

York

Michael York

The Shadow Cipher Laura Ruby, 2017 A debut entry in an alternate-history series depicts three kids who try to solve a modern-world puzzle and complete a treasure hunt laid into the streets and buildings of New York City.

York: The Map of Stars Laura Ruby, 2020-05-12 The thrilling conclusion to two-time National Book Award finalist Laura Ruby's epic adventure through the streets of an alternate New York City. It was only a few days ago that Tess Biedermann, Theo Biedermann, and Jaime Cruz, along with a mysterious figure from the past, managed to survive an assault on the location of the latest clue in the Morningstarr cipher—and, in the process, made a shocking discovery about their own connection to this one-hundred-sixty-year-old enigma. Now the friends are divided. Tess and Theo have no idea what the photo they found in Greenwood Cemetery means, but Jaime is convinced that they do, and that they've been keeping their own secrets from him. As the city continues to break around them, suddenly solving the greatest mystery of the modern world seems less important than saving their own friendship. The stakes of completing the cipher, however, have never been higher. Darnell Slant, real estate developer and owner of all the Morningstarr buildings, knows that they hold one last secret: a power that even the Morningstarrs themselves never revealed. The world has rested on a precarious balance of power for generations; now Slant and his shadowy business partners aim to unbalance it. It's up to Tess, Theo, and Jaime to uncover the Morningstarrs' final mystery in a desperate attempt to set things right. The world—theirs, and possibly others—depends on it.

The Journey of York Hasan Davis, 2021-08-15 Thomas Jefferson's Corps of Discovery included Captains Lewis and Clark and a crew of 28 men to chart a route from St. Louis to the Pacific Ocean. All the crew but one volunteered for the mission. York, the enslaved man taken on the journey, did not

choose to go. Slaves did not have choices. York's contributions to the expedition, however, were invaluable. The captains came to rely on York's judgement, determination, and peacemaking role with the American Indian nations they encountered. But as York's independence and status rose on the journey, the question remained what status he would carry once the expedition was over. This is his story.--Provided by publisher.

Daughter of York Anne Easter Smith, 2011-08-23 History tells us that the intelligent, wealthy, and powerful Margaret of York had everything any woman could want, except for love. The acclaimed author of *A Rose for the Crown* takes us between the lines of history and into her heart. It is 1461: Edward, son of Richard of York, ascends to the throne, and his willful sister, Margaret, immediately becomes a pawn in European politics as Edward negotiates her marriage. The young Margaret falls deeply in love with Anthony Woodville, the married brother of Edward's queen, Elizabeth. But Edward has arranged for his sister to wed Charles, son of the Duke of Burgundy, and soon Margaret is setting sail for her new life. Her official escort: Anthony Woodville. Margaret of York eventually commanded the respect and admiration of much of Europe, but it appears to history that she had no emotional intimate. Anne Easter Smith's rare gift for storytelling and her extensive research reveal the love that burned at the center of Margaret's life, adding a new dimension to the story of one of the fifteenth century's most powerful women.

The Readiness Is All Michael York, 2018-05 Inspirational, entertaining, and heroic, Michael York's odyssey reveals more than one person's encounter with disease - it will empower anyone confronting adversity, especially those turning to the soul for hope.

Buffalo Dance Frank X Walker,2004-02-01 Winner of the 35th Annual Lillian Smith Book Award, 2004 A BookSense 76 Spring 2004 Top 10 Poetry Book! Read an excerpt from the book Listen to Frank X Walker reading on NPR's This I Believe segment of Morning Edition. This collection of persona poems tells the story of the infamous Lewis & Clark expedition from the point of view of Clark's personal slave, York. The poems form a narrative of York's inner and outer journey, before, during and

after the expedition—a journey from slavery to freedom, from the plantation to the great northwest, from servant to soul yearning to be free. Over the course of the saga and through the poems, we are treated to subtle and overt commentaries on literacy, slavery, native Americans, buffalo, the environment, and more. Though Buffalo Dance purposely references historic accounts and facts, it is fictionalized poetry, and Frank X Walker's rare blend of history and art breathes life into an important but overlooked historical figure. Frank X Walker is the author of *Affrilachia* and the soon to be released *Black Box*, two collections of poetry. He teaches in the department of English & Theatre and is the interim Director of the African/African American Studies Program at Eastern Kentucky University. He is also a visiting professor in Pan African Studies department at the University of Louisville. A 2004 recipient of the Lillian Smith Book Award, he lives in Lexington, KY.
