The World Is Decorated with Stars Denice Kronau,2014-10-22 In her remarkable debut novel, author Denice Kronau presents a love story for the ages. The World is Decorated with Stars tells two parallel stories of two couples, both named Abigail and Matthew, living in Massachusetts. This meticulously researched story deftly alternates between centuries and a backdrop rooted in historical events. Matthew and his wife Abigail live in Nantucket in the 1800s. As a sea captain during the height to the decline of the whaling era, Matthew leaves for years at a time, often conflicted between staying home with his family and his love of the sea. Meanwhile Abigail heads their household, raises their children, and runs her family's business. The Matt and Abby of 2008 are successful heads of their own businesses in Boston and Nantucket. Unaware that they were husband and wife in a previous life, they begin a relationship as business partners. Faced with modern-day business challenges and the financial crisis, their friendship blossoms into something more. The World Is Decorated with Stars is a stunning novel for readers who love historical fiction and the romance of finding a lost love again.

The Green Book of Language Revitalization in Practice Leanne Hinton,Kenneth Hale,2013-06-13 With world-wide environmental destruction and globalization of economy, a few languages, especially English, are spreading, while thousands others are disappearing, taking with them cultural, philosophical and environmental knowledge systems and oral literatures. This book serves as a manual of effective practices in language revitalization. This book was previously published by Academic Press under ISBN 978-01-23-49354-5.

Huaka'i Hele Sally-Jo Keala-O-Ānuenue Bowman,2020-09-15 A Hawaiian girl began without a Hawaiian name, when being Native Hawaiian wasn't cool. When a high school classmate gave Sally-Jo Bowman a Hawaiian name in 1956, she ignored it because it wasn't official and she focused on becoming a journalist. Yet, over many years, Keala-o-Ānuenue, The Path of The Rainbow, crept subliminally into what she chose to write about and how she wrote. Eventually that pathway surfaced and became front and center in her heart and mind.

The Hawaiian Romance Of Laieikawai S. N. Haleole,2022-05-28 The Hawaiian Romance of Laieikawai, the first fictional work of literature produced by a Native Hawaiian. The story is based on a traditional legend about the princess Lā'ieikawai. The theme of songs and tales was rehearsed in prose and interspersed with oral songs by ancient Hawaiian storytellers. That's why it's an exciting mix of folklore and historical fiction.

The Legends and Myths of Hawaii Various Authors,2023-12-26 Hawaiian Legends & Myths is a collection of books by William Drake Westervelt, one of Hawaii's foremost authorities on island folklore. It contains five books Westervelt wrote about Hawaiian legends, folklore and mythology. Legends of Maui includes numerous myths of Māui, Polynesian demi god of Polynesia and Hina who is sometimes in myths his mother, and sometimes his wife. These myths and legends originate from various island groups around the Pacific and they are pesented in a clear and thorough manner. Legends of Old Honolulu is collection of ancient Hawaiian folktales which also includes some information about where the Hawaiians came from and the sacred places in Honolulu. As might be expected in stories originating on a small island, many of them feature the sea, boats, sea creatures or water. Legends of Gods and Ghost-Gods focuses on Polynesian mythology, taking a close look at Hawaiian folktales, mythology, and the history of the polytheistic practices still in place to this day. Hawaiian Legends of Volcanoes – The first part of this book focuses on the legends of Hawaii and its volcanoes. The second part considers the geology of the region and discusses the crack in the floor of the Pacific, Hawaiian volcanoes, volcanic activity and the changes in the Kilauea crater. It also looks at the foundation of the observatory. Hawaiian Historical Legends take the reader through Hawaiian history from ancient times to becoming an American state. He adds that Hawaiian people are not overly concerned with dates but that these stories are all related one to another.

Hawaiian Legends of Ghosts and Ghost-Gods W. D. Westervelt,2021-08-03 Hawaiian Legends of Ghosts and Ghost-Gods (1915) is a collection of Hawaiian folktales and myths by W. D. Westervelt. Connecting the origin story of Hawaii to the traditions of other Polynesian cultures, Westervelt provides an invaluable resource for understanding the historical and geographical scope of Hawaiian culture. Drawing on the work of David Malo, Samuel Kamakau, and Abraham Fornander, Westervelt, originally from Ohio, became a leading authority on the Hawaiian Islands, publishing extensively on their legends, religious beliefs, and folk tales. “The legends of the Hawaiian Islands are as diverse as those of any country in the world. They are also entirely distinct in form and thought from the fairy-tales which excite the interest and wonder of the English and German children. The mythology of Hawaii follows the laws upon which all myths are constructed.” Part ethnography, part geological description, Westervelt’s work is a powerful celebration of the cultural traditions of the Hawaiian Islands. In these legends, ghosts and gods interact with the environment and the daily lives of islanders, shaping human society and the land itself. Highlights include the story of the Wauhula heiau, or temple, the legend of the enraged Hau-pu and the Rock of Kauai, and the tale of Nanaue, the shark-man of Waipio Valley. With a beautifully designed cover and professionally typeset manuscript, this edition of W. D. Westervelt’s Hawaiian Legends of Ghosts and Ghost-Gods is a classic of Hawaiian literature reimagined for modern readers.
