Things I Should Have Told My Daughter Pearl

Cleage,2014-04-08 In this inspiring memoir—that Jane Fonda raves “will make you braver...want to live your life better and make a difference”—the award-winning playwright and bestselling author of *What Looks Like Crazy on an Ordinary Day* reminisces on the art of juggling marriage, motherhood, and politics while working to hone her craft as a writer. Before she become one of America’s most popular playwrights and a bestselling author with a novel endorsed by Oprah’s Book Club, Pearl Cleage was a struggling writer going through personal and professional turmoil. In *Things I Should Have Told My Daughter*, Cleage takes us back to the 1970s and 80s, when she was a young wife and mother trying to find her voice as a writer. Living in Atlanta, she worked alongside Maynard Jackson, the city’s first black mayor and it was here among fraught politics that she began to feel the pull of her own dreams—a pull that led her away from her husband as she grappled with ideas of feminism and self-fulfillment. In the tradition of literary giants such as Joan Didion, Nora Ephron, and Maya Angelou, Cleage crafts an illuminating and moving self-portrait in which her “extraordinary experiences, deep social concerns, passionate self-analysis, and personal and artistic liberation, all so openly confided, make for a highly charged, redefining read” (Booklist).

MY DROPPING INK SUHAIL A BANDAY,2021-04-25 My

Dropping Ink is a beautiful collection of poetry and short stories. It's full of dream thoughts of our amazing writers and their words.

Lost in the rivers of my thoughts Steve Price,2014-11-18

This is my first attempt at writing a book like this but the 4th I have published. This book reflects the things I see, hear and at times just think. Most of all the lyrics written in this and previous books are hardly changed from the original text. I write lyrics very quickly once I have an idea, usually no more than 10 - 15 minutes. I have many influences musically and enjoy songwriters

that tell a story, such as Bono(U2), Lennon, Dylan, Bowie and many others. I do not profess to anywhere near their league in fact a million miles away from them. I write to release myself from the everyday crap that goes on in the world and as a sense of peace to myself. This book is rather dark and naïve in its content and I was apprehensive whether to publish, but if you don't try, you don't know! So please enjoy.

On My Own Lavez Robinson Sr.,2013 This is the story of a once lost black man, giving compelling details of the trials, tribulations, and the ever changing circumstances surrounding him. Cursed from birth with unusual attributes; early on, he was faced with ridicule and constant criticism from not only peers, but also his parents. Desperate to be a part of something in a city plagued with hate, he was determined to escape the detrimental society that had withered away at the lives of so many. Therefore, he enlisted in the armed services after completing high school in hopes of finding his purpose in life.

Poems for My People and Me Monica Sekhmet

Grant,2014-01-10 Poems for My People and Me was taken from the iconic Nina Simone. In her song titled Mississippi Goddamn, she sings of how all she want is equality for my sister, my brother, my people and me. The spirit of Nina Simone's cry to the world is infused throughout Poems for My People and Me with verses of struggle and triumph dealing with race, sex, and poverty.

My Life Across the Table Karen Page,2013-03-08 Acclaimed psychic Karen Page shares the most inspiring, uplifting, and unforgettable stories from her extraordinary career. In this book, you will find true accounts of love affairs gone wrong and relationships that last; premonitions of success and of death; juicy details of celebrities, socialites, and even mobsters. These stories from real people are life lessons in disguise, giving you new perspectives on your relationships, your career, and your spirit. A naturally gifted psychic and a deeply compassionate soul, Karen reveals what it's like to grow up psychic, knowing what the future

holds for both loved ones and complete strangers. She shares insights on the question of fate versus free will, and whether or not a psychic should tell a client if she sees death or other devastating experiences ahead. These true stories include the author's account of meeting famed psychic Peter Hurkos and living in a house haunted by the ghosts of Hollywood showgirls.

The Greatest Love of My Life Rodney Tupweed,

My Business is Murder Henry Kane, 2012-03-15 Olga was the sexy young wife of an old millionaire. She wore black painted toenails, a small black Luger, and very little else. Anabel was a talented stripper with an act that drove the customers wild. She wore nothing at all—and got rich that way. When private eye Peter Chambers investigates a strange death and stranger blackmail, he winds up in a deadly duel with hoods, racketeers, vice-lords, and two females who are sheer murder!

My Shorts Bert G. Osterberg, 2016-07-22 Ranging from dark tales of vampires and serial killers to tongue-in-cheek science fiction to comedy and farce, *My Shorts*, by author Bert G. Osterberg, shares an eclectic collection of short stories centering on life, death, and laughter. *The Option* was written while Osterberg contemplated his past. *High School* was inspired by a plot twist in Tchaikovsky's opera, *The Queen of Spades*, and recalls his own tortured high school career. *To Amerikay* calls on his love of history as told in the stories of ordinary people who do extraordinary things. *Three Views* shares Osterberg's political statement. *Netties Triumph* was penned for his granddaughter to illustrate when she was in grade school. And *My Aunt Ruth* tells about this feisty woman who lived in Michigan all of her life. From a suspenseful story of a dark castle in Transylvania to a fanciful encounter with a wonderfully strange fifth grade teacher, this collection of tales entertains and often challenges conventional ideas and notions.

How EMDR Therapy Transformed My Life Marie Pflugrad, 2020-02-13 EMDR (Eye Movement Desensitization

Reprocessing) therapy has been successfully used for the past thirty years for those who have suffered PTSD in the military. Recently it has been recognized as a useful therapy for other forms of trauma. For the author of this book, it was a lifesaving means of reprocessing painful experiences from her upbringing that continued to affect her life. Because "hurt people hurt people," Marie Pflugrad tells her story of pain and relief through EMDR to demonstrate how the past can be the past and not a shadow darkening the present.

The Big Sleep; Farewell, My Lovely; The High Window

Raymond Chandler, 2002-10-15 Raymond Chandler's first three novels, published here in one volume, established his reputation as an unsurpassed master of hard-boiled detective fiction. *The Big Sleep*, Chandler's first novel, introduces Philip Marlowe, a private detective inhabiting the seamy side of Los Angeles in the 1930s, as he takes on a case involving a paralyzed California millionaire, two psychotic daughters, blackmail, and murder. In *Farewell, My Lovely*, Marlowe deals with the gambling circuit, a murder he stumbles upon, and three very beautiful but potentially deadly women. In *The High Window*, Marlowe searches the California underworld for a priceless gold coin and finds himself deep in the tangled affairs of a dead coin collector. In all three novels, Chandler's hard-edged prose, colorful characters, vivid vernacular, and, above all, his enigmatic loner of a hero, enduringly establish his claim not only to the heights of his chosen genre but to the pantheon of literary art. Featuring the iconic character that inspired the forthcoming film *Marlowe*, starring Liam Neeson.

D.A.A.S.: Their Part in My Downfall Paul

Livingston, 2016-11-23 'There is ... a ruthless tenderness about the Doug Anthony All Stars that makes them more scathingly funny than ever.' Libbi Gorr Paul observes, 'You are looking at us, ladies and gentlemen, and thinking, 'Oh my god, Tripod have been in a terrible accident.'" Under the guise of his alter ego

Flacco, Paul Livingston once basked in the reflected glory of Tim Ferguson, Paul McDermott and Richard Fidler, and their anarchic comedy incarnation, the Doug Anthony All-Stars. At their peak D.A.A.S. teetered on international greatness, and Paul teetered with them, until that teeter was abruptly toppled in 1994. Flacco and Paul now find themselves wrenched out of comfortable but obscure retirement to tread the boards again with Tim Ferguson and Paul McDermott - but this time as part of D.A.A.S., playing to sell-out crowds across Australia. As a fly on the pungent walls of D.A.A.S. dressing-rooms over the decades, Paul Livingston has lived and played alongside these men, probing their depths and shallows. In *D.A.A.S.: Their Part in My Downfall* he reveals all - their rise, disappearance and rebirth - and interviews their fans, colleagues and famous peers and admirers. In 2016 the bad old men of Australian comedy dared to venture back to where it all began thirty years ago - the Edinburgh Festival. Can they recapture the magic? Will anyone remember them?

Pepperoni, Jalapeños & LSD Mountain, P H, 2022-07-25

Reading Mountain's personal accounts about run-ins with the law, marathon sexual escapades, and other terrible decisions made under the influence of LSD or copious amounts of alcohol seems to stir up a certain nostalgia for that time long ago when life seemed wide open. A hilarious and thoughtful work... - Reedsy
Discovery At eighteen, Paul Mountain pissed on his academic scholarship to the University of Minnesota and fled to Boulder, Colorado without money, family or prospects. In a cramped one-bedroom apartment with two other dudes, Paul's life was youth unbridled, impulsive, and without remorse. Perfect, in other words. Within a year, Paul finds himself in a tiny cabin with his new girlfriend in a Rocky Mountain ghost town, convinced he can write his way out of poverty before buying his first legal drink. He was wrong. He was wrong about a great many things. In his whirlwind comic memoir, Paul escorts the reader on his rabid quest for anything to avoid the looming bondage of adult

responsibility and shares his coming of age set against the backdrop of the final decade before the tech revolution. Pepperoni, Jalapenos & LSD is a story filled with women, drugs, old motorcycles, speed junkies, crime, sex, mountaintops, poverty, more sex, long blasts down empty ski slopes and laugh out loud happiness. More than anything, it's a story of embracing recklessness, for as Paul notes, The day will soon come when the cigarettes finally take hold, the doctor shouts, 'Cancer!', and God's gavel falls, sentencing me to death and who the fuck knows what else. Probably hell, but I'm hoping for a clerical error, the great celestial typo.

Window To The Stars Tuck Perrelli,2009-01-30 The life of a seemingly ordinary man is turned upside down by the events that transpire after a freak accident. He happens across a device of unknown origin that possesses abilities that endow the owner to defy the laws of nature, and the known universe. Part one of a series that follows the dramatic challenges in the main character's belief system about the universe, humanity's origins and nearly every aspect of normality. This story promises to entertain you with a blend of sci-fi, action and drama, romance and comedy, and a little spirituality and metaphysics to boot. The action is heart thumping and the drama is engrossing.

Yes, Jesus Loves Me Gregory Sparks,2020-06-09 I'm compelled to write my story not to tell about myself but to write about the love and miracles of Jesus Christ. I'm convinced that if you truly believe in GOD with all your heart and soul and if you have complete faith in him and get to know him, follow the Ten Commandments. He will be with you through all your trials and complications. Remember, we're all sinners and that no one is perfect. But you must believe in GOD and you must have a relationship with him. He knows, sees, and hears everything. It doesn't matter what type of life you lead or what sins you've committed. Just try to stay true to his commandments. We all fall short, but by asking for his forgiveness, we will be forgiven. I can

testify to his grace. I can testify to his love. I know that he loves me, for he has told me so.

My Best Man Andy Schell,2002-11-01 A rollicking and hilarious novel follows Harry Ford who, even though he wants to meet Mr. Right, gets ready to marry his roommate Amity Stone so that he can inherit a fortune, but temptation and destiny arrive in the form of tantalizingly sexy Nicolo Feragamo. Reprint.

Jesus Christ Is Lord and Is Worshipped in Infinite Multiple Universes Throughout Infinity Stanley Lotegeluaki,2011-01-05 When Jesus comes back at the Second Coming, He will provide us with Antigravity vehicles, teleportation, Super intelligent Robots, Memory Absorption machines that will allow us to put memory from computers directly into our brain (no more school), He will provide us with Spaceships, some 7000 miles long or just one mile long. Jesus will provide the medical cure for aging or wrinkles (women take note). Also He will give us Transmutation capability to change dirt or any substance to any other substance. We can take dirt and rearrange it into- food, tomatoes, bananas, meat or a one ton car.- Anything you want- Just ask Him. Jesus will give the nations universes to live in. United African Continent has already petitioned Him for 10 billion galaxies in this universe and a trillion universes in the Mega, Mega, universe. What will China, Russia, Vietnam, Iran, Japan etc petition Jesus when He comes back ? The Parallel futures of the White race , the Black race and the Asian race. They will all be given universes to live in by The God of Israel. Jesus was Melchizedec (Heb 7). So He must have been King of Salem in Genesis. Jesus was also King over the Canaanites ! Satan has never been to hell and when he does go there at the Second coming it is to be beaten and thrown out of hell by the inhabitants thereof. (Is 14). The Bible says it took God Generations (Gen 2:4)- not just Seven days to create the earth. That means Evolutionists are right about the time span and method. Theologians misunderstood. God designed and guided

Evolutionary process is correct. Generations is to be noted. Where is Jesus? Whatever happened to the end time war between Christians and the U.S.S.R.? Did you know during Moses plagues the God of Israel turned Satans nation to look like frogs, bugs and lice etc. What did you think real demons looked like? Read this book for more.

Trapped Lori L. Stephens, 2011-03-07 At age 14, Lori Stephens was thrown out into the streets by her mother. This was the beginning of a life no one deserves to endure, ever. Through her struggle to stay alive, in a world she barely understood. Lori survived the next 30 years of drug and alcohol addiction, homelessness, rape, domestic violence, assault, conflict with the Law and jail. See how she was forced to resort to physical violence to stay alive. How she escaped with the courage and the will to stay alive, out of the toughest trap from which one might ever have to escape. And her heroism to help others do the same, are all described profoundly in this book, and can only inspire and encourage every person in their daily lives.

Muprey Diablo Marquise Boyd, 2022-07-22 Muprey Diablo is a man caught in a world of destruction, fighting his inner demons, friends, and enemies. It's been twenty-five years since he has opened up his memory bank and revealed secrets that may cause him to lose the lavish lifestyle that he has become accustomed to. Feeling rejected by his father, remorse for his mother and a half-sister that vowed to get severe revenge for the loss of the only love and being forced to raise their child on her own. Muprey can't escape from the past. It only hurts his future. His views are in plain sight, so you can visualize his pictures in words. I must confess, this book is not for everybody. Some of the situations that takes place are inspired by true events, and you should not judge the wild because you are so domesticated. This book sheds light on a careless man and woman and their kids that suffer the consequences for their action while he is at war with drug lord and Jamaican Gargamels. The deposits he made in his memory

bank will cloud his judgement and ambush his future. For every action, there is a reaction, that sets off a domino effect that he cannot control. Muprey Diablo: Blood Ink on Concrete is a mind-bending, action-packed thriller.
