

Touristic

CPA John Kimani ,Dr. James Scott

Bali Michel Picard,1996 Celebrated for the richness of its artistic and religious traditions, the island of Bali has made its distinctive culture the brand image of its tourist product. This has aroused fears among foreign observers and indigenous authorities alike, who wonder whether Balinese culture will survive the impact of tourism. The author also explores how tourism has contributed to the shaping of modern Balinese culture. An in-depth collection of tourism brochures, advertisements, postcards, newspaper cartoons, tourist snapshots, and fine art illustrate this analysis of not only has viewed Bali but also how the their visitors and the tourist industry.

The Touristic Use of Ayahuasca in Peru Tom John Wolff,2020-02-07 This book covers the psychedelic ayahuasca tourism in Peru, with its facet-rich psychological, pharmacological, anthropological, and sociological aspects. The reader gets an interdisciplinary insight into the historical development and the current state of ayahuasca research. Findings from three empirical studies are presented, which the author has won in a 4-year field research: How do common standards develop in this particular form of psycho-spiritual tourism? Why are people from developed nations and urban centres heading to the Amazon to ingest the psychedelic beverage Ayahuasca? How do they experience such ceremonies and retreats? Which insights, personal meaning and effects do they gain and how do they integrate their experiences into the everyday life?

Touristic World-Making and Fan Pilgrimage in Popular Culture Destinations Vassilios Ziakas,Christine Lundberg,Maria Lexhagen,2024-02-13 This volume considers world-making as the intersection of the fan pilgrimage experience and the responses of destinations. It critically examines the emerging field of popular culture tourism and its close connection with fan studies and placemaking. The chapters illustrate how different destinations capitalise on expressive cultural practices to attract fan tourists, the processes involved in their tourismification, and the outcomes for both visitors and local communities. The book establishes a common ground for the comprehensive and critical study of popular culture tourism development and fandom. It integrates theory and practice and provides evidence-based recommendations for popular culture destinations. It is a useful resource for researchers in tourism management, fandom, pop culture and media studies, as well as for those working in the tourism industry.

This was an architectural programme in tourism, architecture, landscape and construction. Its objective was to produce innovative thinking to meet the challenges of the new tourism modalities in order to plan how to integrate the territory into a low impact territorial project. \n \n \n

Economic, Educational, and Touristic Development in Asia Christiansen, Bryan,Sezerel, Hakan,2020-02-07 The progression of the independent states that were created after the collapse of the Soviet Union has become a prevalent area of research as these countries continue to make infrastructural strides. These regions possess vastly desirable natural resources including oil, gas, and minerals, causing this section of the world to have rising global importance as they continue to improve their economy, educational systems, and tourism industries. Economic, Educational, and Touristic Development in Asia is a pivotal reference source that provides a thorough examination of the contemporary progression of several recently formed countries within Central Asia. While highlighting topics such as hospitality marketing, anti-corruption reform, and entrepreneurship, this publication explores the technological, educational, and security enhancements being made in these areas, as well as how this region can strengthen its prosperity by strategically utilizing their globally-coveted natural resources. This book is ideally designed for economists, higher education faculty, provosts, chancellors, scholars, practitioners, policymakers, business professionals, marketers, restaurateurs, hotel managers, tour developers, travel agencies, government officials, strategists, educators, researchers, and graduate students.

New Governance and Management in Touristic Destinations Valeri, Marco,2021-12-24 As competition is increasingly taking place on a global scale, tourist destinations must act more like businesses than they have in the past. Development in the tourism sector has often been beset by ambiguities and contradictions and has been the subject of debate across a range of disciplines in terms of its sustainability and level of social commitment. New Governance and Management in Touristic Destinations analyzes the most proper governance model to be implemented to increase the competitiveness of tourist destinations. It also focuses on the need to develop a managerial orientation capable of making the tourism system interact with tourism demand. Covering topics such as electronic word of mouth, gastronomic tourism, and sustainable development, this book is essential for practicing hospitality and tourism managers, professionals in the hospitality and tourism industry, specialists and consultants, government officials, researchers, educators, academicians, and students.

Borat Ant Hines,2007 CONTAINS ALL NEW MATERIAL BORAT: TOURISTIC GUIDINGS TO GLORIOUS NATION OF KAZAKHSTAN JAGSHEMASH! WELCOMES IN KAZAKHSTAN! Containings many many photographs never before looked upon and writings of most splendid caliber, this book really is a very nice!

Scripted Journeys Tom Nuenen,2021-09-07 The ubiquity of computation in daily life has had decisive influence on the imaginative aspects of tourism. Online knowledge of the world is readily available through mapping services, social media, travel blogs, and online reviews. From booking and Googling, to posting and reminiscing: all stages of one’s trip can be guided and augmented by increasingly connective, personalized, and optimized algorithmic systems. In the face of this informational abundance, hypermediated tourism is fixated on access to authenticity. Peer to peer accommodation offers tourists a chance to live like a local. Professional bloggers instruct not just on where, but on how to travel. Review websites aggregate the feedback of millions into objective, data-driven authentication of destinations. And virtual technologies take users to places they could not dream of reaching physically. Based on a comparative ethnography of touristic blogs and vlogs, review websites, and video game environments, Scripted Journeys presents a critical analysis of touristic practice in digital ecologies. This hypermediated tourism engages technology as a harbinger of self-possession and waywardness, yet produces its own forms of digital dependence. The resulting scripted journeys internalize a tension between authenticity as autonomy and control, and the implicit compliance of making use of technological extensions.

Travel to Tobago, a New Touristic Environment [Part One] Ifeanyi Hart,2020-08-10 Travel to Tobago, a New Touristic Environment. Touristic Information This beautiful and rugged island of the Caribbean (with an area of about 300 square kilometres) lies in front of the delta of the Orinoco River. Its position is a rather strategic one. Indeed, from here one can dominate the coasts of Venezuela as well as that of Guyana and also the Caribbean Sea. Tobago is also full of good bays for anchorage. For these reasons this island was disputed by several European powers in the seventeenth century. Tobago was discovered by Christopher Columbus (Cristoforo Colombo) in 1498, but Spain was not interested in the island until 1614 when Juan Rodriguez made a colonizing attempt which he abandoned after four months

Touristic Romania ,1999

Borat Ant Hines,Borat Sagdiyev,Sacha Baron Cohen,2008-02-05 Filled with never-before-seen photos of Borat and tons of original material, this four-colour romp through both America and Kazakhstan is laugh-out-loud funny, gloriously shocking and never knowingly politically correct.

Progress in French Tourism Geographies Mathis Stock,2021-01-06 This book provides an overview of the recent progress in Francophone tourism geography. It focuses on the theoretical advances in social and cultural geography, whereby the symbolic dimensions of tourism and the creation of tourism worlds are key. It puts forward the tourist conceived as mobile, situated, skilled, reflexive inhabitant of places, which gives all its meaning to the expression “inhabiting touristic worlds”. More specifically, this book addresses numerous rarely addressed issues such as the geo-history of tourism, the material cultures of tourists, the digitality and disconnection from digital technologies in National Parcs or the use of knowledge of tourists in metropolises. It gives insights in the specific Francophone approaches such as inhabiting, the urbanity of tourist resorts and the notion of territory in tourist studies. Finally, it provides an overview of the urban dimensions of tourism, place-making in the form of heritage, oasis tourism, sports tourism, production of space in Mexican resorts. As such, the book provides a key read for academics, students and professionals in tourism studies and tourism geography in search for alternative approaches.

St. Simons Island Travel Guide, USA Roman Reynolds,2019-12-04 St. Simons Island Travel Guide, USA. The History, and Touristic Information. The largest barrier island in the Golden Isles, St. Simons Island lies across the immortalized Marshes of Glynn, made famous by poet Sidney Lanier. Moss-draped oaks line the winding island streets, creating a picture-perfect image worthy of a Faulkner tale. The island's villages offer a charming and unique selection of shops, breathtaking beaches, fascinating museums, and challenging golf courses. St. Simons Island also hosts unforgettable events and is home to a variety of arenas for outdoor adventure, with plenty of things to do like kayaking, fishing, biking, and tours. You'll also find exceptional restaurants throughout the island that will give you a true taste of St. Simons. A variety of accommodations from friendly inns to luxurious resorts round out the island's warm welcome, giving it the claims to fame that have attracted vacationers and groups for generations. Explore the variety of hotels and lodging options and view current specials and packages before booking your St. Simons Island getaway

Borat Ant Hines,2007

The Making of Heritage Camila Del Marmol,Marc Morell,Jasper Chalcraft,2014-11-20 This volume explores the process of heritage making and its relation to the production of touristic places, examining several case studies around the world. Most existing literature on heritage and tourism centers either on its managerial aspects, the tourist experience, or issues related to inequality and identity politics. This volume instead establishes theoretical links between analyses of heritage and the production and reproduction of places in the context of the global tourist trade. The approach adopted here is to explore the production of heritage as a complex process shaped by local and global discourses that can have a deep impact on several policies and legislations. Heritage itself has now become not only a global discourse, but also a global practice, which may eventually lead to the use of heritage as a field for hegemony. From these perspectives, heritage making may be incorporated in the world economy, mainly through the global tourism trade. The chapters in this book stress the need for identifying the intrinsic political implications of these processes, relocating their study in political, economic and social settings. Combined with a diversified set of theoretical approaches and research methods, guided by a common thematic rationale, The Making of Heritage is at the forefront of current debates about heritage.

The Influence of the Tourist Industry and Municipality on Cultural Changes Nora Görne,2011-08-30 Essay from the year 2010 in the subject Geography / Earth Science - Tourism Geography, grade: A, Utrecht University (Roosevelt Academy), language: English, abstract: That tourism flows pollute the local culture1 and degrade the authenticity of a location (Desforges 517-518) has almost become a truism. In fact, as Coleman and Crang observe such critiques are as old as tourism itself (qtd. in Desforges 522-524) and are linked up with a wrong understanding of places – at least from a human geographical point of view. If detractors state that a locality has become “inauthentic” under touristic influence than in reverse it must have been “authentic”, meaning genuine, unaffected and stable, before travelers visited it and brought their own culture. In contrast there is basically no place which developed without the influence of travelers. As Doreen Massey notes a place is not the way it is because of internal characteristics but because of global linkages (qtd. in Crang 45-49) and as Desforges adds “tourism and travel are merely a new form of interconnection between places” (523). For instance

the Dutch city Middelburg gained some of its today's distinctive appearance and character by the slave trade and the resulting prosperity some hundred years ago (Encyclopædia Britannica). As Greenwood concludes “some of what we see as destruction is construction” (182). However, distinctive local traditions like certain ceremonies can change or even lose not only their original meaning but also the sense for residents under the influence of mass tourism (Hall and Page 122; Greenwood 181-182). One example for such a change of meaning can be seen in the development of the wine festivals in the Palatinate in Germany which will be examined later.

This book delves into Touristic. Touristic is an essential topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into Touristic, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Touristic
 - Chapter 2: Essential Elements of Touristic
 - Chapter 3: Touristic in Everyday Life
 - Chapter 4: Touristic in Specific Contexts
 - Chapter 5: Conclusion
2. In chapter 1, the author will provide an overview of Touristic. This chapter will explore what Touristic is, why Touristic is vital, and how to effectively learn about Touristic.
3. In chapter 2, the author will delve into the foundational concepts of Touristic. This chapter will elucidate the essential principles that must be understood to grasp Touristic in its entirety.
4. In chapter 3, this book will examine the practical applications of Touristic in daily life. The third chapter will showcase real-world examples of how Touristic can be effectively utilized in everyday scenarios.
5. In chapter 4, this book will scrutinize the relevance of Touristic in specific contexts. This chapter will explore how Touristic is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about Touristic. This chapter will summarize the key points that have been discussed throughout the book.

This book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Touristic.
