The Fastest Man Alive Usain Bolt, 2016-10-04 Autobiography of Usain Bolt Covers his journey from playing cricket and soccer as a kid to becoming the fastest man alive Well-illustrated Years before he set world records for the 100-meter and 200-meter sprints, which made him the fastest man alive and famous, Usain Bolt was a fairly scrawny kid from Trelawny in Jamaica. In this autobiography, Bolt

himself shares how, as he grew up and played cricket and soccer, he— and others—learned he could run fast. Very, very fast. Usain Bolt's journey from a kid with humble beginnings to an Olympic gold medal winner is an inspiring and encouraging story. This beautifully illustrated autobiography shares that story from Bolt's perspective. It is a celebration of someone who was inspired by other athletes around the world, someone who worked for years to become the best at his sport. Bolt shares stories of the sacrifices he made, the influence of Cristiano Ronaldo, the power of soccer and dancehall music, and his signature lightning bolt move.

The Fastest Kid On the Block Marty Glickman, 1999-09-01 Marty Glickman, the incomparable sportscaster and Olympian athlete, writes of his five decades in sports. And what a career it was! At the heart of his autobiography is the notorious incident at the 1936 Nazi Olympics in Berlin. Glickman and Sam Stoller, the only Jews on the American track and field team, were dropped from the 400-meter relay team. More than any other event that would shape his life, this would be a defining moment for Glickman, one that would propel him into one of the richest and longest career in sports

broadcasting history. In *The Fastest Kid on the Block*, Glickman recounts his beginnings as an athlete in Brooklyn and his early years at Syracuse University. After his devastating experience at the Olympics, he began his broadcasting career. As one of the best-known voices of New York City sports, he announced many of the most exciting games in sports history, including baseball, hockey, football, wrestling, and basketball. Glickman was actively involved with, and now brings to life, the most influential teams and personalities in the sports world, including the New York Knicks, the New York Giants, Red Auerbach, Joe Namath, Wilt Chamberlain, Bill Bradley, Bud Collins, and Mike Emrick, to name just a few. This spirited autobiography concludes with Glickman's trenchant observations about his fellow sports broadcasters, the present-day Olympics, and his own tips on how to break into the competitive, wonderful world of sports broadcasting.
