**Tap Tap and Grind** Dr Samuel Schlesinger, 2021-07-02 Have you ever wondered why we are so quick to visit our doctor's office when something feels off or we see something that looks strange? Why then do we tend to brush things off (pun intended) when something is off with our oral health? It's probably because we don't know what we're looking for! Dental education is not taught in school, not passed down from our parents and there just isn't enough time to reinforce it at the dental office. This book will give you everything you need to know so you are prepared to take control of your oral health. No more mysteries or fear of the unknown. Going to the dentist will finally be something you look forward to!

Skagboys Irvine Welsh, 2012-09-17 Chronicles the misadventures of Mark Renton and his friends as they cope with economic uncertainties, family problems, drug use and the opposite sex in 1980s Edinburgh in this new novel from the author of *Trainspotting* and *Filth*.

*Tap Dancing on the Roof* Linda Sue Park, 2007-10-15 A *sijo*, a traditional Korean verse form, has a fixed number of stressed syllables and a humorous or ironic twist at the end. Like haiku, *sijo* are brief and accessible, and the witty last line winds up each poem with a surprise. The verses in this book illuminate funny, unexpected, amazing aspects of the everyday--of breakfast, thunder and lightning, houseplants, tennis, freshly laundered socks.

Carefully crafted and deceptively simple, Linda Sue Park's sijo are a pleasure to read and an irresistible invitation to experiment with an unfamiliar poetic form. Istvan Banyai's irrepressibly giddy and sophisticated illustrations add a one-of-a-kind luster to a book that is truly a gem.

*The Tapping Solution* Nick Ortner, 2013-04-02 Nick Ortner, founder of the Tapping World Summit and best-selling filmmaker of *The Tapping Solution*, is at the forefront of a new healing movement. In his upcoming book, *The Tapping Solution*, he gives readers everything they need to successfully start using the powerful practice of tapping – or Emotional Freedom Techniques (EFT). Tapping is one of the fastest and easiest ways to address both the emotional and physical problems that tend to hamper our lives. Using the energy meridians of the body, practitioners tap on specific points while focusing on

particular negative emotions or physical sensations. The tapping helps calm the nervous system to restore the balance of energy in the body, and in turn rewire the brain to respond in healthy ways. This kind of conditioning can help rid practitioners of everything from chronic pain to phobias to addictions. Because of tapping's proven success in healing such a variety of problems, Ortner recommends to try it on any challenging issue. In *The Tapping Solution*, Ortner describes not only the history and science of tapping but also the practical applications. In a friendly voice, he lays out easy-to-use practices, diagrams, and worksheets that will teach readers, step-by-step, how to tap on a variety of issues. With chapters covering everything from the alleviation of pain to the encouragement of weight loss to fostering better relationships, Ortner opens readers' eyes to just how powerful this practice can be. Throughout the book, readers will see real-life stories of healing ranging from easing the pain of fibromyalgia to overcoming a fear of flying. The simple strategies Ortner outlines will help readers release their fears and clear the limiting beliefs that hold them back from creating the life they want.

Claude wants to join Papa, but Claude has classes at school and chores at home... On Sunday, Manman and Papa have a surprise for Claude—a ride on the tap tap! They go to the beach, where they meet a lady selling mangoes, a fisherman, a straw-hat maker, a steel drummer, and an artist. They show Claude how to fish, make hats, play the drums, and paint. **The Shape We're In** Sarah Boseley, 2014-06-24 This demonization of the overweight by the media and politicians is unrelenting. Sarah Boseley, the Guardian's award-winning health editor, argues it's time we understood the complex reality of what makes us fat. Speaking to behavioural scientists and industry experts, yo-yo dieters and people who have gone under the knife, Boseley builds a picture of an obesogenic society - one where we're constantly bombarded by the twin evils of big budget food marketing and the diet industry. Filled with in-depth, original reporting, Boseley reveals just how widespread the problem is - 1 in 4 of us are obese - and makes the case that it is time to fundamentally change the way we live. *The Shape We're In* is essential reading for anyone interested in their health and the health of their children.

Mistletoe Melody: Former musician, Melody Staff, spends Christmas at a bed and breakfast in the village of Mistletoe Meadows. While everyone sings familiar carols of Christ drawing near, Melody stumbles over misplaced notes. Her recent diagnosis of Multiple Sclerosis has scared off her fiancé and thrust her life into a grand pause. She's not sure her heart will ever sing again. Quentin Oxford has endured a devastating year. His preteen daughter suffered a stroke, and they've grieved his wife's sudden death, but the Lord coaxes a surprising refrain from Quentin's heart as God rewrites his and Melody's score into a holiday love song that will last for

Christmases to come. Mistletoe Mission: While her own relationships always end up doomed, Emily Colt is still determined to create happily-ever-afters through her wedding and event planning business. In hopes of expanding, she enters her latest project--staging the Christmas wedding of the year--into a town-wide contest. But between crossing paths with the first man to break her heart and dodging a saboteur, she doubts success is within her grasp. Jilted pastor, Luca Wilson, fled to the mission field to escape a broken heart. All the hurt rushes back when he returns home to officiate his cousin's wedding, and he finds Emily--the girl to whom he once promised forever--organizing the celebration. Despite Luca's lost faith in love, their unforeseen reunion rekindles a spark, and Luca vows to help Emily save her struggling business. But to succeed, they will have to learn what it means to trust each other and believe in the God of Christmas miracles. Mistletoe Movie Star: Mistletoe Meadows is built around the magic of Christmas. As jingling sleighs cart rosy-cheeked lovers around the Mistletoe Mile, Charlene's holiday dream is more complicated than photo-edited perfection. She proposes a compassion ministry initiative called the Gingerbread House but struggles to convince the town that their need for a homeless shelter is real. Famous for his made for T.V holiday movies, Jonas longs for a happily-ever-after that isn't as neat and tidy as his scripted films. Partnering with Char to champion her ministry invigorates him with a new purpose and provides an excuse to spend time with the girl he never forgot. But when they embrace three young sisters

fighting to stay together while living on the streets, their project becomes deeply personal. Together, they must prove to a town reluctant to see anything other than holiday perfection that the greatest gift of the season isn't found under a tree.

**Annie's Girl** Maureen Coppinger, 2011-03-04 The shocking but ultimately uplifting life story of an Irish woman who endured 13 years of cruelty and injustice in an orphanage Maureen Coppinger's earliest memory is of watching the woman she believed to be her mother walk away and abandon her to the care of the nuns at one of Ireland's notorious industrial schools. She was just three years old. She remained in the orphanage until the age of 16, subjected to cruelty and neglect, and starved of love and affection. It was an environment from which no one emerged unscathed. Throughout these tormented years, Maureen dreamed only of escape, and when she was contacted again by her mammy she believed all her dreams were about to come true. Life in the outside world brought its own challenges, however, and Maureen was thrown into turmoil when she discovered that the truth about her past was more murky than she had ever realised. *Annie's Girl* stands apart as a poignant testimony to the resilience of the human heart. This touching and evocative memoir is the incredible story of an illegitimate industrial-school survivor's profound struggle to overcome a shame-filled past and solve the mystery of her origins. Maureen Coppinger emigrated to Canada in 1955, where she married and raised three sons. She worked as a school secretary for 25 years before

retiring in 1994 and now spends her leisure time as a volunteer for the Galway Association.

*Lying Beneath the Virgin* C. W. Wilson, 2011-07-13 WARNING: CONTENT MAY BE DAMAGING TO RELIGIOUS BELIEFS In 1995, C.W. Wilsons life was changed forever when he discovered satanic iconography veiled in the Catholic Churchs venerated Our Lady of Guadalupe. He shares this insight in a new novel inspired by actual events. The leaders of the most powerful religion in the world are not who they claim to be... And they have a secret. In the shadowed underworld of the illegal narcotics trade, Kentucky, a seemingly normal young man of questionable morals and principals, unwittingly discovers a blasphemous subliminal image in one of the worlds most beloved icons, and his search for answers uncovers a deception so malevolent it could destroy the very foundation of Christianity. In a world void of physical and mental limitations, Kentucky struggles to come to grips with Christianitys darkest and most closely guarded secret. Will the promise of an eternal life in heaven still hold sway once the world discovers death is merely an option?
