

Cricket

Nathan Leamon,Ben Jones

The Very Quiet Cricket Eric Carle,2021-09-07 One day, a little cricket is born and meets a big cricket who chirps his welcome. But the little cricket cannot make a sound. The cricket meets many insects, but it isn't until he meets a beautiful female cricket that he can finally chirp hello! Excerpt: Hello! whispered a praying mantis, scraping its huge front legs together. The little cricket wanted to answer, so he rubbed his wings together. But nothing happened. Not a sound.

The Picador Book of Cricket Ramachandra Guha,2016-06-30 A tribute to the finest writers on the game of cricket and an acknowledgement that the great days of cricket literature are behind us. There was a time when major English writers – P. G. Wodehouse, Arthur Conan Doyle, Alec Waugh – took time off to write about cricket, whereas the cricket book market today is dominated by ghosted autobiographies and statistical compendiums. The Picador Book of Cricket celebrates the best writing on the game and includes many pieces that have been out of print, or difficult to get hold of, for years. Including Neville Cardus, C. L. R. James, John Arlott, V. S. Naipaul, and C. B. Fry, this anthology is a must for any cricket follower or anyone interested in sports writing elevated to high art.

The Tented Field Tom Melville,1998 Far more than a simple history of a now long-forgotten American sports tradition, this work is a story of the historical development of the American sporting character itself.

The Manual of Cricket Alexander D. Paterson,1847

The Development of West Indies Cricket, Vol. 1 Hilary Beckles,1998 This volume covers the third rising of West Indies cricket. As the sport becomes ever more commercialized, large amounts of money have established sponsorship & support systems to give cricketers around the world every possible advantage. Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean. He also describes the emergence of what he argues is a debilitating sub-nationalism in the West Indies, & the effect this has had on the game, & the prospect for integrating West Indian nationhood in the twenty-first century.

Cricket Country Prashant Kidambi,2022-04-01 Cricket is an Indian game accidentally invented by the English, it has famously been said. Today, the Indian cricket team is a powerful national symbol, a unifying force in a country riven by conflicts. But India was represented by a cricket team long before it became an independent nation. Drawing on an unparalleled range of original archival sources, Cricket Country is the story of the first All India cricket tour of Great Britain and Ireland. It is also the extraordinary tale of how the idea of India took shape on the cricket field in the high noon of empire. Conceived by an unlikely coalition of colonial and local elites, it took twelve years and three failed attempts before an Indian cricket team made its debut on the playing fields of imperial Britain. This historic tour, which took place against the backdrop of revolutionary politics in the Edwardian era, featured an improbable cast of characters. The teams young captain was the newly enthroned ruler of a powerful Sikh state. The other cricketers were chosen on the basis of their religious identity. Remarkably, for the day, two of the players were Dalits. Over the course of the blazing Coronation summer of 1911, these Indians participated in a collective enterprise that epitomizes the way in which sport and above all cricket helped fashion the imagined communities of both empire and nation.

Cricket Kings William McInnes,2010-07-01 One of Australia's best loved writers, William McInnes makes us laugh, cry and grab life with both hands. Chris Andersen loves cricket. He may not be a legend like Bradman or Boonie, but in the Yarraville West Fourths, Chris Andersen is king. He is the captain, the coach, the manager and, thankfully, a player. They are getting hard to find, players. Every Saturday in summer Chris ropes together a motley team of men and a couple of boys to turn up in their cricket whites to try and win a game. Everyone has a different reason for being there: to hear the music from a nearby house, a block out the memories of another place, to be entertained, to please their dad, or just to have a go. And everyone has a story to tell. 'Marvellous reading' - Woman's Day 'Entertaining' - West Australian 'A book about a lot more than cricket? And even though you laugh out loud, you recognise something real' - The Age 'Big-hearted novel with character, leaving the reader with the urge to stand up and cheer' - Sunday Telegraph 'An affectionate, gentle and touching tribute to cricket and blokes who play it for love, not money' - Adelaide Advertiser

Cricket Alive ,1978

Cricket and Beyond Gulu Ezekiel,2011-01-01 Gulu wears his passion on his sleeve and on the numerous TV debates in which we have featured together I have found we are on the same wavelength when it comes to issues and controversies concerning cricket. This book contains an impressive array of Gulu's articles on a wide range of sports with an emphasis on cricket which is so close to Gulu's heart. There are numerous articles on the India Premier League in this collection stretching back to its origins and the reader can judge for himself how perceptive Gulu has been on this vexing issue. On this we share common ground and many of our dire predictions on what we both consider a cancer in the game have proved uncannily correct. Besides controversies, there is much to celebrate as well in this anthology and I wish both the book and its author all the best while looking forward to another such collection 20 years down the line! —from the Foreword of Bishan Singh Bedi

Cricket India: Tales Untold Raju Mukherji,2020-11-05 With cricket at its soul, Cricket India: Tales Untold is a masterpiece of history—replete with accounts of rousing patriotism on one hand and petty self-centricity and malice on the other—the two opposing sentiments that make for the most intriguing study of human nature. It is a tale of a young nation's grit to master the master's game and the legendary people who gave their all to lift not only the game but the country from subordination to equality.

Cricket in Colonial India 1780 – 1947 Boria Majumdar,2013-10-18 This is an exacting social history of Indian cricket between 1780 and 1947. It considers cricket as a derivative sport, creatively adapted to suit modern Indian socio-cultural needs, fulfil political imperatives and satisfy economic aspirations. Majumdar argues that cricket was a means to cross class barriers and had a healthy following even outside the aristocracy and upper middle classes well over a century ago. Indeed, in some ways, the democratization of the sport anticipated the democratization of the Indian polity itself. Boria Majumdar reveals the appropriation, assimilation and subversion of cricketing ideals in colonial and post-colonial India for nationalist ends. He exposes a sport rooted in the contingencies of the colonial and post-colonial context of nineteenth- and twentieth-century India. Cricket, to put it simply, is much more than a 'game' for Indians. This study describes how the genealogy of their intense engagement with cricket stretches back over a century. It is concerned not only with the game but also with the end of cricket as a mere sport, with Indian cricket's commercial revolution in the 1930s, with ideals and idealism and their relative unimportance, with the decline of morality for reasons of realpolitik, and with the denunciation, once and for all, of the view that sport and politics do not mix. This book was previously published as a special issue of the International Journal of the History of Sport

The Character of Cricket Tim Heald,2015-07-06 During one long summer during the mid-1980's, Tim Heald toured England, absorbing the flavour of at least one cricket ground in every first-class county, and a good many more besides. He wanted to discover the true character of the English game, among those who ate, slept and dreamt cricket in all corners of the country. The results are charming, heart-warmingly funny, and often surprising. In conversation with the kind of people who give the game its backbone -a gateman at Leicester, the groundsman at Swansea, a programme-seller at Bristol, a quintessential cricket-mad parson at Chelmsford - the author evokes some colourful ghosts, from the ubiquitous W.G. Grace (once punched in the face in Northampton) to Prebendary Wickham of Martock, and hears some strange stories -the Derbyshire captain absconding with the cash (and ending up as a tailor for the King of Spain); the Nottinghamshire team fielding in lounge suits; the match in which the schoolboy Douglas Jardine was reduced to tears by Gubby Allen's gamesmanship. The Character of Cricket is both a celebration of the national game and an evocation of a particular way of life -happily one still pursued in the England of today. Cricket books should meet one or more of these necessary requirements, being either literate and amusing to read, or meticulously researched, or original in concept. Tim Heald's The Character of Cricket triumphantly meets all three. Benny Green, Sunday TimesFirst-rate stuff, in the great and ... timeless tradition of English cricket writing. Punch

Wounded Tiger Peter Osborne,2015-04-09 THE WISDEN BOOK OF THE YEAR and THE CROSS SPORTS BOOK AWARDS CRICKET BOOK OF THE YEAR. 'The most complete, best researched, roses-and-thorns history of

cricket in Pakistan' Independent 'As good as it's likely to get' Guardian The nation of Pakistan was born out of the trauma of Partition from India in 1947. Its cricket team evolved in the chaotic aftermath. Initially unrecognised, underfunded and weak, Pakistan's team grew to become a major force in world cricket. Since the early days of the Raj, cricket has been entwined with national identity and Pakistan's successes helped to define its status in the world. Defiant in defence, irresistible in attack, players such as A.H.Kardar, Fazal Mahmood, Wasim Akram and Imran Khan awed their contemporaries and inspired their successors. The story of Pakistan cricket is filled with triumph and tragedy. In recent years, it has been threatened by the same problems affecting Pakistan itself: fallout from the 'war on terror', sectarian violence, corruption, crises in health and education, and a shortage of effective leaders. For twenty years, Pakistan cricket has been stained by the scandalous behaviour of the players involved in match-fixing. After 2009, the fear of violence drove Pakistan's international cricket into exile. But Peter Osborne's narrative is also full of hope. For all its troubles, cricket gives all Pakistanis a chance to excel and express themselves, a sense of identity and a cause for pride in their country. Packed with first-hand recollections, and digging deep into political, social and cultural history, Wounded Tiger is a major study of sport and nationhood.

The Cambridge Companion to Cricket Anthony Bateman,Jeffrey Hill,2011-03-17 Perfect for fans and scholars alike, this Companion explores cricket's origins, global reach, iconic personalities and enduring popularity.

Cricket and National Identity in the Postcolonial Age Stephen Wagg,2005-10-09 Bringing together leading international writers on cricket and society, this important new book places cricket in the postcolonial life of the major Test-playing countries. Exploring the culture, politics, governance and economics of cricket in the twenty-first century, this book dispels the age-old idea of a gentle game played on England's village greens. This is an original political and historical study of the game's development in a range of countries and covers: * cricket in the new Commonwealth: Sri Lanka, Pakistan, the Caribbean and India * the cricket cultures of Australia, New Zealand and post-apartheid South Africa * cricket in England since the 1950s. This new book is ideal for students of sport, politics, history and postcolonialism as it provides stimulating and comprehensive discussions of the major issues including race, migration, gobalization, neoliberal economics, the media, religion and sectarianism.

Herding Cats Charlie Campbell,2017-03-09 In 1985 Mike Brearley published The Art of Captaincy, revealing how he steered Middlesex and England to victory with his team of first-class cricketers. He got the absolute best out of his players, inspiring Ian Botham to new heights against the Australians in 1981. Few cricketers have had a greater impact on the amateur game than these two. Every captain would love Brearley's degree in people, as well as a hardhitting all-rounder like Botham. But theirs was a barely recognisable game from the one we play on often dishevelled grounds up and down the country with ragtag teams of ageing, deluded or hungover friends and acquaintances. Now, Charlie Campbell offers us a New Testament to Brearley's Old Testament, as he guides us through the realities of captaining an amateur team. Herding Cats picks its way through the minefield of an amateur's season: from the excitement and hope of pre-season nets, to the desperate scramble to gather 11 players for a frosty game on a far-flung, desolate pitch; from decoding the casual phrase 'I bat a bit', to setting a field of players who can't catch or throw; from handling the most delicate egos, to dealing with a case of the yips; from frequent moments of despair, to sudden and joyful glimpses of unexpected glory. For all those of us who recognise ourselves, our teammates, our friends and partners in the shambling joy of amateur cricket more than in the top-class international game, Campbell lights a path through a weekend world of play at the beating heart of the world's second most popular sport.

It Takes All Sorts Peter Roebuck,2005-08-01 In It Takes All Sorts, Peter Roebuck meanders through his 25-year career in reporting cricket, to reveal the people and the personalities who have touched his life and contributed to his life-long passion for the game. Roebuck provides warts-and-all insights into the comings and goings, greats and not-so-greats, debuts and retirements, the controversies of recent professional cricket and great innings in between. Roebuck has seen it all and isn't afraid to comment: he's interviewed Sir (or is that Saint?) Garfield Sobers' mum, was on the scene (and on the front page) when Gilchrist walked, poked gentle fun at Inzamam's fielding, and touched many with his account of young Sri Lankan boys playing cricket on a beach in Galle. Peter Roebuck pulls no punches - whether friend or foe, all his subjects are linked by the great and noble game of cricket and he is not afraid to tell it how he sees it.

Hitting Against the Spin Nathan Leamon,Ben Jones,2021-06-10 'Fascinating and insightful . . . lifts the curtain to reveal the inner workings of international cricket. A must-read for any cricketer, coach or fan' Eoin Morgan 'This path-breaking book should be compulsory reading for commentators and captains - and all cricket fans' Mervyn King 'Clever and original but also wise' Ed Smith How valuable is winning the toss? And how should captains use it to their advantage? Why does a cricket ball swing? Why don't Indians bat left-handed? What is a good length and why? Why are leg-spinners so successful in T20 cricket? Why did England win the World Cup? Why do all Test bowlers bowl at either 55 or 85mph? Why don't they pitch it up? All cricketers long to know the answer to these questions and many more. Only fifteen years ago it would have been difficult to answer them - cricket was guided only by decades-old tradition and received wisdom. Data has changed everything. Today we can track every ball to within millimetres; its release point, speed and bounce point are measured as are how much the ball swings, how much it deviates off the pitch, the exact height and line that it passes the stumps, and multiple other variables. Hitting Against the Spin is the story of that data, and what it can tell us about how cricket really works. Leading cricket thinkers Nathan Leamon and Ben Jones lift the lid on international cricket and explain its hidden workings and dynamics - the forces that shape cricket and, in turn, the cricketers who play it. They analyse the unseen hands that determine which players succeed and which fail, which tactics work and which don't, which teams win and which lose. They also explore the new world of franchise cricket as well as the rapid evolution of the T20 format. Revolutionary in its insights, Hitting Against the Spin takes you on a fascinating whistle-stop tour of modern cricket and sports analytics, bringing cricket firmly into the twenty-first century by revealing its long-kept secrets. This is the most important cricket book in decades.

Brave New Pitch: The Evolution Of Modern Cricket Samir Chopra,2012-10-26 Cricket as we know it may soon be no more. Thanks to Twenty20, technology, media, and the sheer financial power of Indian cricket, the gentleman's game is on the brink of radical changes. Nation-based cups might give way to T20 professional leagues; umpires might be replaced by technology; and professional franchises, not national boards, might call the shots. Could cricket go the way of professional football? Will Test cricket survive in an entertainment-driven field? Will television rights deals determine the nature of the game? This upheaval has been accompanied by conflict between the old guard - England and Australia - and the new boss, India. If the spirit of cricket is to survive these changes, it requires the balancing of economic, political and sporting imperatives. The game must find a way to remain a financially solvent global sport that caters to the changing tastes of its fans and players by creatively using new media and limited-overs cricket. In Brave New Pitch, Samir Chopra takes a hard look at cricket's tumultuous present, and considers what could and should lie ahead.

Wisden on the Ashes Steven Lynch,2011-11-01 The Wisden on the Ashes: The authoritative story of cricket's greatest rivalry is a detailed chronological journey through the history of this famous English-Australian contest. With Test reports, scorecards, Great bowlers of the year and other fascinating material from the archives, together with new editorial pieces, this is a remarkable record of cricket's most enduring battle. The book begins its journey with England's first tour of Australia in 1876 and the subsequent three series prior to the 1882 tour that led to a mock obituary being placed in the Sporting Times In affectionate remembrance of English cricket, which died at The Oval on 29th August, 1882. ... The body will be cremated and the ashes taken to Australia. Celebrating the players who made their mark on the game and the controversies that shook the sport, the book covers every series since then through to the most recent series. In 2005 England won a highly competitive series that helped raise the popularity of the sport, and each series since then has attracted huge attention. Beautifully produced, this book will be a welcome addition to all cricket enthusiasts' collections, as well as an ideal gift purchase. This updated edition includes the 2009 series, which saw England regain the Ashes on home soil after the disappointment of the 2005-06 series, and the fantastic, recent 2010-11 series held in Australia. It also includes a colour photo section celebrating the players, the matches and the key moments from an ongoing rivalry.

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Cricket**," an enthralling opus penned by a highly acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.

Cricket Introduction

Cricket Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Cricket Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Cricket : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, it's a popular resource for finding various publications. Internet Archive for Cricket : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Cricket Offers a diverse range of free eBooks across various genres. Cricket Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Cricket Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Cricket, especially related to Cricket, might be challenging as they're often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Cricket, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Cricket books or magazines might include. Look for these in online stores or libraries. Remember that while Cricket, sharing copyrighted material without permission is not legal. Always ensure you're either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Cricket eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Cricket full book, it can give you a taste of the author's writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Cricket eBooks, including some popular titles.

FAQs About Cricket Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your

reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Cricket is one of the best book in our library for free trial. We provide copy of Cricket in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Cricket. Where to download Cricket online for free? Are you looking for Cricket PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Cricket. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Cricket are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Cricket. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Cricket To get started finding Cricket, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Cricket So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Cricket. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Cricket, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Cricket is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Cricket is universally compatible with any devices to read.
