These Stories of Mine Benny Ong, 2017-03-30 These Stories of Mine is a collection of four tales that span a multitude of different genres. --- - Roses tells a tale of romance and drama between the last hours of Emerald Heather with her husband Aread Russell by her side, going through their poignant memories one last time. - Ricky Randolph and Gisele Brenda are part of the Blue Bird Enterprise, forming an uncommon bond when they are trapped together in an elevator. Unbeknownst to the other, one has a past that is brewing under. - What is real, and what isn't? Descent charges Gerald Oretta into a head-whirl of emotions when he is sent to retrieve a package tasked by his wife, River. - Letters from Heaven is a narrative letter written by Sara Retter to 'Whom it May Concern', detailing a message and meaning to why

she became the director of her father's fruits of labor. --- The 'Prime Edition' includes two new stories (Crown and The Graduation Trip), individual story covers, individual pins, and an author's words section which includes a breakdown and explanation for each of the stories. - Crown takes place in a desolate wasteland where the cold dead night whisks a band of raiders into uncharted territory to recover what was rightfully theirs. - The Graduation Trip is a satirical imaginative adventure in which the author asks appropriately why not being invited to the trip eventually took a turn for the worst. --- Get the PDF and EPUB version on Gumroad! <http://bit.ly/stories-of-mine>

**Even If Not** Kaitlyn E. Bouchillon, 2016-01-21 If you find yourself in between one thing and another, changing from who you used to be into who you are becoming, how will you live in the messy, beautiful middle? And what if the middle pages hold storylines that wound and surprise? Is God with us on those pages, too? In *Even If Not*, Kaitlyn Bouchillon invites you to let go of trying to figure out the ending of your story and instead lean into the faithfulness of God. With honest and

vulnerable storytelling from her own in between, Kaitlyn encourages you to say - no matter what page of the story you find yourself on - that although you believe God could come through how you're asking, you'll trust Him... even if not.

Growing Slow Jennifer Dukes Lee, 2021-05-11 Enter a simpler way of living by unhurrying your heart, embracing the relaxed rhythms of nature, and discovering the meaningful gift of growing slow. We long to make a break from the fast pace of life, but if we're honest, we're afraid of what we'll miss if we do. Yet when going big and hustling hard leaves us stressed, empty, and out of sorts, perhaps this can be our cue to step into a far more satisfying, sustainable pace. In this crafted, inspiring read, beloved author Jennifer Dukes Lee offers a path to unhurried living by returning to the rhythm of the land and learning the ancient art of Growing Slow. Jennifer was once at breaking point herself, and tells her story of rude awakening to the ways her chosen lifestyle of running hard, scaling fast, and the neverending chase for results was taking a toll on her body, heart, and soul. But when she finally gave herself permission to believe it takes time to grow good things, she found a new kind of freedom. With eloquent truths and vivid storytelling, Jennifer reflects on the lessons she learned from living on her fifth-generation family farm and the insights she gathered from the purposeful yet never rushed life of Christ. Growing Slow charts a path out of the pressures of bigger, harder, faster, and into a more rooted way of living where the growth of good things is deep and lasting. Following the rhythms of the natural growing season, Growing Slow will help you: Find the true relief that comes when you stop running and start resting in Jesus Learn practices for unhurrying your heart and mind every day Let go of the pressure and embrace the small, good things already bearing

fruit in your life And engage slow growth through reflection prompts and simple application steps

Armentrout, 2021-10-19 #1 New York Times bestselling author Jennifer L. Armentrout returns with book one of the all-new, compelling *Flesh and Fire* series—set in the beloved *Blood and Ash* world. Born shrouded in the veil of the Primals, a Maiden as the Fates promised, Seraphena Mierel's future has never been hers. Chosen before birth to uphold the desperate deal her ancestor struck to save his people, Sera must leave behind her life and offer herself to the Primal of Death as his Consort. However, Sera's real destiny is the most closely guarded secret in all of Lasania—she's not the well protected Maiden but an assassin with one

mission—one target. Make the Primal of Death fall in love, become his weakness, and then...end him. If she fails, she dooms her kingdom to a slow demise at the hands of the Rot. Sera has always known what she is. Chosen. Consort. Assassin. Weapon. A specter never fully formed yet drenched in blood. A monster. Until him. Until the Primal of Death's unexpected words and deeds chase away the darkness gathering inside her. And his seductive touch ignites a passion she's never allowed herself to feel and cannot feel for him. But Sera has never had a choice. Either way, her life is forfeit—it always has been, as she has been forever touched by Life and Death.
