Milo, Cat or you? ★ Short extract from the story It was right before sleep, it was already night, But for Milo and Cat, something wasn't quite right! ... We tried counting sheep and we counted the stars, We even tried counting the distance to Mars. ... We'll be sleeping in no time; without any doubt. Trust my whiskers, said Cat. We will figure it out! ... This should have some clues, so let's go have a look There's always advice in the KNOW IT ALL book. ...

ABC for Me: ABC Bedtime Erica Harrison,2022-02-01 Through engaging but calming illustrations and text, ABC Bedtime provides an alphabet of ways to get kids to cooperate in getting ready for bed. All bedtime routines look a little different, but whether we are big or small, we all have a bedtime. Some people give hugs and kisses, and others will sing lullabies or read a story. Some people will wish on a star, and others will do deep breathing to wind down. Pairing aspects of various bedtime routines with each letter of the alphabet, ABC Bedtime is a sweet read for both caregiver and child. This book is not only

perfect for teaching toddlers their ABCs, but also for encouraging them to acknowledge that it's bedtime, get ready, and calm down their bodies and minds before going to bed. The book begins at A with the feeling of being wide awake and active, but after going through the calming A-to-Z bedtime routine, it ends at Z with being sound asleep and catching those ZZZs. A few of the letters, from A to Z, are things families do together (saying goodnight, reading a story, tucking in), but many are things children can do on their own after the caregiver has left them for the night (thinking about the fun day ahead, or replaying a happy memory in their mind). This sweet read with soothing illustrations is sure to please the little ones, and with the consistency and the help of ABC Bedtime, caregivers can reduce the time spent on getting children to bed. A calmer, quicker bedtime makes the whole family happier and healthier! With endearing illustrations and mindful concepts, the ABC for Me series pairs each letter of the alphabet with words that promote big dreams and healthy living.

Stars Before Bedtime CLAIRE. HIBBERD GRACE (DR. JESSAMY.),Jessamy Hibberd,2020-03-03 Create a calm bedtime ritual with this debut book in the Before Bedtime series, Stars Before Bedtime - a soothing journey through the glittering constellations of the night sky woven with tried-and-true sleep exercises from the best-selling author and clinical psychologist Dr. Jessamy Hibberd. In this fast-paced world, relaxing and preparing for sleep can be difficult for children. This beautiful, fact-filled book helps ease bedtime struggles with mindfulness, muscle relaxation, gentle yoga poses, visualization, and other exercises proven to help kids release stress and anxiety, clear their minds, get ready for bed, and fall asleep faster while also boosting happiness and improving overall health. With gentle, calming artwork from the wonderfully talented Hannah Tolson and simple, melodic text, children explore the sky's constellations and the mythical stories behind them as they get their minds and bodies ready for bed. Each exercise, called out by a moon symbol, is simple and easy to do. Usher in calm with these and more soothing techniques: Stretch out on your bed like the snake-like constellation Draco the Dragon--take a deep breath in through your nose and then breathe out all the air through your mouth, making a hissing sound, just like a slithering snake! Close your eyes and picture the ship from the constellation Argo Navis in your head. Now climb on board and let's go on an adventure. You are the captain of the ship. Maybe you'll dream of floating through a moonlit sky on broad wings, like Aquila the Eagle. Or perhaps you'll drift down a glittering stream with Cygnus the Swan. Hold your hands together just like Castor and Pollux, the twins of the constellation Gemini. Rest them on your chest--can you feel your breath moving in and out as your chest rises and falls? The pages are self-contained so you can start anywhere and complete as many, or as few, exercises as you like. Join your child as they complete the exercises--you might just find something that works for you, too. Tips on mindfulness and extra resources for parents are included at the back of the book. Stargazers of all ages will love this journey through constellations. Good sleep is essential for growing brains. Each beautifully illustrated book in the Before Bedtime series helps curious children prepare for sleep by uniting a different intriguing non-fiction topic with sleep-inducing mindfulness exercises; an effective alternative to the traditional bedtime story. Fascinating facts are paired with guided relaxation techniques inspired by the topic for a peaceful routine that not only leaves bedtime battles far behind but equips children for success in a hectic world.
