*Holman Bible Atlas* Thomas V. Brisco,1999-01-01 The Holman Bible Atlas offers a visual feast through which the reader can explore the world of the Bible. Utilizing 140 full color maps key to biblical events and 140 full color photographs illustrating the land, sites, and archaeology of the biblical world, the Atlas draws the reader into the biblical story. The Holman Bible Atlas begins with an introduction to the geography of the biblical world emphasizing the major physical features of the Ancient Near East with special attention given to the geographical regions of Palestine. Information about daily life and the role of archaeology in recovering ancient cultures are discussed.

**The Sword and the Shield** Peniel E. Joseph,2020-03-31 This dual biography of Malcolm X and Martin Luther King upends longstanding preconceptions to transform our understanding of the twentieth century's most iconic African American leaders. To most Americans, Malcolm X and Martin Luther King Jr. represent contrasting ideals: self-defense vs. nonviolence, black power vs. civil rights, the sword vs. the shield. The struggle for black freedom is wrought with the same contrasts. While nonviolent direct action is remembered as an unassailable part of American democracy, the movement's militancy is either vilified or erased outright. In *The Sword and the Shield*, Peniel E. Joseph upends these misconceptions and reveals a nuanced portrait of two men who, despite markedly different backgrounds, inspired and pushed each other throughout their adult lives. This is a strikingly revisionist biography, not only of Malcolm and Martin, but also of the movement and era they came to define.

*The Crises of the Christ* George Campbell Morgan,1903

**Bible Teacher's Commentary** Larry Richards, Lawrence O. Richards,2002 In this outstanding Christian Education resource, the entire Bible Genesis 1 to Revelation 22 is divided into teachable units. There are many link-to-life ideas to help teach each unity to any age group.

**Why Did Hitler Hate the Jews?** Peter den Hertog,2020-09-30 This investigation into the Nazi leader's mindset is "an inherently fascinating study . . . a work of meticulously presented and seminal scholarship" (Midwest Book Review). Adolf Hitler's virulent anti-Semitism is often attributed to external cultural and environmental factors. But as historian Peter den Hertog notes in this book, most of Hitler's contemporaries experienced the same culture and environment and didn't turn into rabid Jew-haters, let alone perpetrators of genocide. In this study, the author investigates what we do know about the roots of the German leader's anti-Semitism. He also takes the significant step of mapping out what we do not know in detail, opening pathways to further research. Focusing not only on history but on psychology, forensic psychiatry, and related fields, he reveals how Hitler was a man with highly paranoid traits, and clarifies the causes behind this paranoia while explaining its connection to his anti-Semitism. The author also explores, and answers, whether the Führer gave one specific instruction ordering the elimination of Europe's Jews, and, if so, when this took place. Peter den Hertog is able to provide an all-encompassing explanation for Hitler's anti-Semitism by combining insights from many different disciplines—and makes clearer how Hitler's own particular brand of anti-Semitism could lead the way to the Holocaust.

Digital Evangelism Michael White,2004 Explore a variety of powerful ways both individual Christians and Christian congregations or organizations can share the Hope of Christ on a global scale using computers and the Internet. **The Life Of Christ** Rev. Robert E. Riddle Jr.,

**Biblical Psychology** Oswald Chambers, 2018-12-18 Oswald Chambers reveals the psychological processes in the Bible, framing his commentary through the Biblical concept of the soul, man, and the divine. A thorough examination of the Bible's way of thinking, this book highlights the wisdom of the holy Bible and its value in revealing the workings of the human mind. With relevant quotation of the scriptures, Oswald Chambers demonstrates how the Bible's teachings and recounting of events such as the life of Christ demonstrate and reflect upon human psychology. The author eloquently establishes the connection between the spiritual essence of the human soul, with our physical form, and finally the mind. The relationship of these three constituents of the human being, and its expression upon the pages of scripture, form the central pillar of this instructional text. As a teacher and evangelist, the writer's capacity to educate and explain is in the fullest evidence upon these pages. Since its original publication in 1912, Oswald Chambers' work has been praised for its lucidity and clarity. Clear explanations of how humans relate to God as His creation, and how the human conscience and emotions originate from the spiritual heart of man, make this work a spiritual classic that Christians may learn and benefit from for all time.

**Genesis 1-2-3** Dwight O. Troyer, 2007-12 Troyer uses his study of Genesis to prove to the Jewish people and the rest of the world that Jesus is the Anointed One. No other person fulfills the interwoven complexities of the living Word of God. (Christian)

**Psalm 91** Areon Potter, 2018-05-17 In a world that is hostile and threatening to true believers, where do we turn when we need protection and refuge? In Psalm 91, the Lord reminds us that it is within the shelter of the Most High where we can find this refuge, but first we must learn how to truly dwell in this secret, holy place. In Psalm 91 *The Dweller*, author Areon Potter helps believers understand the provision of God's shelter in our daily lives and in the midst of our darkest hours. He offers wise and applicable insight that goes far beyond our present state of spiritual understanding, revealing a deeper and intimate knowledge of a loving, merciful, and just God. A verse-by-verse commentary on Psalm 91 explains what it means to dwell in God's shelter, and it will show us the connections between the condition of our hearts, our personal choices, and the spiritual warfare that surrounds us. For believers who need encouragement in the midst of darkness, who feel afraid, or who simply need realistic insight concerning how to live a life of freedom, peace, and the fullness of power in the Holy Spirit, Psalm 91 *The Dweller* can show them how to walk under God's protection in our present-day world.

**From DEATH to LIFE** John J. Cobb, 2012-07-18 For the past thirty years, John J. Cobb

has devoted himself to teaching the foundational truths of the Christian faith. His first work, *Lord, When? A Biblical Perspective on the Second Coming* embodies the author's passion for the accuracy and purity of God's word. His latest work, *From Death to Life* is just another example of his passion for the doctrines of God as it explores some of the core doctrines of the Christian faith such as: • The Doctrine of God • Man's Total Depravity • Sin • Justification • Election • Predestination These and others covered in *From Death to Life* are crucial to the Christian's understanding of who they are and the tremendous love God has for us. The author is convinced that the main reason so many Christians are so easily misled by false teachers today is a lack of understanding of these doctrines. The author's desire is that all who read this book will be strengthened in their faith and rediscover their love for God and His word.

*The 365 Day Devotional Commentary* Lawrence O. Richards, Larry Richards, 1990-01-01 Each day you'll find a core passage for those who do not have time to read the entire day's passage, a personal application and a quote from a well-known Christian.

Over time, Jenifer learned to do just that. Her unique Bible study method is shared in this one-of-a-kind study. *Dive Deeper* takes readers by the hand and jumps with them into the exhilarating waters of Bible study. Features include: Personal, easy-to-understand language Helpful tips for Bible study beginners Useful tools to encourage familiarity of the Bible, its contents, and study helps Scripture from the book of Ephesians

**Searching for the True Bottom Line** Carl McConchie, 2021-02-09 People write books. They write books lifting up issues that they believe are vitally important for living a successful Christian life. The problem is: writers of the New Testament Epistles like Paul, Peter, James and John never mention these matters. How can something be so important to some modern-day writers and not even be mentioned in the Epistles? This is a book about exhortations, commandments and admonitions. It is a matter of what is actually exhorted in the Epistles and what is not. It is the writer's hope that people will find freedom and peace with regard to the several matters exhaustively considered in these pages, matters such as exorcism of demons, fasting, and Sabbath keeping. Bottom line truth is to be found in the New Testament Epistles with regard to instruction for living the normal Christian life.
