Look Wot I Dun: Don Powell of Slade Don Powell,Lise Lyng Falkenberg,2013-10-11 Look What I Dun is the story of Slade told through the eyes of drummer Don Powell whose life was shattered when, in 1973 at the height of the group's fame, he was involved in a horrific car crash. Unflinching in his honesty, Powell deals frankly with the aftermath of the accident that took the life of his girlfriend and left him with injuries that affect him to this day. Leaders of the glam rock movement, Slade were the UK's biggest singles band in the years 1971-74. Their many hits have become rock n roll standards, not least Merry Christmas Everybody , arguably Britain's all-time favourite Christmas song. For Don Powell, though, success came at a price. Lucky to survive, the aftermath of his

accident included alcoholism, financial woes and a life of reckless promiscuity. Now sober and settled in Denmark with an adopted family of his own, Don Powell's story as told to Lise Lyng Falkenberg is a no-nonsense journey to the heights and depths of the rock world.

Help, Lord! I'm Having a Senior Moment Again Karen O'Connor, 2005-04-06 While growing older certainly has its benefits, its downside poses big challenges. Physical decline; loss of spouses, relatives, and friends; memory lapses; feelings of inadequacy or uselessness--such things can give us those senior moments that sidetrack us with fear and worry. In this sequel to her bestselling book, Karen O'Connor brings even more encouragement to people in their golden years, prompting them to reflect, laugh, play, and take both burdens and joys to the Lord who cares for them.

I Will Not Leave You Comfortless Jeremy Jackson, 2012-10-02 This memoir of "a happy childhood in rural Missouri just before the digital revolution [is] a sweet record of a time and a place that was not Always On." --St. Louis Post-Dispatch Spanning one year of the author's life--1984--*I Will Not Leave You Comfortless* is the intimate memoir of a young boy coming to consciousness in small-town Missouri. The year will bring ten-year-old Jeremy first loves, first losses, and a break from the innocence of boyhood that will never be fully repaired. For Jeremy, the seeming security of his life on the family farm is forever shaken by the life-altering events of that pivotal year. Throughout, he recalls the deeply sensual wonders of his rural Midwestern childhood--bicycle rides in September sunlight; the horizon vanishing behind tall grasses--while stories both heart-wrenching and humorous, tragic and triumphant, Jackson weaves past, present, and future into the rich Missouri landscape. "I could smell the mulberries crushed underfoot and the sweet steam of the cinnamon roll Grandma heated in the toaster oven just for Jeremy, hear the ever-increasing volume of an approaching late-spring storm . . . The year of Jeremy Jackson's life on which he meditates in *I Will Not Leave You Comfortless* marked his transition from the perfect happiness of childhood to the much more complex reality of adulthood. It records, as well, the abiding comfort that remains--family, home and love." --Wichita Eagle "Jackson writes about Missouri as the young Hemingway wrote about Michigan: with a clear eye; with hard-edged nostalgia; and (here's the thing) with brilliance." --Darin Strauss, author of *Half a Life*

Impact - Now (I Must Put Away Childish Things - No Other Way) Thornton Bell Sr, Thornton Bell Jr, Donovan Bell, 2006-09 With 1 Corinthians 13:11 as a starting point, this book establishes a standard process within a biblical context for helping the transition from youth to adulthood. It is especially designed to help parents and young men who are struggling and need to see and face the reality of growing up. It encourages young men to step up, put away childish things, take responsibility for their lives, and understand God's definition of manhood.

A Little Harmony is All I Need George L. Allen, 2013-07 *A Little Harmony Is All I Need* is a book of stories, speeches and essays which I have written over the years. These writings delineate certain aspects of Allen's teaching career, which began in 1970. The book also demonstrates a twin-emotional pull which Allen received from his teaching and his desire to write. Each one of these twin-endavors gave him boundless joy and made him feel

that he was living a purposeful life.
