Ebu Gogo J. Manfred Weichsel,2020-05-18 Terror lies waiting in the jungle island of Flores. Terror in the form of cryptids called ebu gogo. Terror for the cryptozoologists who dream to discover them. The one thing Lewis Dare wants more than anything in the world is to discover the ebu gogo - three-foot-tall cryptids in the genus of Homo rumored to live in Indonesia. But Lewis Dare's ex-wife Linda, wanting to beat the famous cryptozoologist at his own game, has rushed to Indonesia in order to discover the ebu gogo before he does. On the Indonesian island of Flores, their dream to discover a cryptid becomes a nightmare when the ebu gogo turn out to be primitive, savage, sex fiends.

Stories Gogo Told Me Lisa Grainger,2015-08-18 There is a storyteller in almost every village in Africa. Telling stories is not her official job. By day she may be a Gogo, a teacher, a farmer or a seamstress. But at night, round the fire, she will sit surrounded by young children, old friends, neighbours and travellers. She will tell of how it was in the olden days, when the earth was young, when man was a hunter-gatherer, and when the animals roamed wild throughout the continent. The author spent several months hiking around the villages, towns, farms and deserts of Zimbabwe, Zambia, Botswana and South Africa, asking people who can't read or write to tell her their favourite stories. The result is this children's treasury of legends and fables, of witchdoctors and kingdoms of strange creatures and talking animals, which celebrates Africa and its ancient storytelling culture.

Go-Go Live Natalie Hopkinson,2012-05-22 Go-go is the conga drum-inflected black popular

music that emerged in Washington, D.C., during the 1970s. The guitarist Chuck Brown, the Godfather of Go-Go, created the music by mixing sounds borrowed from church and the blues with the funk and flavor that he picked up playing for a local Latino band. Born in the inner city, amid the charred ruins of the 1968 race riots, go-go generated a distinct culture and an economy of independent, almost exclusively black-owned businesses that sold tickets to shows and recordings of live go-gos. At the peak of its popularity, in the 1980s, go-go could be heard around the capital every night of the week, on college campuses and in crumbling historic theaters, hole-in-the-wall nightclubs, backyards, and city parks. Go-Go Live is a social history of black Washington told through its go-go music and culture. Encompassing dance moves, nightclubs, and fashion, as well as the voices of artists, fans, business owners, and politicians, Natalie Hopkinson's Washington-based narrative reflects the broader history of race in urban America in the second half of the twentieth century and the early twenty-first. In the 1990s, the middle class that had left the city for the suburbs in the postwar years began to return. Gentrification drove up property values and pushed go-go into D.C.'s suburbs. The Chocolate City is in decline, but its heart, D.C.'s distinctive go-go musical culture, continues to beat. On any given night, there's live go-go in the D.C. metro area.

Tina Gogo Judie Angell, 1980 Living in a small resort town where her family runs a restaurant, eleven-year-old Sarajane meets and befriends an unusual girl with a mysterious past.

Gogo Eric Hagan, Matunas, 2020-08-03 Gogo tasks young readers to look at the world and think about how to make it better. It asks them directly to help solve the problems we face. It instills in them the notion that maybe they just might be who the world was waiting for. Gogo asks children to grow and develop with these issues in their minds, not out of fear and worry, but out of pragmatic response. Gogo is a book of hope and champions the creativity of the childish mind, limitless and unfettered by doubt.

Gogo Newgirl and Permanent Peace Shelley Gilbert, 2019-08-08 Earth is in ruins in 2253 after centuries of war. Extreme violence and extinction plague humans and Earth. Gogo, 12 years old, witnesses the brutal killing of her mother. In a rage, Gogo asks her grandmother Rose why they live in a violent world. Rose replies that people are violent creatures and there's nothing they can do about it. This explanation doesn't make sense to Gogo. She knows that she, her mother, grandmother, her best friend Dee Dee and all the females she knows are not violent people. Gogo comes to the realization that females are peaceful and only males are violent. In a dream, God instills in Gogo the passion and blueprint to lead the females of Earth to permanent peace. But they must take away control of the Earth from the males. With an inspired plan, Gogo unites all the girls and women of Earth. They secretly meet in Nepal to plot their takeover. They have fun rebuilding human society according to their female sensibilities. But before they can govern, the females must wage one last war.
