Camara M. Bragdon

**Undead Ed Rotterly Ghoulstone**,2012-08-16 When Ed Bagley wakes up in a yucky sewer --and discovers he's a zombie-- things can't get any weirder! That is, until his evil arm scurries off his shoulder and into the town of Mortlake to cause all sorts of trouble. Un-armed and dangerous, Ed teams up with his werewolf buddy Max Moon to track down his rogue limb and save Mortlake from the evil at the center of it all. This formerly unlucky kid is out to prove he really is all guts! But when he's faced with gross ghouls, wormy wraiths, freaky fat babies, and some seriously sinister clowns, will Ed and his undead friends have enough skin on their bones to save the day? Or will this arm-y prove too tough to hand-le? hilariously illustrated zombie antics make this the perfect next book for fans of Zombiekins!

All My Friends are Zombies! By: Matthew Sebert,2013-06-07 Have you ever wondered if there was more to the walking dead? Those creatures aimlessly wandering the streets of a post apocalyptic world, searching for that sweet fresh flesh. Are their thoughts limited only to that one thing we all know

they crave? Or is there to the Zombie than meets the eye? All My Friends are Zombies aims to give an in depth look at the Zombie as an individual. Complete with original detailed illustrations, All My Friends are Zombies paints the picture of what life is like for the living dead.

**Better Off Undead** James Preller, 2017-10-31 After becoming undead, a boy tries to survive middle school. Adrian Lazarus has met with a curious fate. He's returned from the dead (after a bad bike accident, no helmet), yet not a lot has changed. He's always been an outcast. But it's not just being a zombie that makes Adrian feel different. He notices the world has changed, too: bees are vanishing, forest fires are burning, super-flus are spreading. The holographic advertisements in the night sky assure people that all is well. Adrian and his friends – a beekeeping boy, a mysterious new girl, and a seventh-grade sleuth – aren't so sure. When they discover a birdlike drone has been spying on Adrian, the clues lead to two powerful corporate moguls. What do they really want? James Preller brings his singular humor to Better Off Undead, a middle-grade zombie story that's about fitting in as much as it's about the end of the world. This title has Common Core connections.

**Friend of the Undead** Camara M. Bragdon, 2009-07-08 Reading the minds of the undead is hard enough for Shelly Anderson, a librarian in the magical land of Zephyr, but she has lots of friends who help her out. Especially, her best friend, the very sexy vegetarian vampire, Eddie Van Helsing. But when the vampire decides to help an old friend nab a mob boss, known as the Chairman, he unwillingly gets Shelly involved. Can they avoid the mobster's henchmen without getting the police too involved? As if this isn't enough for Shelly, she finds herself falling in love with Eddie, but the vampire can block her mind reading attempts, and what are Eddie's true feelings toward Shelly?

**Night of the Living Zombie Bugs** Dave Coverly, 2017-10-24 Now that they are Eagle Scouts, Speed Bump and Slingshot must summon the courage to face the zombie bugs infesting their forest.

My Secret Undead Friend Josette Valentino, 2014-07-22 Johnny Nelson, a sixth grader at Green Oak Middle School in Alabama, is totally bummed when his birthday / last day of school party gets washed out. His best-friend Willy is going to baseball camp this summer, and his neighbor Allie, is moving. Just when he was ready to hide in his room all summer and do nothing, his new neighbor

moves in. Now Johnny's summer just went from boring to.....DEADLY!

*Undead with Benefits* Jeff Hart, 2014-08-26 With its heartwarming blend of guts, romance, and humor, this road trip-ready sequel to *Eat, Brains, Love* is *The Walking Dead* meets John Hughes. Jake and Amanda are in love, on the run—and undead. They've picked up a new psychic friend, ex-government-zombie-hunter Cass, and are making a break for Iowa, where a cure for the rapidly spreading zombie virus is rumored to be waiting. But in order to find it, they have to contend with an unlikely undead warlord, ghoul-infested cornfields, a psycho psychic out for blood, and their own super-awkward love triangle—all before Iowa goes up in flames. Every reader with a pulse (or without one) will devour Jeff Hart's surprisingly romantic and laugh-out-loud funny take on friendship, love, and finding the meaning of (un)life in an eat-or-be-eaten world.

*Undead* Kirsty McKay, Amy Shindler, 2012-09-01 When their ski-coach pulls up at a cafe, and everyone else gets off, new girl Bobby and rebel Smitty stay behind. They hardly know each other but that changes when through the falling snow, they see the others coming back. Something has

happened to them. Something bad... Soon only a pair of double doors stand between those on the bus and their ex-friends the Undead outside. Time to get a life.

*Finder's Bane* Kate Novak, Jeff Grubb, 2012-10-16 When Joel became a priest of the new god Finder, he knew it meant forfeiting the honor and security of his position as a master bard. Now his freedom and his very life are at stake as powers of evil embroil the priests of Finder in a struggle against a plot to resurrect the dead god Bane. With his only allies the young freedom fighter Holly Harrowslough, the mysterious winged woman Jas, and the aging priest Jedidiah, Joel embarks on a mission to recover the Hand of Bane. His quest leads him from the Realms all the way to the extra-planar city of Sigil. There Joel must rely on all his courage, wisdom, and strength to thwart the return of Bane the Tyrant and rescue the god Finder from imminent death. *Finder's Bane* is the fifteenth in an open-ended series of novels focusing on the Harpers, the secret organization for Good in the Forgotten Realms fantasy world.

**You are So Undead to Me** Stacey Jay, 2009 Megan Berry, a Carol, Arkansas, high school student

who can communicate with the Undead, must team up with her childhood friend Ethan to save homecoming from an army of flesh-hungry zombies.

**OMG, Zombie!** Emma T. Graves, 2018-08 The first mistake twelve-year-old Tulah made was allowing her best friend, Nikki, to dare her into auditioning for the school musical, the second mistake she made was eating the Friday mystery lunch in the school cafeteria; now she finds herself turning into a zombie, with a craving for raw meat, and a body that feels stiff and awkward--but she still has to go through the audition on Thursday, and stage fright will be the least of her problems.

**My Best Friends Are Dead** Daniel Waters, 2016-06-01 I see dead people...and so does everyone else, because more and more teenagers who have returned from the grave are converging on the small town of Oakvale, Connecticut, inspired by the words the voice of Generation Dead, Tommy Williams, writes on his blog [MySoCalledUndeath.com](http://MySoCalledUndeath.com). Tommy's people-Mal, Karen, Sylvia, Takayuki, Tayshawn, Colette, Popeye, Melissa and the gang at the Haunted House-aren't zombies that want to eat your brains or feast on your entrails, they just want to do the same things everyone else does-

create, make friends, play sports, have fun, fall in love-live. But not everyone in Oakvale-especially Reverend Mathers and his flock at One Life Ministries-is willing to stand idly by and let them do any of those things. Not when so many members of the community would approve of the undead being reterminated and sent back to the graves they worked so hard to climb out of... Generation Dead Book 4: My Best Friends Are Dead contains, for the first time in print: The collected My So-Called Undeath blog Generation Dead: Stitches Three brand new Generation Dead stories, and one new bonus story set in the world of Break My Heart 1,000 Times

My Zombie Best Friend Terry Lowell,2017-06-28
