Not only do they have zombies to contend with, but they also have to deal with other humans changed by desperation and willing to do anything to survive. Dallas and Raleigh have changed too. So much so that Dallas struggles with the idea that Raleigh no longer needs or wants his protection. But they will have to rely on each other and find strength in their love as they are forced to evade zombies and watch their friends die. As they fight for their lives in a brutal landscape where every supply and every step toward a potential cure is a battle to the death, only their trust in each other can keep them from perishing.

**Ella and Owen 4: The Evil Pumpkin Pie Fight!** Jaden Kent, 2020-01-01 In this fourth book in the Ella and Owen series, the dragon siblings run up against an evil pumpkin king, a hungry spider, and a witch. On top of that, they have to deal with an army of pumpkins that want to fight with pie, when all the twins really want to do is get home without getting lost. As the fourth book in the Ella and Owen series begins, Ella's sense of adventure gets the twins in trouble--yet again! The siblings are stuck outside at night, unsure of where they are, when a light in the distance intrigues Ella. The two end up meeting an evil pumpkin king, traveling through a graveyard to meet with a witch, and getting caught in a spider's web. In order to get a map from the pumpkin king so they can find their way home, they even have to help an army of pumpkins fight the witch! Just in time for Halloween, this new addition to the fun dragon-y series has lots of spooky, scary bits while being filled with non-stop action and silliness. This early chapter book series has it all--humor, adventure, a dash of some gross-out stuff, and just the right mixture of sibling rivalry/love. Black and white illustrations with dragon details galore on every page add to the enjoyment, making Ella and Owen's world pop on each page.
