**Funny: The Book** David Misch, 2012-04-01 FUNNY: THE BOOK - EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT COMEDY

*I Funny* James Patterson, Chris Grabenstein, 2012-12-10 #1 bestselling author James Patterson doles out the laughs in the first book in the hit series! Middle-schooler Jamie Grimm faces bullies and self-doubt as he chases his dream of becoming the world's greatest comedian Jamie Grimm is a middle schooler on a mission: he wants to become the world's greatest standup comedian--even if he doesn't have a lot to laugh about these days. He's new in town and stuck living with his aunt, uncle, and their evil son Stevie, a bully who doesn't let Jamie's wheelchair stop him from messing with Jamie as much as possible. But Jamie doesn't let his situation get him down. When his Uncle Frankie mentions a contest called The Planet's Funniest Kid Comic, Jamie knows he has to enter. But are the judges only rewarding him out of pity because of his wheelchair, like Stevie suggests? Will Jamie ever share the secret of his troubled past instead of hiding behind his comedy act? Prepare to laugh and cheer along with Jamie in this highly-illustrated, heartfelt middle school story.

That Reminds Me: Finding the Funny in a Serious World Michael Close, 2012-12-01 Michael Close is an inveterate joke teller whose stories have brought gales of laughter from audiences around the world. For more than twenty years, Michael's friends and colleagues have eagerly awaited a collection of jokes from his enormous repertoire. *That Reminds Me* is that compilation - more than 250 of the best clean (and not so clean) jokes you've ever read. But this is much more than a joke book. Michael shares heartfelt reminiscences of the funny people who have enriched his life, stories of crazy personal experiences, and thoughts on the importance of finding the funny in your own life. This is the perfect book for anyone who needs a good laugh. Foreword by Penn Jillette [The jokes in this collection range from squeaky clean to R-rated. Words that you can't use on network television appear occasionally. If such language offends you, please don't purchase this book.]

*This Will Be Funny Someday* Katie Henry, 2021-01-19 The Marvelous Mrs. Maisel comes to high school in acclaimed author Katie Henry's coming-of-age YA contemporary about a girl who accidentally falls into the world of stand-up comedy. Perfect for fans of John Green and Becky Albertalli! Sixteen-year-old Izzy is used to keeping her thoughts to herself--in school, where her boyfriend does the talking for her, and at home, where it's impossible to compete with her older siblings and high-powered parents. When she mistakenly walks into a stand-up comedy club and performs, the experience is surprisingly cathartic. After the show, she meets Mo, an aspiring comic who's everything Izzy's not: bold, confident, comfortable in her skin. Mo invites Izzy to join her group of friends and introduces her to the Chicago open mic scene. The only problem? Her new friends are college students--and Izzy tells them she's one, too. Now Izzy, the dutiful daughter and model student, is sneaking out to perform stand-up with her comedy friends. Her controlling boyfriend is getting suspicious, and her former best friend knows there's something going on. But Izzy loves comedy and this newfound freedom. As her two parallel lives collide--in the most hilarious of ways--Izzy must choose to either hide what she really wants and who she really is, or finally, truly stand up for herself. \* Rise: A Feminist Book Project Book of the Year \* A

**Before & Laughter** Jimmy Carr,2021-09-30 \*A memoir and self-help manual by one of the country's most treasured comedians - for anyone who feels stuck in a rut but doesn't have the tools or self-belief to shake things up\* In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, Before & Laughter is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. Before & Laughter contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book.

What's So Funny? Aris Parker,2010-12-15 This book attempts to bring joy and relief from the chaos and confusion of everyday life. I think people will get a kick out of this book because it's hilarious in a corny type of way. As the author I even had to laugh at the funny stories so it has to be funny. All kidding aside, this book is entertaining and educational, as well since it could be instrumental in bridging the gap between readers of different languages, cultures, customs and backgrounds with funny sayings spoken in our daily lives. You may ask what's so funny about this book. What's not to like about this book? Go ahead and take a gander, you will see how this barrel of laughs can make a difference in this serious world. Again, I know you'll get a good laugh because I found it quite amusing myself. So read the book and laugh your heart out!

**I Even Funnier** James Patterson,Chris Grabenstein,2013-12-09 In James Patterson's follow-up to I Funny, middle schooler Jamie Grimm is ready for the national comedy semi-finals. . . but when his family and friends need his help, will he have to put his dreams on hold? In this follow up to the #1 New York Times bestseller I Funny, middle schooler Jamie Grimm has big dreams of

being the best stand-up comic in the world-and he won't let the fact that he's wheelchair-bound stand in his way. After winning the New York state finals in the Planet's Funniest Kid Comic Contest, Jamie's off to Boston to compete in the national semi-finals. But when one of his best buddies runs into trouble at school and a sudden family health scare rears its head, Jamie has to put his comedic ambitions on hold and stand by the people he cares about. Can Jamie pass up the big competition for the sake of his friends and family?

**Furiously Happy** Jenny Lawson, 2015-09-22 In *Furiously Happy*, #1 New York Times bestselling author Jenny Lawson explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. But terrible ideas are what Jenny does best. As Jenny says: Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos. Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote in *The Breakfast Club*, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.' *Furiously Happy* is about taking those moments when things are fine and making them amazing, because those moments are what make us who we are, and they're the same moments we take into battle with us when our brains declare war on our very existence. It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair. It's the difference between being sane and being furiously happy. Lawson is beloved around the world for her inimitable humor and honesty, and in *Furiously Happy*, she is at her snort-inducing funniest. This is a book about embracing everything that makes us who we are - the beautiful and the flawed - and then using it to find joy in fantastic and outrageous ways. Because as Jenny's mom says, Maybe 'crazy' isn't so bad after all. Sometimes crazy is just right.

**Mr. Funny Pants** Michael Showalter, 2011-02-22 I was at my wit's end. I'd had enough of this job, this life, and my relationship had broken up. Should I eat chocolate, or go to India, or fall in love? Then I had a revelation: Why

not do all three, in that order? And so it was that I embarked on a journey that was segmented into three parts and was then made into a major motion picture. Later, I woke up on an airplane with a hole in my face and a really bad hangover. I was ushered brusquely off the plane by my parents who took me to a rehab where I tested positive for coke, classic coke, special k (the drug), Special K (the cereal), mushrooms, pepperoni, and Restless Leg Syndrome. It was there that I first began painting with my feet. But rewind...the year was 1914. I was just a young German soldier serving in the trenches while simultaneously trying to destroy an evil ring with some help from an elf, a troll, and a giant sorcerer, all while cooking every recipe out of a Julia Child cookbook. What I'm trying to say is that there was a secret code hidden in a painting and I was looking for it with this girl who had a tattoo of a dragon! Let me clarify, it was the 1930s and a bunch of us were migrating out of Oklahoma, and I was this teenage wizard/CIA operative, okay? And, um then I floated off into the meta-verse as a ball of invisible energy that had no outer edge... Ugh, okay. None of this is true. I'm just kind of a normal guy from New Jersey who moved to New York, got into comedy, wrote this book about trying to write this book, and then moved to Alaska, became the mayor of a small town, spent \$30,000 on underwear, and now I'm going to rule the world!!!

**Funny Thing about Minnesota...** Patrick Strait, 2021-02-02 An insiders' look at the land of 10,000 laughs--how Minneapolis became a hotspot for comedy. It is a lively look back at the wild '80s scene and the creative legacy it wrought.

**Funny Woman** Barbara W. Grossman, 1991 A brilliant comic, Fanny Brice had a significant impact on a field that had been predominantly male, proving that the term funny woman was not an oxymoron.

**I Funny TV** James Patterson, Chris Grabenstein, 2015-12-14 Jamie Grimm has hit the big time in book four of the #1 bestselling I Funny series! Jamie Grimm has finally accomplished his dream of proving himself the Planet's Funniest Kid Comic, and the sky's the limit from there. Enter a couple of TV executives with a huge plan for Jamie: a new show about Jamie and his oddball friends! But when Jamie struggles to learn the acting ropes, will it be an early curtain call for the biggest show of the decade?

**Seriously Funny** Howard Jacobson, 1997 An investigation of the origins of comedy and the meaning of laughter, drawing on biology, anthropology, classical studies, behavioural science, philosophy and psychology - with a few authorial jokes along the way.

**A Funny Thing Happened on the Way to the New Yorker** Roy Delgado, 2007 The funny things are the witty, clever, hilarious and even outrageous cartoons.. all hand-picked by this award-winning cartoonist and the editors of the nation's leading major magazines and publications all for this very unique book. The funniest thing of all is that Roy Delgado is still on the way to The New Yorker! emdashes.com ( A website for lovers of The New Yorker ) called Roy Delgado a New Yorker cartoonist-in-waiting.' --LEE LORENZ ( Former Cartoon Editor of The New Yorker ) Roy Delgado is much too modest. This collection includes not one but, by my count, 85 funny things that happened on the way to The New Yorker. Original, amusing and for the aspiring cartoonist, inspirational. --RON GOULART ( World renowned comics historian, author of 20 books on the history of comics, science-fiction and mystery writer of over 180 books) Very funny . . Roy Delgado is the nation's funniest

sign-painter/cartoonist. --SAM GROSS (Renowned New Yorker cartoonist) Everybody who knows you ( your work )think you're a slam dunk. Roy Delgado is The Chicago Cubs of Cartooning. --GENE PERRET ( Emmy Award-Winning Writer, Bob Hope's Chief Gagwriter for 24 years, has written for Phyllis Diller, Carol Burnett, and other greats. ) Any book that has at least one laugh on every page is worth reading. Roy Delgado's A Funny Thing Happened on the way to The New Yorker certainly has a laugh per page. I just wish it had more pages. Wonderful cartoon art, terrific humorous observations, and an inspiring tale of how Roy Delgado wends his way to The New Yorker. --NORMAN HOTZ ( Cartoon Editor of Reader's Digest ) Since receiving Roy Delgado's A Funny Thing Happened on the way to The New Yorker', I've been mumbling I love the misses' a few times a day. I hope she never finds out I was talking about Roy's attempts at The New Yorker. The relationship between words and images can be a wonderful thing. When that relationship is brought together by the wit of Roy's pen, it is an extraordinary (funny) thing. --BILL KEOUGH ( Editor of The Gag ReCap, The 50-year old international trade journal for professional cartoonists and gagwriters ) This is a great book . . it doesn't seem possible that The New Yorker rejected all of these cartoons . . the next time they rewrite the dictionary they should include Roy Delgado's name in their definitions of 'rejection' and 'hilarious'. --CHARLES PRESTON (Cartoon Editor of The Wall Street Journal) A very amusing collection. Lots of laughs for everyone.!
