**The Turn of the Key** Ruth Ware, 2020-05-12 INSTANT NEW YORK TIMES BESTSELLER  
"A superb suspense writer...Brava, Ruth Ware. I daresay even Henry James would  
be impressed." —Maureen Corrigan, author of *So We Read On* "This appropriately  
twisty *Turn of the Screw* update finds the Woman in Cabin 10 author in her  
most menacing mode, unfurling a shocking saga of murder and deception."  
—Entertainment Weekly From the #1 New York Times bestselling author of *The  
Lying Game* and *The Death of Mrs. Westaway* comes this thrilling novel that  
explores the dark side of technology. When she stumbles across the ad, she's  
looking for something else completely. But it seems like too good an  
opportunity to miss—a live-in nanny post, with a staggeringly generous  
salary. And when Rowan Caine arrives at Heatherbrae House, she is smitten—by  
the luxurious "smart" home fitted out with all modern conveniences, by the  
beautiful Scottish Highlands, and by this picture-perfect family. What she  
doesn't know is that she's stepping into a nightmare—one that will end with a  
child dead and herself in prison awaiting trial for murder. Writing to her  
lawyer from prison, she struggles to explain the events that led to her

incarceration. It wasn't just the constant surveillance from the home's cameras, or the malfunctioning technology that woke the household with booming music, or turned the lights off at the worst possible time. It wasn't just the girls, who turned out to be a far cry from the immaculately behaved model children she met at her interview. It wasn't even the way she was left alone for weeks at a time, with no adults around apart from the enigmatic handyman. It was everything. She knows she's made mistakes. She admits that she lied to obtain the post, and that her behavior toward the children wasn't always ideal. She's not innocent, by any means. But, she maintains, she's not guilty—at least not of murder—but somebody is. Full of spellbinding menace and told in Ruth Ware's signature suspenseful style, *The Turn of the Key* is an unputdownable thriller from the Agatha Christie of our time.

*Minor Feelings* Cathy Park Hong, 2020-02-25 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • ONE OF TIME'S 100 MOST INFLUENTIAL PEOPLE • A ruthlessly honest, emotionally charged, and utterly original exploration of Asian American consciousness "Brilliant . . . To read this book is to become more human."—Claudia Rankine, author of *Citizen In development* as a television series starring and adapted by Greta Lee • One of Time's 10 Best Nonfiction Books of the Year • Named One of the Best Books of the Year by The New York Times, The Washington Post, NPR, New Statesman, BuzzFeed, Esquire, The New York Public Library, and Book Riot Poet and essayist Cathy Park Hong fearlessly and provocatively blends memoir, cultural criticism, and history to expose fresh truths about racialized consciousness in America. Part memoir and part cultural criticism, this collection is vulnerable, humorous, and provocative—and its relentless and riveting pursuit of vital questions around family and friendship, art and politics, identity and individuality, will change the way you think about our world. Binding these essays together is Hong's theory of "minor feelings." As the daughter of Korean immigrants, Cathy Park Hong grew up steeped in shame, suspicion, and melancholy. She would later understand that these "minor feelings" occur when American optimism contradicts your own reality—when you

believe the lies you're told about your own racial identity. Minor feelings are not small, they're dissonant—and in their tension Hong finds the key to the questions that haunt her. With sly humor and a poet's searching mind, Hong uses her own story as a portal into a deeper examination of racial consciousness in America today. This intimate and devastating book traces her relationship to the English language, to shame and depression, to poetry and female friendship. A radically honest work of art, *Minor Feelings* forms a portrait of one Asian American psyche—and of a writer's search to both uncover and speak the truth. Praise for *Minor Feelings* "Hong begins her new book of essays with a bang. . . . The essays wander a variegated terrain of memoir, criticism and polemic, oscillating between smooth proclamations of certainty and twitches of self-doubt. . . . *Minor Feelings* is studded with moments [of] candor and dark humor shot through with glittering self-awareness."—*The New York Times* "Hong uses her own experiences as a jumping off point to examine race and emotion in the United States."—*Newsweek* "Powerful . . . [Hong] brings together memoiristic personal essay and reflection, historical accounts and modern reporting, and other works of art and writing, in order to amplify a multitude of voices and capture Asian America as a collection of contradictions. She does so with sharp wit and radical transparency."—*Salon*
