*Who Was Julius Caesar?* Nico Medina, Who HQ, 2014-10-30 He came. He saw. He conquered. Julius Caesar was a force to be reckoned with as a savvy politician, an impressive orator, and a brave soldier. Born in Rome in 100 BC, he quickly climbed the ladder of Roman politics, making allies--and enemies--along the way. His victories in battle awarded him the support of the people, but flush from power, he named himself dictator for life. The good times, however, would not last much longer. On the Ides of March, Caesar was brutally assassinated by a group of senators determined to end his tyranny, bringing his reign to an end.

Discover Your Purpose Rhys Thomas, 2015-08-25 In this life-changing book, energy medicine expert Rhys Thomas shows you how to discover your life purpose and align your decisions with your deepest self, so your life is fulfilling, productive, and full of joy. Trying to meet everyone else's expectations about the type of role you should play—whether in your job, your family, or society—can leave you constantly striving but ultimately dissatisfied. In this inspiring book, Thomas guides you in using the Rhys Method® Life Purpose Profile System to identify your purpose and reconnect with your passions, so you can find true happiness and fulfillment. This system of self-discovery encompasses five distinct soul-based profiles. Which one are you? - Creative Idealists are highly imaginative thinkers who sometimes self-isolate, feeling safer staying in their inner mental world than engaging with others. - Emotional Intelligence Specialists are empathic, sensitive, and compassionate but sometimes struggle with being overwhelmed and feeling unloved. - Team Players are loyal supporters who selflessly put others' needs before their own, but they can fail to recognize their own strengths and needs. - Charismatic Leader-Charmers are energetic, dynamic, and capable, but they can become distrustful, self-centered, and even aggressive, in their relationships. - Knowledgeable Achievers are driven, self-disciplined, and organized big-picture thinkers. They sometimes lose touch with their emotions and push themselves too hard, becoming overly critical and judgmental. Once you identify your primary life-purpose profile, as well the other profiles you may inhabit, you can move toward your unique calling—embracing your strengths and rejecting unhealthy behaviors. Discover Your Purpose also helps you to better understand and relate to others through their profiles. Included in this book are resources and bio-energetic exercises designed for your individual profile to help you reach your fullest potential in mind, body, and soul.
