Feathers from My Nest Beth Moore,2005-04-01 Beth Moore is widely known and respected as an engaging and effective speaker, Bible teacher, and best-selling author. *Feathers from My Nest* reveals a more contemplative and personal side of Beth, very much in the spirit of her *Things Pondered*. *Feathers from My Nest* is a collection of vignettes, as Beth reflects on items belonging to her daughters who have left the nest for college. As she ponders each item, rich in memories, Beth draws from its spiritual significance. This book not only tugs gently on the sentimental heartstrings of parents, it also reminds us all of the gift of grace children offer our lives every day.

Liechtenstein, the Princely Collections Metropolitan Museum of Art (New York, N.Y.),Sammlungen des Regierenden Fürsten von Liechtenstein,1985 Liechtenstein is one of the smallest European states, a principality situated between Austria and Switzerland in the Upper Rhine Valley. The nation is less than three hundred years old, but the ruling family, whose name it bears, traces its lineage back to the twelfth century. For successive generations, members of the Princely House of Liechtenstein have been devoted art collectors. With a high degree of appreciation of artistic achievement, they have pursued a centuries-long family tradition of acquiring not only great paintings and sculpture but also rare firearms, fine porcelain, and other works of art. The result of this tradition is a collection of masterpieces that in its depth and breadth reflects more than four hundred years of European history and ranks among the world's greatest private collections. This publication accompanies an exhibition at The Metropolitan Museum of Art that marked the first time the masterpieces from this private collection were put on public display. The rich and varied array of paintings, sculpture, and other works included in this exhibition not only represents the paradigm of a great European princely collection, but also has the added distinction of being the collection of the only surviving monarchy of the Holy Roman Empire. -- Metropolitan Museum of Art website.

Violet Jane Feather,1995-06-09 From the extraordinary pen of Jane Feather, nationally bestselling author of *Valentine*, comes a bewitching tale of a beautiful bandit who's waging

a dangerous game of vengeance—and betting everything on love . . . She was a bandit known as La Violette, and she had fallen into the hands of the French. Now it was Julian St. Simon's assignment to rescue her—then force her to reveal the strategic military secrets only she knew. But Tamsyn was no timid flower. Beneath her deceptively fragile beauty was a spirited young woman who would give Julian what he wanted—for a price. Soon the handsome officer is trapped into taking Tamsyn back with him to England and turning her into a proper lady. It's a mission more dangerous than he knows . . . as Tamsyn, exchanging rifle and bandolier for the sensuous glide of silk, plots a vengeance that could threaten both of their lives and his well-guided heart. “An author to treasure.”—Romantic Times

Not Flesh Nor Feathers Cherie Priest, 2007-10-02 Down by the river, the first to go missing were not much lamented. Disappearances of homeless men foraging through trash or nuisance skater kids who rolled their boards along the planked piers at night were not noteworthy enough to delay the city's development projects. But deep beneath the riverbank, the evidence of a terrible crime has been covered up twice. When a TVA dam falters and the river swells, panic rises downtown. As the Tennessee creeps over its banks, it dredges up death from its own polluted bed. Twenty-nine victims of a long-ago slaughter walk when the water rises, patrolling the banks and dragging the living down to a muddy grave. No one remembers how they died and no one knows what they want. Some secrets are never washed away. Instead they are patient, biding their time. They wait for the water to lift them so they can prowl for the justice that was denied them ninety years ago. But in ninety years a city's shape changes, and where justice can no longer be found, vengeance may have to suffice. The city of Chattanooga is about to learn a terrible truth about the things a river can and cannot hide.... And reluctant medium Eden Moore may be the only one who can dissuade the twenty- nine bodies from adding hundreds of its citizens to their ghastly ranks. *Not Flesh Nor Feathers* is a stand-alone sequel to *Four and Twenty Blackbirds* and *Wings to the Kingdom*. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
