

Dozen

Katherine Ramsland

A Dozen a Day Mini Book Edna Mae Burnam,2005-07 (Willis). The Dozen a Day books are universally recognized as one of the most remarkable technique series on the market for all ages! Each book in this series contains short warm-up exercises to be played at the beginning of each practice session, providing excellent day-to-day training for the student.

A Dozen a Day Book 1 Edna Mae Burnam,2005-10-01 (Willis). The Dozen a Day books are universally recognized as one of the most remarkable technique series on the market for all ages! Each book in this series contains short warm-up exercises to be played at the beginning of each practice session, providing excellent day-to-day training for the student.

Cheaper by the Dozen Frank B. Gilbreth,Ernestine Gilbreth Carey,2013-11-05 The #1 New York Times–bestselling classic: A hilarious memoir of two parents, twelve kids, and “a life of cheerfully controlled chaos” (The New York Times). Translated into more than fifty languages, Cheaper by the Dozen is the unforgettable story of the Gilbreth clan as told by two of its members. In this endearing, amusing memoir, siblings Frank Jr. and Ernestine capture the hilarity and heart of growing up in an oversized family. Mother and Dad are world-renowned efficiency experts, helping factories fine-tune their assembly lines for maximum output at minimum cost. At home, the Gilbreths themselves have cranked out twelve kids, and Dad is out to prove that efficiency principles can apply to family as well as the workplace. The heartwarming and comic stories of the jumbo-size Gilbreth clan have delighted generations of readers, and will keep you and yours laughing for years. This ebook features an illustrated biography including rare photos from the authors’ estates.

A Dozen a Day Book 3 Edna Mae Burnam,2005-07-01 (Willis). The Dozen a Day books are universally recognized as one of the most remarkable technique series on the market for all ages! Each book in this series contains short warm-up exercises to be played at the beginning of each practice session, providing excellent day-to-day training for the student.

What's a Pair? What's a Dozen? Stephen R. Swinburne,2000-02-01 The world is filled with numbers. From learning to count their fingers to learning to put on their shoes, children encounter mathematical concepts early in life. Steve Swinburne introduces children to number-related words in this bouncy, colorful photo-essay. From one to a dozen, lively photographs illustrated math words such as single, double, couple, and prefixes such as uni-, bi-, and tri-. The second half of the book is presented as a guessing game. Following Lots and Lots of Zebra Stripes and Guess Whose Shadow?, Steve Swinburne offers children another entertaining look at an all-important concept.

The Nerdy Dozen Jeff Miller,2014-06-10 When Neil Andertol and a motley crew of video-gaming whizzes accidentally download top-secret training software and are recruited by the military to restore a botched aircraft mission, they're no longer playing for points—they're playing to save the world! Part action movie, part slapstick comedy, debut author Jeff Miller's *The Nerdy Dozen* is a madcap adventure for the middle grade set.

The Dozen Dozens Tom Green,2017-10-31 Once upon a time there was a man named Mr. Dozen. Mr. Dozen’s first name was Odd. Odd is an odd name, but Odd was his name. Odd Dozen had a wife. Mrs. Dozen’s first name was Even. Even is a different kind of name, but Even was her name....

New York Dozen Michael J. Crosbie, The Images Publishing Group, 2011 Features New York's most celebrated architects

A Doctor's Dozen Catherine Florio Pipas, MD, MPH, 2018-09-04 Burnout affects a third of our population and over half of our health professionals. For the second group, the impact is magnified, as consequences play out not only on a personal level, but also on a societal level and lead to medical errors, suboptimal care, low levels of patient satisfaction, and poor clinical outcomes. Achieving wellbeing requires strategies for change. In this book, Dr. Pipas shares twelve lessons and strategies for improved health that she has learned from patients, students, and colleagues over her twenty years working as a family physician. Each lesson is based on observation and research, and begins with a story of an exemplary patient whose challenges and successes reflect the theme of the lesson. Along with the lessons, the author offers plans for action, which taken together create the framework for a healthy life. Each lesson concludes with resources and a health challenge.

Denise's Daily Dozen Denise Austin, 2010-01-05 From Denise Austin comes the perfect health book for anyone who wants to live better but just can't seem to find the time. Much more than just another exercise book, Denise's Daily Dozen covers a whole range of health and diet related concepts yet manages it all in a no-stress, time-conscious program of 12's. At its core, this book contains the minimum daily requirements to keep the reader flexible, strong and trim. Organized simply into seven chapters, which equal the seven days of the week, it covers a full week in daily allotments. Each day will have its own focus from Monday being fat burning day to Sunday's recharge and rejuvenate. Denise has created a total body program, including a 7-day balanced meal plan that includes healthy recipes, and a workout that encompasses 12 exercises done in 12 minutes each day. Everyone can take just 12 minutes, at whatever time of the day works for them, and turn it over to these simple and fun exercises. Cardio, toning, yoga and breathing exercises...they're all here but in a way that maximizes effect while minimizing time. Beyond a dozen exercises for each day of the week this book will include many other of Denise's dozens for each day.

Deadly Dozen Robert K. DeArment, 2012-03-30 For every Wild Bill Hickok or Billy the Kid, there was another western gunfighter just as deadly but not as well known. Robert K. DeArment has earned a reputation as the premier researcher of unknown gunfighters, and here he offers twelve more portraits of men who weren't glorified in legend but were just as notorious in their day. Those who think they already know all about Old West gunfighters will be amazed at this new collection. Here are men like Porter Stockton, the Texas terror who bragged that he had killed eighteen men, and Jim Levy, who killed a man for disparaging his Irish blood, though he was also the only known Jewish gunfighter. These stories span eight decades, from the gold rushes of the 1850s to the 1920s. Telling of gunmen such as Jim Masterson, the brother of Bat Masterson, or the real Whispering Smith—the man behind the fictionalized persona—whose career spanned four decades, DeArment conscientiously separates fact from fiction to reconstruct lives all the more amazing for having remained unknown for so long. The product of iron-clad research, this newest Deadly Dozen delivers the goods for gunfighter buffs in search of something different. Together the Deadly Dozen volumes constitute a Who's Who of western outlaws and prove that there's more to the Wild West than Jesse James.

Dozens of Doughnuts Carrie Finison, 2020-07-21 A generous but increasingly put-upon bear makes batch after batch of doughnuts for her woodland friends without saving any for herself in this delightful debut picture book about counting, sharing, and being a good friend. LouAnn (a bear) is making a doughnut feast in preparation for her long winter's nap. But just before she takes the first bite, DING DONG! Her friend Woodrow (a woodchuck) drops by. LouAnn is happy to share her doughnuts, but as soon as she and Woodrow sit down to eat, DING DING! Clyde (a raccoon) is at the door. One by one, LouAnn's friends come over--Topsy (an opossum) and then Moufette (a skunk) and then Chip and Chomp (chipmunks)--until it's one big party. LouAnn welcomes her surprise guests and makes batch after batch of doughnuts, always dividing them equally among her friends. But she makes one BIG miscalculation. Soon LouAnn's kitchen is bare, winter is near, and she's had nothing to eat at all!

The Dozen Dozens Tom Green, 2017-10-31 Once upon a time there was a man named Mr. Dozen. Mr. Dozen's first name was Odd. Odd is an odd name, but Odd was his name. Odd Dozen had a wife. Mrs. Dozen's first name was Even. Even is a different kind of name, but Even was her name....

Killer's Dozen Richard A. Lupoff, 2010-03-01 From the Introduction by Ed Gorman: If there's one thing Dick Lupoff understands (with perverse glee) it's the sorry state of the human condition. In this collection you'll find a wide variety of humans whose conditions leave much to be desired. A pit bull owner who's just as nasty as his dog A thief who believes his father-in-law was a real Nazi A dead-end boxer who has come back in a boxing movie A detective named Caligula Foxx who might be Nero Wolfe in drag A crooked corporal whose payoff is death Not only are the storylines original, the writing is indelibly stamped with Dick's vision and voice. Dick's writing talents really can't be defined by the usual means. Yes, he writes science fiction. Yes, he writes fantasy. Yes, he writes mystery. But what he really writes are Lupoffs. Long, short, hilarious, whimsical, dark, mysterious--they're all Lupoffs. Richard A. Lupoff is the author of many books including the popular Lindsey-and-Plum mysteries. The next of these, *The Emerald Cat Killer*, will be published by St. Martin's Press in October, 2010. His most recent collection of mysteries is *Quintet: The Cases of Chase and Delacroix*, published by Crippen & Landru.

Bakeur's Dozen Alan Cameron Roberts, 2016-06-21 Lord Reynolds, heir apparent to the sixteen-century Reynolds Castle in Southern England, is about to lose his fortune and status to a tax collector. A tax collector can do more with a pen than your ancestors ever did with a sword, says Lady Margaret Reynolds. Desperate for the money to preserve his family's 500-year heritage, Reynolds opts for illegal measures as he hires petty thieves to steal a painting by the famed artist Titian. The plan itself is a work of art. Reynolds has already hired art forger, Anton Bakeur, to make twelve copies of the Titian piece, to be sold throughout the world, making back the money Reynolds needs to keep his family castle. However, things go wrong when the petty thieves steal not the Titian but a Michelangelo, recently donated to the museum by a Mafia don. Don Carlo Manicotti is in exile in Sicily and hopes his donation will sway public opinion and allow him to return to the United States. The disappearance of his donation, however, doesn't help his cause. Now, in the name of family honor and personal pride Lord Reynolds must outwit not only the art world but also the police and murderous mafia.

The Dirty Dozen Robert A. Levy, William Mellor, 2009-08-01 Alexander Hamilton wrote that "the judiciary, from the nature of its functions, will always be the least dangerous to the political rights of the Constitution." If only that were true. The Founding Fathers wanted the judicial branch to serve as a check on the power of the legislative and executive, and gave the Supreme Court the responsibility of interpreting the Constitution in a way that would safeguard individual freedoms. In some cases, like *Brown V. Board of Education* and *United States V. Lopez*, the Court fulfilled its role, protecting us from racial discrimination and the heavy hand of the federal government. But sadly, the Supreme Court has also handed down many destructive decisions on cases you probably never learned about in school. In *The Dirty Dozen*, two distinguished legal scholars shed light on the twelve worst cases, which allowed government to interfere in your private contractual agreements; curtail your rights to criticize or support political candidates; arrest and imprison you indefinitely, without filing charges; and seize your private property, without compensation, when someone uses the property for criminal activity—even if you don't know about it! This is not a book just for lawyers. It's for all Americans who want to understand how the Supreme Court can affect our right to life, liberty, and the pursuit of happiness. This paperback edition includes a new preface, "Guns, Bailouts, and Empathetic Judges," which highlights new and critical issues that have arisen since the book's initial edition was published in 2008.

The Devil's Dozen Katherine M. Ramsland, 2013-09-03 Ramsland traces the fascinating evolution of forensic investigation through case histories of 12 of the most notorious serial killers of the last 100 years. Includes photos. Available in a tall Premium Edition.

The Joker's Dozen Laurie S. Sutton, 2015 The Joker transform citizens into laughing (and robbing) fools! Is the Dark Knight outnumbered.

The Devil's Dozen Katherine Ramsland, 2009-04-07 What led authorities to the murder castle of H. H. Holmes? What cast a cloud of suspicion over cannibal Albert Fish? What drove Russia's Killer X to confess? How many victims were actually buried on that Vancouver pig farm? In *The Devil's Dozen*, Katherine Ramsland explores the true stories of twelve of the most notorious serial killers of the last century and the cutting-edge forensics that delivered their downfalls. Through their compelling case histories, she traces the fascinating evolution of forensic investigation. What clues did these killers unwittingly leave behind? How were the unpredictable twists and turns of their criminal behavior thwarted by the weapons of science and logic? From the developing stages of the nineteenth century's earliest investigative tools and ingenious police procedures to the first DNA dragnet to the remarkable twentieth century CSI advances, *The Devil's Dozen* provides a fascinating window into the world of those who kill—and those who dedicate their lives to bringing them to justice.

A Baker's Dozen That Patchwork Place, 2010-03-02 As the publisher of America's Best-Loved Quilt Books®, we just had to get in on the fun of quilting with precut fabrics!
