- 🔖 **Happy for You** Claire Stanford,2022-04-19 A New York Times Book Review Editors’ Choice named a Most Anticipated Book of 2022 by Glamour, Electric Lit, and The Millions “Engrossing and clever . . . Stanford captures the allure, absurdity and menace of corporate spaces with wit and levity . . . Anyone who has resisted fitting neatly into an algorithm will find a companion in Evelyn, and in this book.” —The New York Times Book Review “The optimal novel for the strange times we find ourselves in.” —Rachel Khong, author of Goodbye, Vitamin A whip-smart, funny, affecting novel about a young woman who takes a job at a tech company looking to break into the “happiness market”—even as her own happiness feels more unknowable than ever Four years into writing her still-unfinished philosophy dissertation, and anticipating a marriage proposal from her long-term boyfriend, Evelyn Kominsky Kumamoto is wrestling with big questions about life: How can she do meaningful work in the world? Is she ready for marriage—and motherhood? But no one else around her seems to share her ambivalence. Her relentlessly optimistic, Midwestern boyfriend has no hesitation about making a lifelong commitment; her best friend, Sharky, seems to have wholeheartedly embraced his second-choice career as a trend forecaster; and her usually reserved father has thrown himself headlong into a new relationship—his first since her mother’s passing when Evelyn was fourteen. Swallowing her doubts, Evelyn makes a leap, leaving academia for a job as a researcher at the third-most popular internet company, where her team is tasked with developing an app that will help users quantify and augment their happiness. Confronting Silicon Valley’s norm-reinforcing algorithms and predominantly white culture, she struggles to find belonging: as a biracial person, as an Asian American, and as someone who doesn’t know how to perform social media’s vision of what womanhood should look like. As her misgivings mount, an unexpected development upends her assumptions about her future, and Evelyn embarks on a journey toward an authentic happiness all her own. Wry, touching, and sharply attuned to the ambivalence, atomization, and illusion of control that characterize modern life, Happy for You is a story of a young woman at a crossroads that movingly explores how, even in this mediated world, our emotions, contradictions, and vulnerabilities have a transformative power we could never predict.

The priority areas selected represent the entire spectrum of health care from preventive care to end of life care. They also touch on all age groups, health care settings and health care providers. Collective action in these areas could help transform the entire health care system. - 🔖 **A Species Guide for the Berryessa Snow Mountain Region** Compiled by Mary K. Hanson for Tuleyome,2017-07-25 Tuleyome, a nonprofit conservation organization based in Woodland, California spearheaded the campaign to permanently protect the Berryessa Snow Mountain region which includes parts of Yolo, Lake, Napa, Mendocino and Solano counties. Our efforts came to fruition when, on July 10, 2015, President Barack Obama signed the proclamation that designated the region as the Berryessa Snow Mountain National Monument. The monument is comprised of over 330,000 acres of federal public lands and includes the Cache Creek Wilderness, the Cedar Roughs Wilderness, and the Snow Mountain Wilderness. This species guide contains photographs and information on over 200 distinct species of plants and animals, but they still only comprise a tiny fraction of the flora and fauna found throughout the Berryessa Snow Mountain region. While the guide is not comprehensive, it provides an introduction to the diversity of life found in this rich area, including many common as well as threatened and endangered species.
- 🔖 **Books for Living** Will Schwalbe,2017-09-05 From the author of the beloved New York Times best-selling The End of Your Life Book Club, an inspiring and magical exploration of the power of books to shape our lives in an era of constant connectivity. [A] gift, and one that keeps giving.” —USA Today For Will Schwalbe, reading is a way to entertain himself but also to make sense of the world, and to find the answers to life’s questions big and small. In each chapter, he discusses a particular book and how it relates to concerns we all share. These books span centuries and genres—from Stuart Little to The Girl on the Train, from David Copperfield to Wonder, from Giovanni’s Room to Rebecca, and from 1984 to Gifts from the Sea. Throughout, Schwalbe tells stories from his life and focuses on the way certain books can help us honor those we’ve loved and lost, and also figure out how to live each day more fully.
- 🔖 **What You Wish For** Katherine Center,2020-07-14 The story’s message, that people should choose joy even (and especially) in difficult and painful times, seems tailor-made for this moment. A timely, uplifting read about finding joy in the midst of tragedy, filled with quirky characters and comforting warmth.—Kirkus (starred review) From the New York Times bestselling author of How to Walk Away comes a stunning new novel full of heart and hope. Samantha Casey is a school librarian who loves her job, the kids, and her school family with passion and joy for living. But she wasn’t always that way. Duncan Carpenter is the new school principal who lives by rules and regulations, guided by the knowledge that bad things can happen. But he wasn’t always that way. And Sam knows it. Because she knew him before—at another school, in a different life. Back then, she loved him—but she was invisible. To him. To everyone. Even to herself. She escaped to a new school, a new job, a new chance at living. But when Duncan, of all people, gets hired as the new principal there, it feels like the best thing that could possibly happen to the school—and the worst thing that could possibly happen to Sam. Until the opposite turns out to be true. The lovable Duncan she’d known is now a suit-and-tie wearing, rule-enforcing tough guy so hell-bent on protecting the school that he’s willing to destroy it. As the school community spirals into chaos, and danger from all corners looms large, Sam and Duncan must find their way to who they really are, what it means to be brave, and how to take a chance on love—which is the riskiest move of all. With Katherine Center’s sparkling dialogue, unforgettable characters, heart, hope, and humanity, What You Wish For is the author at her most compelling best.
