

Jw Bible

Frank Swartz

What Does the Bible Really Teach?. ,2005 Biblical theology and doctrines of Jehovah's Witnesses.

Lessons You Can Learn from the Bible Watchtower Bible and Tract Society of New York,2017-05-31

Revelation ,1999-01-01 The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the Beast will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Emphasised Bible Joseph Bryant Rotherham,1902

Reasoning from the Scriptures with the Jehovah's Witnesses Ron Rhodes,2009-07-01 Christians have great news to offer Jehovah's Witnesses. In this revised and updated version of the top-selling Reasoning from the Scriptures with the Jehovah's Witnesses (more than 90,000 copies sold), author and Bible expert Ron Rhodes helps readers delve into the Bible and use practical tools to share God's truths with those who come calling. Convenient side-by-side comparisons of the New World Translation and the Bible, along with answers to each doctrinal error espoused by the Witnesses Point-by-point lists of the favorite tactics and arguments used by the Witnesses—along with effective, biblical responses to each Questions you can ask to challenge the Jehovah's Witnesses' confidence in the Watchtower Society With easy-to-understand helps, concise information, direct comparisons of beliefs, and a compassionate presentation, this resource from Ron Rhodes is ideal for personal and church libraries and for any reader who wants to confidently share the gospel.

The Jw Bible Gerald N Wright,2019-05-16 This book exposes the major anti-Christian and Cultic teachings that the Watchtower Society translators purposely, prejudicially and pervertedly placed into the Christian Bible in order to create their own Bible.

Illustrated Bible Stories Various,2015-02-23 A fully illustrated collection of stories from the Bible, retold for young readers in a beautifully presented gift book for a special occasion. Stories include Joseph and his Amazing Technicolour Dreamcoat, The Story of Baby Jesus, The Easter Story, Jonah and the Whale, Noah's Ark and more.

An Introduction to the Bible J. W. Rogerson,2014-09-12 A casual reader enters a bookshop looking for a Bible. However, not all the Bibles on display have the same contents! Some have more books than others, some are study editions, some use gender-free language. How did this come about? This Introduction works back through the processes by which the Bible was written, transmitted, copied and declared to be authoritative by various churches. The following topics are dealt with: What is the Bible?; How Biblical Writers Wrote; The Making of the Old Testament; The Making of the Apocrypha; The Making of the New Testament; The Canon of the Bible; The Study of the Bible; The Use of the Bible in Social, Moral and Political Questions. This updated edition takes account of developments in scholarship since the book was first published in 1999 by Penguin. The original edition has been translated into Spanish and Portuguese.

The Bible Brian Brodersen,2004 Is the Bible the inspired Word of God? Is it reliable historically and scientifically? How is the Bible different than other religious writings? By pointing us to the evidence, Brian Brodersen

shows us how we can be confident the Bible is truly inspired by God, and therefore, truly relevant for each of our lives.

The Holy Bible and the Law Jacob W. Ehrlich, 2002 A handy reference to biblical quotations relating to subjects of legal interest. Organized by subject with introductory notes to most sections, the book covers such topics as adoption, bribery, contracts, crime and punishment, divorce, drinking, government and crimes against the State, homicide, husband and wife, military law, master and servant, perjury, prostitution, oaths, wills and more.

Understanding Jehovah's Witnesses Robert M. Bowman, 1991 This new translation of Horace's most widely read collection of poetry is rendered in modern, metrical English verse rather than the more common free verse found in many other translations. Jeffrey H. Kaimowitz adapts the Roman poet's rich and metrically varied poetry to English formal verse, reproducing the works in a way that maintains fidelity to the tone, timbre, and style of the originals while conforming to the rules of English prosody. Each poem is true to the sense and aesthetic pleasure of the Latin and carries with it the dignity, concision, and movement characteristic of Horace's writing. Kaimowitz presents each translation with annotations, providing the context necessary for understanding and enjoying Horace's work. He also comments on textual instability and explains how he constructed his verse renditions to mirror Horatian Latin. Horace and The Odes are introduced in lively fashion by noted classicist Ronnie Ancona--BOOK JACKET.

Jehovah's Witnesses Robert M. Bowman Jr., 2016-09-06 The zeal and dedication of Jehovah's Witnesses mask a highly disciplined organization that has a troubled history. Moreover, their thorough knowledge of their own scriptures gives a pretense of having spiritual truth. The movement has grown from about 1.1 million worldwide in 1965 to 4.4 million today. Yet all is not what it seems in the Watchtower Society. How do the teachings of the Jehovah's Witnesses run counter to orthodox Christianity? What drives adherents to give hundreds of hours a year to witnessing? What draws converts to a cult of strict control by religious leaders? Why this series? This is an age when countless groups and movements, old and new, mark the religious landscape in our culture, leaving many people confused or uncertain in their search for spiritual truth and meaning. Because few people have the time or opportunity to research these movements fully, these books provide essential information and insights for their spiritual journeys. Each book has five sections: - A concise introduction to the group - An overview of the group's theology -- in its own words - Tips for witnessing effectively to members of the group - A bibliography with sources for further study - A comparison chart that shows the essential differences between biblical Christianity and the group -- The writers of these volumes are well qualified to present clear and reliable information and help us discern religious truth from falsehood.

A Close Look at the Jehovah's Witness Bible Frank Swartz, 1974

The Finished Mystery Charles Taze Russell, 1918

What Did Jesus Look Like? Joan E. Taylor, 2018-02-08 Jesus Christ is arguably the most famous man who ever lived. His image adorns countless churches, icons, and paintings. He is the subject of millions of statues, sculptures, devotional objects and works of art. Everyone can conjure an image of Jesus: usually as a handsome, white man with flowing locks and pristine linen robes. But what did Jesus really look like? Is our popular image of Jesus overly westernized and untrue to historical reality? This

question continues to fascinate. Leading Christian Origins scholar Joan E. Taylor surveys the historical evidence, and the prevalent image of Jesus in art and culture, to suggest an entirely different vision of this most famous of men. He may even have had short hair.

The Beautiful Story Thomas De Witt Talmage, 1888

Jehovah's Witnesses, 1993 History and teachings of Jehovah's Witnesses organization.

It Is Well with My Soul Bible Study Journals, 2019-07-13 A beautiful journal for keeping record of bible study notes, scriptures, and prayers.

The Role of Theology and Bias in Bible Translation Rolf Furuli, 1999

Bearing Thorough Witness about God's Kingdom (Vol. 5) Watchtower Bible and Tract Society of New York, 2010-09-30
