Young Gunz Al-Sadiq Banks,2013-07-01 The teen years of a person's life are the most impressionable years of their life. Most of the time what they see and or surround themselves with is what they become and Wustafa knows this which is why he chose all teen-agers to serve in his army. 40 year old Wustafa, a career criminal has been in and out of jail since the age of 11. Wustafa accepts prison as the repercussions of his mistakes. He views it as a part of the game. Quite different from most inmates who sit back wishing they were on the outside, Wustafa uses his time to his advantage. He passes his time by studying, strategizing and planning his next attacks. All of his life he's been a solo act, a one man army who has singlehandedly robbed and extorted some of the wealthiest drug dealers in the city. After sitting on ice for 15 years straight, Wustafa had more than enough time to come up with a master plan. He's decided to give up his solo identity and sign on to a group; not just any group though. In this group he will be the leader. Not only does he lead, he also molds this crew of innocent teen-agers into stone cold killers. Catching these teens at such a young and naive time in their lives makes his job that much easier. He's able to take control of their minds and have them obey his every command. Wustafa understands, the stronger his leadership skills are, the stronger his army will be and the more money they will be able to obtain. The streets of Newark, New Jersey will never be the same as long as Wustafa and his Young Gunz are running wild.

Letters to Young Black Women Meriqua Whyte,Daniel Whyte, III,Daniella Whyte,2008-02-25 Daniel Whyte III never intended to write a book to young black women. He believes, according to the Scriptures, that the older women should teach the younger women. However, after Letters to Young Black Men: Advice & Encouragement for a Difficult Journey became a bestselling book, readers requested that Whyte write a book for young black women as well. He prayed about it and was led to do so. Regarding the purpose of this book, Whyte states: This book is more about prevention than it is about healing. There are many other great men and women of God who are doing great work in the healing and restoration department for young black women. I believe that many of the problems that young black women are dealing with today can be prevented from happening in the first place. I also believe that in order for young women to be victorious in this life, they must operate from a position of strength and power. This book will empower them to win against their enemies: the devil, sorry men and even themselves. I hope that they will read it and never live a defeated life again. Daniel Whyte III writes a heartfelt book to his daughters and to other young black women, on the various issues of life that they face today. Whyte actually commenced the writing of this book from his hospital bed during a routine stay for chest pains. Symbolically, if Daniel Whyte III were on his deathbed, the words contained in this book are those that he would say to his six daughters. Written just for the young black woman in your life, whether you are a father, mother, grandparent or Sunday school teacher, Letters to Young Black Women is overflowing with loving, fatherly, advice and encouragement for a difficult journey.
