The Children's Book A. S. Byatt, 2009-11-03 From the renowned author of *Possession*, *The Children's Book* is the absorbing story of the close of what has been called the Edwardian summer: the deceptively languid, blissful period that ended with the cataclysmic destruction of World War I. In this compelling novel, A.S. Byatt summons up a whole era, revealing that beneath its golden surface lay tensions that would explode into war, revolution and unbelievable change – for the generation that came of age before 1914 and, most of all, for their children. The novel centres around Olive Wellwood, a fairy tale writer, and her circle, which includes the brilliant, erratic craftsman Benedict Fludd and his apprentice Phillip Warren, a runaway from the poverty of the Potteries; Prosper Cain, the soldier who

directs what will become the Victoria and Albert Museum; Olive's brother-in-law Basil Wellwood, an officer of the Bank of England; and many others from every layer of society. A.S. Byatt traces their lives in intimate detail and moves between generations, following the children who must choose whether to follow the roles expected of them or stand up to their parents' "porcelain socialism." Olive's daughter Dorothy wishes to become a doctor, while her other daughter, Hedda, wants to fight for votes for women. Her son Tom, sent to an upper-class school, wants nothing more than to spend time in the woods, tracking birds and foxes. Her nephew Charles becomes embroiled with German-influenced revolutionaries. Their portraits connect the political issues at the heart of nascent feminism and socialism with grave personal dilemmas, interlacing until *The Children's Book* becomes a perfect depiction of an entire world. Olive is a fairy tale writer in the era of Peter Pan and Kenneth Grahame's *The Wind In the Willows*, not long after Alice's *Adventures in Wonderland*. At a time when children in England suffered deprivation by the millions, the concept of childhood was being refined and elaborated in ways that still influence us today. For each of her children, Olive writes a special, private

book, bound in a different colour and placed on a shelf; when these same children are ferried off into the unrelenting destruction of the Great War, the reader is left to wonder who the real children in this novel are. *The Children's Book* is an astonishing novel. It is an historical feat that brings to life an era that helped shape our own as well as a gripping, personal novel about parents and children, life's most painful struggles and its richest pleasures. No other writer could have imagined it or created it.

Be Kind Pat Zietlow Miller, 2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, *Be Kind* is an unforgettable story about how two simple words can change the world.

The Children's Book of America William J. Bennett, 1998-11-02 Presents stories of significant events and people in American history, patriotic songs, and American folk tales and poems.

Children of the Book Peter Carter,1982 Young Timur Ven marches with the Turkish army toward Vienna, as young Stefan Zabruski marches with the Polish army to save the city from the infidels.

Children's Book of Virtues William John Bennett,1995 A collection of stories and poems presented to teach virtues, including compassion, courage, honesty, friendship, and faith.

A Single Shard Linda Sue Park,2001-04-23 The Newbery Medal-winning tale of an orphan boy whose dream of becoming a master potter leads to unforeseen adventure in ancient Korea. Tree-ear is an orphan boy in a 12th-century Korean village renowned for its ceramics. When he accidentally breaks a delicate piece of pottery, he volunteers to work to pay for the damage. Putting aside his own dreams, Tree-ear resolves to serve the master potter by embarking on a difficult and dangerous journey, little knowing that it will change his life forever. Despite the odds against him, Tree-ear becomes courageous, brave and selfless, a hero as enduring as the porcelain Park so lovingly

describes. (New York Times) “Intrigues, danger, and a strong focus on doing what is right turn a simple story into a compelling read. A timeless jewel.” (Kirkus starred review) *A broken piece of pottery sets events in motion as an orphan struggles to pay off his debt to a master potter. This finely crafted novel brings 12th-century Korea and these indelible characters to life. (School Library Journal starred review) Tree-ear's determination and bravery in pursuing his dream of becoming a potter takes readers on a literary journey that demonstrates how courage, honor and perseverance can overcome great odds and bring great happiness. Park effectively conveys 12th century Korea in this masterful piece of historical fiction. (Kathleen Odean, chair of the Newbery Award Selection Committee)

The Barefoot Book of Children Tessa Strickland, Kate DePalma, 2016 The Barefoot Book of children takes its readers on a visual trek across the globe, where they discover that--despite our different clothes and homes and languages--we are more alike than different.

Building a Culture of Literacy in Your Community Through Día Jeanette Larson, 2011-03-29 A celebration of children, families, and reading held annually since 1996, Children's Day/Book Day,

known as Día, emphasizes the importance of literacy for children of all linguistic and cultural backgrounds. In anticipation of Día's fifteenth anniversary, the Association for Library Service to Children (ALSC) presents a collection of the best of its Día programming ideas, offering * A wealth of ready-to-use programs, easily adaptable for a variety of cultures * Cultural competency training tips to encourage outreach to minority populations * Interviews with library directors about the best ways to heighten awareness of cultural and literacy issues Complemented by numerous bilingual book suggestions, this resource is perfect for collection development, early literacy storytimes, and year-round program planning.

The Children's Crusade Ann Packer, 2015-04-07 From New York Times bestselling, award-winning author Ann Packer, a "tour de force family drama" (Elle) that explores the secrets and desires, the remnant wounds and saving graces of one California family, over the course of five decades. Bill Blair finds the land by accident, three wooded acres in a rustic community south of San Francisco. The year is 1954, long before anyone will call this area Silicon Valley. Struck by a vision of his future family, Bill

buys the property and proposes to Penny Greenway, a woman whose yearning attitude toward life appeals to him. In less than a decade they have four children. Yet Penny is a mercurial housewife, overwhelmed and undersatisfied, chafing at the conventions confining her. Years later, the three oldest Blair children, adults now and still living near the family home, are disrupted by the return of the youngest, whose sudden presence sets off a struggle over the family's future. One by one, they tell their stories, which reveal Packer's "great compassion for her characters, with their ancient injuries, their blundering desires. The way she tangles their perspectives perfectly, painfully captures the tumult of selves within a family" (MORE Magazine). Reviewers have praised Ann Packer's "brilliant ear for character" (The New York Times Book Review) and her "naturalist's vigilance for detail, so that her characters seem observed rather than invented" (The New Yorker). Her talents are on dazzling display in *The Children's Crusade*, "an absorbing novel that celebrates family even as it catalogs its damages" (People, Book of the Week). This is a "superb storyteller" (San Francisco Chronicle), Ann Packer's most deeply affecting book yet, "tragic and utterly engrossing" (O, The Oprah Magazine).

Enjoy Your Cells Frances R. Balkwill, 2001-10 *Enjoy Your Cells* is a new series of children's books from the acclaimed creative partnership of scientist/author Fran Balkwill and illustrator Mic Rolph. The titles in the series include: *Enjoy Your Cells* *Germ Zappers* *Have a Nice DNA!* *Gene Machines* Once again, they use their unique brand of simple but scientifically accurate commentary and exuberantly colorful graphics to take young readers on an entertaining exploration of the amazing, hidden world of cells, proteins, and DNA. It's over ten years since Fran and Mic invented a new way of getting science across to children. Think what extraordinary advances have been made in biology in that time - and how often those discoveries made headlines. Stem cells, cloning, embryo transfer, emerging infections, vaccine development...here in these books are the basic facts behind the public debates. With these books, children will learn to enjoy their cells and current affairs at the same time. And they're getting information that has been written and reviewed by working scientists, so it's completely correct and up-to-date. Readers aged 7 and up will appreciate the stories' lively language and with help, even younger children will enjoy and learn from the jokes and illustrations - no expert required! This series is

a must for all elementary school students and those who care about educating them to be well-informed in a world of increasingly complex health-related and environmental issues. Fran Balkwill is Professor of Cancer Biology at St. Bartholomew's Hospital and the London Queen Mary School of Medicine. Mic Rolph is a graphic designer with much television and publishing experience. Together, they have created many books for children, and have won several awards, including the prestigious COPUS Junior Science Book Prize.

For the Children's Hour Carolyn Sherwin Bailey, 1906 This is a collection of stories relating to a child's everyday experiences.

Suffer the Children Craig DiLouie, 2014-05-20 On a grand canvas reminiscent of Guillermo del Toro and Justin Cronin, acclaimed author Craig DiLouie presents a terrifying novel filled with impossible decisions [and] a stark, brutal, and chilling vision of the end of days (David Moody, author of *Hater*). **SO MANY MOUTHS TO FEED** It begins on an ordinary day: children around the world are dying. All children, everywhere—a global crisis beyond any parent's worst nightmare. Then, a miracle

beyond imagining: three days later, they return. Shattered mothers and fathers see their sons and daughters happy and whole once more, playing and laughing as before—but only when they feed. They hunger for blood...and they can't get enough upon which to feast. Without it, they die again. How far would you go to keep someone you love alive?

The Very Hungry Caterpillar Eric Carle,2016-11-22 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's The Very Hungry Caterpillar is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

(Sittin' on) The Dock of the Bay Otis Redding,Steve Cropper,2021-03-02 Otis Redding and Steve Cropper's timeless ode to never-ending days is given fresh new life in this heartwarming picture book. Sittin' in the mornin' sun I'll be sittin' when the evening comes Watching the ships roll in Then I'll watch

'em roll away again, yeah (Sittin' on) The Dock of the Bay is a charming picture book set to one of the King of Soul's™ greatest hits. The song was one of the last Redding recorded, and ranked number four on Billboard's year-end Hot 100 chart, going on to win two GRAMMYs and be certified triple-platinum. With lyrics by Otis Redding and Steve Cropper and illustrations by Kaitlyn Shea O'Connor, this picture book imagines a lonesome cat fishing off a dock and hoping the fish will bite soon. (Sittin' on) The Dock of the Bay is the perfect picture book for parents wanting to share a classic song with their children, allowing both to find joy in it along the way. What [Otis Redding's] voice conveyed to listeners was an immediate, almost unparalleled connection; he could wring inconceivable intensity and complexity out of a minimal phrase and returned, most often, to the basic, raw power of love. --New York Times

The Otis Redding Foundation: Redding was dedicated to improving the quality of life for his community through the education and empowerment of its youth. He provided scholarships and summer music programs which continued until his untimely death on December 10, 1967. Today, the mission of the Otis Redding Foundation, established in 2007 by Mrs. Zelma Redding, is to empower,

enrich, and motivate all young people through programs involving music, writing, and instrumentation. To learn more, visit: otisreddingfoundation.org.

Little Children Tom Perrotta, 2007-04-01 Unexpectedly suspenseful, but written with all the fluency and dark humor of Tom Perrotta's *The Wishbones* and *Joe College*, *Little Children* exposes the adult dramas unfolding amidst the swingsets and slides of an ordinary American playground. Tom Perrotta's thirty-ish parents of young children are a varied and surprising bunch. There's Todd, the handsome stay-at-home dad dubbed The Prom King by the moms of the playground; Sarah, a lapsed feminist with a bisexual past, who seems to have stumbled into a traditional marriage; Richard, Sarah's husband, who has found himself more and more involved with a fantasy life on the internet than with the flesh and blood in his own house; and Mary Ann, who thinks she has it all figured out, down to scheduling a weekly roll in the hay with her husband, every Tuesday at 9pm. They all raise their kids in the kind of sleepy American suburb where nothing ever seems to happen--at least until one eventful summer, when a convicted child molester moves back to town, and two restless parents begin an

affair that goes further than either of them could have imagined. Perrotta received Golden Globe and Academy Award nominations for best screenplay for the film adaptation of *Little Children*, which was directed by Todd Field and starred Kate Winslet and Jennifer Connelly.

Mind Children Hans Moravec, 1988 A dizzying display of intellect and wild imaginings by Moravec, a world-class roboticist who has himself developed clever beasts . . . Undeniably, Moravec comes across as a highly knowledgeable and creative talent--which is just what the field needs.--Kirkus Reviews.

The Emperor's Children Claire Messud, 2007-06-26 A bestselling, masterful novel about the intersections in the lives of three friends, now on the cusp of their thirties, making their way—and not—in New York City. There is beautiful, sophisticated Marina Thwaite—an “It” girl finishing her first book; the daughter of Murray Thwaite, celebrated intellectual and journalist—and her two closest friends from Brown, Danielle, a quietly appealing television producer, and Julius, a cash-strapped

freelance critic. The delicious complications that arise among them become dangerous when Murray's nephew, Frederick "Bootie" Tubb, an idealistic college dropout determined to make his mark, comes to town. As the skies darken, it is Bootie's unexpected decisions—and their stunning, heartbreaking outcome—that will change each of their lives forever. A richly drawn, brilliantly observed novel of fate and fortune—of innocence and experience, seduction and self-invention; of ambition, including literary ambition; of glamour, disaster, and promise—*The Emperor's Children* is a tour de force that brings to life a city, a generation, and the way we live in this moment.
