Instant Messaging Abbreviations, Texting and Emoticons Speedy Publishing, 2014-05-03 Instant Messaging Abbreviations, Texting and Emoticons are all used much more in today's communication. This allows for quick contact with shortened words with meanings longer than the word is portrayed. Texting allows easy communication and is not time dependent. This allows for one to respond whenever available to do so. Whereas on the telephone, you must find a time when both are available to talk at the same time. Emoticons allow to show emotions through text messaging. This benefits a majority of people today as this allows for easier communication to get ahold of someone as time persists.

But when Michael's older brother gets into a car accident while texting, they suddenly realize how important their assignment actually is. Michael asks Mr. Trigg if he can write an additional sidebar to their article, and when the next issue of the Cherry Valley Voice comes out, the whole school is buzzing.
