You've Got 8 Seconds Paul Hellman, 2017-04-13 The average attention span has dropped to 8 seconds. To break through to people, you need to focus on your audience, be slightly different, and deliver with finesse. Every day at work, people do three things: talk, listen, and pretend to listen. Through fast, fun, actionable tips, You've Got 8 Seconds explains what works and what doesn't, what's forgettable and what sticks. With stories, scripts, and examples of good and bad messages, communications expert Paul Hellman reveals three main strategies: Focus: Design a strong message - then say it in seconds Variety: Make routine information come alive Presence: Convey confidence and command attention You'll discover practical techniques, including the fast-focus method that Hellman uses with leadership teams; how to stand out in the first seconds of a presentation; and 10 actions that spell executive presence. Whether pitching a project, giving a speech, selling a product, or just writing an email, You've Got 8 Seconds will make sure you get heard, get remembered, and get results.

Seconds David Ely, 1963 Seconds' protagonist (whom we know only by his adopted name of Wilson) procures the exclusive services of a mysterious organization, which, for a price, creates new lives for its customers. After carefully arranging the demise or disappearance of a client, this organization then surgically alters that client's appearance. After a long period of convalescence and physical training, the client is provided with a

new identity and alternative lifestyle. Most clients quickly adapt to their new lives, but some, like Wilson, have a harder time. Wilson longs for the life he gave up, but finds, upon investigation, that he is not really missed by his family and acquaintances. The organization, which depends upon secrecy for survival, cannot tolerate such backsliding and brings Wilson back into the fold. Eventually realizing that his old life is in fact over, Wilson blithely resigns himself to the new, only to discover he has forfeited both ... In the end, Wilson is locked away and euthanized as a failed project. This book was made into a movie starring Rock Hudson. --Henry A. Wagner & A Customer at Amazon.com.

**Sixty Seconds** Phil Bolsta, 2008-04-15 Spiritual awakenings, whether quiet and subtle or dramatic and breathtaking, are deeply personal events. More than half of us have undergone a spiritual transformation, each unique and life-changing. We may only have a moment or two to act or we may have a few months to sort things out. We may curse the gods or sink to our knees in gratitude. The circumstances vary but two things are certain. One, our life is about to change. And two, it's a day we will not soon forget. *Sixty Seconds* is an uplifting collection of intimate, heartfelt stories from prominent people who graciously share their personal experiences with the profound. Their moving, life-altering interviews powerfully illustrate that sacred moments of illumination and insight are available to us all.

Six Seconds Rick Mofina, 2018-12-17 Three strangers scattered across the

world become entangled in a terrorist plot of global proportions in “this well-crafted and timely thriller” (Publishers Weekly, starred review). An aid worker who lost her husband and child in a brutal attack saves the life of an American contractor in Iraq. Believing he can help her avenge her family’s deaths, she follows him back home to the United States . . . Meanwhile, a California soccer mom arrives to pick up her son from school, only to discover that her husband has taken their child and vanished without a trace . . . An off-duty cop in the Rocky Mountains rescues a little girl from a raging river moments before she utters her final words in his arms. Haunted by failure, he launches an investigation that leads him to a school in Montana, where time is ticking down on an event that will rewrite history . .

Piet Hoffmann is the Swedish police force's best undercover operative. Not even his family know of his double identity. But when a drug deal with the Polish mafia goes fatally wrong, his secret life begins to crumble around him. TWO MEN. Detective Inspector Ewert Grens is assigned to investigate the drug-related killing. Unaware of Hoffmann's true identity, he believes himself to be on the trail of a dangerous psychopath. Grens, he has just made the most relentless of enemies.

**30 Seconds** Sam,Bettina Giancana,2008-11-15 Marty English, advertising executive, seems to be leading the perfect life-no one knows that he is really the estranged son of Chicago's Mafia Don. When he pulls in a multi-million dollar account with Isaac Arrow Pharmaceuticals to promote its new herbal line, it looks like he's a shoe-in to replace the aging president of his agency. The only problem is that the ad must be completed for airing during the Superbowl, less than three weeks away-with practically no time to head to Belize and shoot a commercial that will highlight Isaac Arrow's ecological commitment. Unbeknownst to Marty, the heads of Isaac Arrow have long been in cahoots with the Mob, the CIA, and the heads of Planetlife, a bogus eco-resort that is really a front for the manufacture of a highly potent drug. When Tony Inglesia, Marty's father, refuses to go in on the distribution of this new drug, the others in the crime ring plan to eliminate this roadblock as soon as he relinquishes his CD-Rom disk which contains one third of the code necessary to access a Swiss bank account containing millions. But their plan is thwarted; Tony's right hand man murders his boss to get in on the action, and now all that matters to them is that they recover the disk (which is now, unmarked, with its significance unexplained, in Marty's possession). For the first time, Marty must depend on the help of a county cop, and his beautiful long-time companion Reiki to help him crack the mysterious code the disc contains and bring down the crime ring...and

stay alive in the process.

**29 Seconds** T. M. Logan, 2020-01-22 When Sarah Haywood rescues a young girl in trouble, she expects nothing in return. But her instinctive act of bravery puts her in the debt of a powerful and dangerous man, and he has other ideas. He lives by his own brutal code, and all debts must be repaid - in the only way he knows how. He offers Sarah a way to solve an impossible situation with her intolerable boss. A once-in-a-lifetime deal that could turn her life around and make all her problems disappear. No consequences. No comeback. No chance of being found out. All it takes is a 29-second phone call ... Because everyone has a name to give. Don't they?

**42 Seconds** Carl Medearis, 2018-04-17 The average length of Jesus' conversations as recorded in the Gospels was 42 seconds long. This is good news for all of us. It frees us up to talk about the most important part of our lives in a way that's natural, meaningful, and helpful instead of clumsy, awkward, and irrelevant. Anyone who has spent countless uncomfortable hours walking from house to house with a clipboard or flash cards that talk about four spiritual laws understands. Jesus' conversations were remarkably simple. Contemporary Christian lingo has set up a dichotomy between what we call "discipleship" and "evangelism," but the Bible doesn't do that. Jesus had conversations all the time with those who thought they were close to God, as well as with those who deemed themselves lost and without hope. He invited

all of them to come and learn from Him. 42 Seconds is a simple book that uses the ordinary moments of our lives the way Jesus used the same moments in his own. The premise is straightforward: If we can learn from Jesus how to have great conversations, it will change our lives and the lives of those around us. Its four-part structure, including five short chapters per section, is for churches and small groups to engage with the practical ideas together. 42 Seconds includes discussion questions to help groups and individuals implement Jesus' natural rhythm of interaction in their own lives.

**10 Minutes 38 Seconds in This Strange World** Elif Shafak, 2019-09-24  
Shortlisted for the 2019 Booker Prize Named a Best Book of the Year by Bookpage, NPR, Washington Post, and The Economist A moving novel on the power of friendship in our darkest times, from internationally renowned writer and speaker Elif Shafak. In the pulsating moments after she has been murdered and left in a dumpster outside Istanbul, Tequila Leila enters a state of heightened awareness. Her heart has stopped beating but her brain is still active-for 10 minutes 38 seconds. While the Turkish sun rises and her friends sleep soundly nearby, she remembers her life-and the lives of others, outcasts like her. Tequila Leila's memories bring us back to her childhood in the provinces, a highly oppressive milieu with religion and traditions, shaped by a polygamous family with two mothers and an increasingly authoritarian father. Escaping to Istanbul, Leila makes her way into the sordid industry of sex trafficking, finding a home in the city's historic

Street of Brothels. This is a dark, violent world, but Leila is tough and open to beauty, light, and the essential bonds of friendship. In Tequila Leila's death, the secrets and wonders of modern Istanbul come to life, painted vividly by the captivating tales of how Leila came to know and be loved by her friends. As her epic journey to the afterlife comes to an end, it is her chosen family who brings her story to a buoyant and breathtaking conclusion.

15 Seconds Andrew Gross, 2012 Dr Henry Steadman has it all: a booming business, a daughter he loves, and plenty of time to enjoy life. But while visiting upstate Florida, a police-stop ends in the shooting of a local cop - with Henry as the prime suspect. Framed for a second murder, this time of a close friend, Henry goes on the run.

18 Seconds George D. Shuman, 2007-03-27 A blind psychic with a remarkable gift--she can see the last 18 seconds of a murder victim's life--helps a newly minted female police lieutenant hunt down a brutal serial killer in this gripping debut thriller.

**Seconds** Bryan Lee O'Malley, 2014 'Seconds' is a complex and novelistic standalone story about a young restaurant owner named Kate who, after being visited by a magical apparition, is given a second chance at love and to undo her wrongs. Review: Advance praise for Seconds In Seconds, Bryan Lee O'Malley plays the angst of youth against the fabric of a larger epic. In doing so, he enriches both. A great ride - Guillermo del Toro Bryan Lee O'Malley's Seconds

is adorable, haunting, funny, and beautiful. A perfect recipe for a great graphic novel. - Scott McCloud, author of Understanding Comics
