover: -The reason why you're not finishing your book-and how to overcome it. -Why most books are boring, and how to keep yours from being one of them. -Which editors you need to perfect your story and where to find them. -The one simple page that could generate thousands of sales. -Seven places to sell your book (and only one starts with A!). Nonfiction doesn't mean no fun. Write a money-making book that delivers meaningful impact. Self-Publish & Succeed is your step-by-step guide to writing, publishing, and marketing a book that will get attention, explode your career, and change people's lives—including yours.

Brightly Burning Alexa Donne, 2018-05-01 “One of the most anticipated YA debuts of 2018, *Brightly Burning* is a gothic, romantic mystery with hints of *Jane Eyre*, *Marissa Meyer*, and *Kiera Cass*.” –Entertainment Weekly “*Brightly Burning* delivers a brooding gothic mystery and a swoony romance, all set in space. Donne’s atmospheric, twisty update of a cherished classic will keep you up late into the night!” –Elly Blake, NYT bestselling author of the *Frostblood Saga* Stella Ainsley leaves poverty behind when she quits her engineering job aboard the *Stalwart* to become a governess on a private ship. On the *Rochester*, there’s no water ration, more books than one person could devour in a lifetime, and an AI who seems more friend than robot. But no one warned Stella that the ship seems to be haunted, nor that it may be involved in a conspiracy that could topple the entire interstellar fleet. Surrounded by mysteries, Stella finds her equal in the brooding but kind nineteen-year-old Captain Hugo. When several attempts on his life spark more questions than answers, and the beautiful Bianca Ingram appears at Hugo’s request, his unpredictable behavior causes Stella’s suspicions to mount. Without knowing who to trust, Stella must decide whether to follow her head or her heart. Alexa Donne’s lush and enthralling reimagining of the classic *Jane Eyre*, set among the stars, will seduce and beguile you.

The Cyborg Tinkerer Meg LaTorre, 2020-11-17 A deadly circus competition. A tinkerer tasked with removing the losing cyborgs' implants. Who is she to protect when she falls for both the handsome ringleader and a beautiful acrobat?

Blueprint for a Book Jennie Nash, 2021-09 How to write a novel in the most efficient way by tackling the hardest part before you start to write, from top book coach Jennie Nash This process makes me want to write, and it makes what I'm writing better. I read it before every draft. It's that good. -KJ Dell'Antonia, New York Times bestselling author of *The Chicken Sisters* Whether you're writing your first novel or your tenth, there is a temptation to pin it to the page before it disappears. It's such a brilliant idea and you can see the whole thing shimmering in your mind, just out of reach. Maybe you do some work on character development and plotting, but you're a racehorse at the gate, ready to run, ready to write. This book is an argument to stop and define the foundational elements of your story before you keep writing - which means understanding your motivation as a writer, considering your reader's expectations, and making sure your story has a solid structure that will hold up inside and out from beginning to end. This clarity is what gives a novel its power and a writer their confidence. Jennie Nash is the creator of the Book Coach Certification program at Author Accelerator and has taught hundreds of book coaches and thousands of novelists how to use the *Blueprint for a Book* system-and the *Inside Outline* at the heart of it - to help them produce their best work in the most efficient way. Jennie Nash turned me into a plotter and changed the way I think about approaching any new project. I'm an *Inside Outside* outline fan for life! -Alison Hammer, author of *You and Me and Us* and *Little Pieces of Me* If you are about to start writing or revising your novel - hold up! You need this book before putting fingers to keyboard. It's a step-by-step design-your-novel manual that encapsulates the most important aspect of great story-telling: how to reach deep into your writerly heart and into the heart of the story you want to bring to life. - Janet Fox, author of *The Artifact Hunters* I will sing the praises of the *Inside Outline* forever. It's f*ing genius. -Carla Naumburg, author of *How to Stop Losing Your Sh*t With Your Kids* The *Inside Outline* is making writing easier. I can focus more on the writing rather than discovering what the scene is about when I'm creating it. Why isn't every writer using it? Instead, people are plonking down good money to be told ten key steps in writing dialogue or setting a scene. I'm so grateful I'm no longer one of them. - Kate Kimball, first time novelist

Room to Write Bonni Goldberg, 1996 What makes someone a writer? A writer writes, expressing the world through synthesis of mind and magic, sensuality and spirit. With both humor and reverence, *Room to Write* playfully prevails on us to experience the world through a writer's eyes, and respond to the creative sparks that charge good writing. In two hundred daily essays, the author invites the reader--whether an experienced writer or someone just starting out--into the crucibles from which creative writing erupts: emotion, imagination, intellect, and soul. Once there, she urges the reader to grab a pen, grasp a keyboard, and seize the moment when perception fires revelation and language becomes art. Each page features an essay exploring an aspect of the writing process, an exercise to get the reader writing, and a quotation to tickle the mind and keep the writing going. Ultimately, readers learn about how they write, and how to trust their intuition. *Room to Write* is a collection of beguiling provocations, an irresistible invitation to all those who believe that writing, like any creative endeavor, is a way of life.

You Don't Have to Write a Book Hal Stone, Sidra Stone, 1997 In this brilliantly conceived and executed book, they erase forever the guilt and self criticism of non-doing that has plagued western civilization. If you have ever aspired to write a book, or if you are identified with doing rather than being, this book will change your life. Prepare for a great adventure!

Think Write Book Ines Millin Mevs, 2008-01 The *Think Write Book* incorporates sentence combining with features of various academic content areas, non-fiction, and jumping off points for further and more in-depth

discussion and collaboration in the ELL classroom community. Students will be able to develop and strengthen their writing skills, specifically composing, revising, editing, and critical thinking. By mastering these skills, students will improve their syntax and fluency, and they will also acquire a stronger writer's vocabulary that will aid them in enhancing their overall written communication skills, academic writing assignments, and demand writing tasks found in various state-mandated standardized tests. Incorporating sentence combining with classroom activities, such as peer-review/peer-assessment, and writing workshops, will also promote very powerful data for teachers who are engaging in action research. Using the sentence combining activities in this book, along with writers' workshop activities, can provide teachers of English Language Learners and struggling writers with a means to conduct whole-group, small-group, and differentiated instruction as students continue their development of vocabulary and language necessary for academic success. Such activities will have the desirable effect of increasing ELL students' understanding and maturity in written expression, as well as their increased metalinguistic awareness and the use of rubrics, particularly those that target the conventions of writing.

Write This Book Pseudonymous Bosch,2013-04-02 This imaginative companion to the New York Times bestselling Secret Series teases, prompts, and leads readers through the steps of writing a story. Bosch's signature rip-roaring voice delivers an engaging narrative (for the reader to help complete!) and interactive puzzles and games. Readers get the chance to create their own story while enjoying a satisfying mystery as well. Here's a note from our fearless author:I feared this might happen. I knew reading was a dangerous business, but now it's not safe for writers either! You see, the author of this book is missing. Well, maybe not missing. A certain author whom I won't name (okay, me) has abandoned his book and has left his readers hanging out to dry. This is a crime, I admit, but there it is. Most of this book, well, I just haven't written it. And I'm not going to, either. Why? Oh, I have my reasons. Big. Grown up. Author. Reasons. Unfortunately, I can't reveal them yet. Let's just say a life is at stake (mine) and leave it at that. So will you do it? Pretty please? You'll do it? Thank you! But please hurry! Time is of the essence and you can't wait any longer. You must WRITE THIS BOOK!
