**Tarot for Change** Jessica Dore, 2021-10-26 “An instant classic, a must-have for every tarot enthusiast, and a manifesto for insightful living.” —Chani Nicholas, astrologer and author of *You Were Born for This* “Generous, practical, and gently radical.” —New York Times Though tarot is often thought of as a tool for divination and fortune-telling, it also has deep roots in spirituality and psychology. For those who know how to see and listen, the cards hold the potential to help us better navigate the full spectrum of the human experience. In *Tarot for Change*, Jessica Dore divulges years of hard-won secrets about how to work with tarot to better understand ourselves and live in alignment with what's precious. Dore shows readers how to choose a deck, interpret images, and build a relationship with the cards, while also demonstrating how the mythic imagery of tarot supports modern therapeutic concepts like mindfulness, acceptance, and compassion. Her reflections on each of the seventy-eight cards are a vibrant tapestry that weaves together ideas from psychology, behavioral science, spirituality, and old stories, breathing new language into ancient wisdoms about what it means to be human. This is as much a book for those who are new to tarot as it is for those who have worked with the cards for years. And it's a book for anyone interested in exploring what it means to experience joy, heartbreak, wonder, stagnation, grief, loneliness, love. A book of secrets, symbols, and stories, *Tarot for Change* is a charm for remembering that our problems are not new, we are never alone, and whether we know it or not, we are always in a process of change.
