Know What You're FOR Jeff Henderson,2019-10-01 Your organization - business, church, or nonprofit - will experience unprecedented growth when you close the gap between these two game-changing questions: What are we known for? What do we want to be known for? In *Know What You're FOR*, entrepreneur and thought leader Jeff Henderson makes it clear that if we want to change the world with our products or our mission, then we must shift the focus of our messaging and marketing. Rather than self-promoting, we must transform our organizations to be people-centric. This sounds like a no-brainer, but looking closer shows just how little this is true and how impactful the change would be if it were. Whether you're a business leader, a change advocate, or a movement maker, *Know What You're FOR* will help you - and your organization - thrive. It's what happens when you create an organization focused on who it is FOR. This is the future. Thriving organizations will be more concerned with becoming raving fans of their customers than they are trying to convince customers to become raving fans of the organization. This isn't theory. Jeff Henderson has experienced it. Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a pastor for 15 years at one of the country's largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. With fascinating stories from a host of entrepreneurs and Jeff's remarkable career, *Know What You're FOR* equips you with a simple strategy and the tools for extraordinary growth. You'll discover how to: Work FOR your current and future customers with a new, effective method Be FOR your team and help your people reach full potential Create a ripple impact by being FOR your community Live and work your best by caring FOR yourself In a hypercritical, cynical world, one that is often known for what it's against, let's be a group of people known for who and what we're FOR. It's a powerful strategy for business. But more importantly, it is a revolutionary way to live.

What Do We Need Men For? E. Jean Carroll,2019-07-02 As seen on the cover of New York Magazine, America's longest running advice columnist goes on the road to speak to women about hideous men and whether we need them. Carroll's lively prose careens in constant pursuit of pleasure...indefatigably funny and full of life. —Lindsay Zoladz, The Ringer “Darkly humorous and deadly serious.” —Sibbie O'Sullivan, Washington Post “A compulsively interesting feminist memoir.” —Virginia Heffernan, Slate Somehow hilarious, in the way that only E. Jean could have written it —Leigh Haber, Oprah Magazine “Roving, curious, compassionate, whimsical.” —Megan Garber, The Atlantic When E. Jean Carroll—possibly the liveliest woman in the world and author of the “Ask E. Jean” advice column in Elle Magazine, realized that her eight million readers and question-writers all seemed to have one thing in common—problems caused by men—she hit the road. Crisscrossing the country with her blue-haired poodle, Lewis Carroll, E. Jean stopped in every town named after a woman between Eden, Vermont and Tallulah, Louisiana to ask women the crucial question: What Do We Need Men For? E. Jean gave her rollicking road trip a sly, stylish turn when she deepened the story, creating a list called “The Most Hideous Men of My Life,” and began to reflect on her own sometimes very dark history with the opposite sex. What advice would she have given to her past selves—as Miss Cheerleader USA and Miss Indiana University? Or as the fearless journalist, television host, and eventual advice columnist she became? E. Jean intertwines the stories of the fascinating people she meets on her road trip with her “horrible history with the male sex” (including mafia bosses, media titans, boyfriends, husbands, a serial killer, and a president), creating a decidedly dark yet hopeful, hilarious, and thrilling narrative. Her answer to the question What Do We Need Men For? will shock men and delight women.

A is for Activist Innosanto Nagara,2013-11-05 One of NPR's Top 100 Book for Young Readers “Reading it is almost like reading Howard Zinn's *A People's History of the United States*, but for two-year olds—full of pictures and rhymes and a little cat to find on every page that will delight the curious toddler and parents alike.”—Occupy Wall Street *A is for Activist* is an ABC board book written and illustrated for the next generation of progressives: families who want their kids to grow up in a space that is unapologetic about activism, environmental justice, civil rights, LGBTQ rights, and everything else that activists believe in and fight for. The alliteration, rhyming, and vibrant illustrations make the book exciting for children, while the issues it brings up resonate with their parents' values of community, equality, and justice. This engaging little book

carries huge messages as it inspires hope for the future, and calls children to action while teaching them a love for books.

P Is for Pterodactyl Raj Haldar,Chris Carpenter,2018-11-13 A New York Times Bestseller! Why does the word gnat start with a G but the word knot doesn't start with an N? It doesn't always make sense, but don't let these rule-breaking silent letters defeat you! This whimsical, funky book from Raj Haldar (aka rapper Lushlife) turns the traditional idea of an alphabet book on its head, poking fun at the most mischievous words in the English language and demonstrating how to pronounce them. Fun and informative for word nerds of all ages!

Three Lines in a Circle Michael G. Long,2021-08-31 One line straight down. One line to the right. One line to the left, then a circle. That was all—just three lines in a circle. This bold picture book tells the story of the peace symbol—designed in 1958 by a London activist protesting nuclear weapons—and how it inspired people all over the world. Depicting the symbol's travels from peace marches and liberation movements to the end of apartheid and the fall of the Berlin Wall, Three Lines in a Circle offers a message of inspiration to today's children and adults who are working to create social change. An author's note provides historical background and a time line of late twentieth-century peace movements.

Send for Me Lauren Fox,2021-02-02 A NEW YORK TIMES NOTABLE BOOK • NEW YORK TIMES BESTSELLER • An achingly beautiful work of historical fiction that moves between Germany on the eve of World War II and present-day Wisconsin, unspooling a thread of love, longing, and the powerful bonds of family. • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK! Based on the author's own family letters, Send for Me tells the story of Annelise, a young woman in prewar Germany. Growing up working at her parents' popular bakery, she's always imagined a future full of delicious possibilities. Despite rumors that anti-Jewish sentiment is on the rise, Annelise and her parents can't quite believe that it will affect them; they're hardly religious. But as she falls in love, marries, and gives birth to her daughter, the dangers grow closer. Soon Annelise and her husband are given the chance to leave for America, but they must go without her parents, whose future and safety are uncertain. Two generations later in a small Midwestern city, Annelise's granddaughter, Clare, is a young woman newly in love. But when she stumbles upon a trove of the letters her great-grandmother wrote from Germany after Annelise's departure, she sees the history of her family's sacrifices in a new light, leading her to question whether she can still honor the past while planning for her future.

Happy for You Claire Stanford,2022-04-19 A NEW YORK TIMES BOOK REVIEW EDITORS' CHOICE NAMED A MOST ANTICIPATED BOOK OF 2022 BY GLAMOUR, ELECTRIC LIT, AND THE MILLIONS “Engrossing and clever . . . Stanford captures the allure, absurdity and menace of corporate spaces with wit and levity . . . Anyone who has resisted fitting neatly into an algorithm will find a companion in Evelyn, and in this book.” –The New York Times Book Review “The optimal novel for the strange times we find ourselves in.” –Rachel Khong, author of Goodbye, Vitamin A whip-smart, funny, affecting novel about a young woman who takes a job at a tech company looking to break into the “happiness market”—even as her own happiness feels more unknowable than ever Four years into writing her still-unfinished philosophy dissertation, and anticipating a marriage proposal from her long-term boyfriend, Evelyn Kominsky Kumamoto is wrestling with big questions about life: How can she do meaningful work in the world? Is she ready for marriage—and motherhood? But no one else around her seems to share her ambivalence. Her relentlessly optimistic, Midwestern boyfriend has no hesitation about making a lifelong commitment; her best friend, Sharky, seems to have wholeheartedly embraced his second-choice career as a trend forecaster; and her usually reserved father has thrown himself headlong into a new relationship—his first since her mother's passing when Evelyn was fourteen. Swallowing her doubts, Evelyn makes a leap, leaving academia for a job as a researcher at the third-most popular internet company, where her team is tasked with developing an app that will help users quantify and augment their happiness. Confronting Silicon Valley's norm-reinforcing algorithms and predominantly white culture, she struggles to find belonging: as a biracial person, as an Asian American, and as someone who doesn't know how to perform social media's vision of what womanhood should look like. As her misgivings mount, an unexpected development upends her assumptions about her future, and Evelyn embarks on a journey toward an authentic happiness all her own. Wry, touching, and sharply attuned to the ambivalence, atomization, and illusion of control that characterize modern life, Happy for You is a story of a young woman at a crossroads that movingly explores how, even in this mediated world, our emotions, contradictions, and vulnerabilities have a transformative power we could never predict.
