Photoshop Elements 15 Tips, Tricks & Shortcuts in easy steps Nick Vandome, 2017-03-24 Photoshop Elements is well established as the premier consumer photo-editing software, and the

latest release is Photoshop Elements 15. This enhances the software's reputation as a powerful and easy-to-use option for photo-editing, with a range of features for editing and creating photo effects and also a powerful Organizer for managing your photos. Photoshop Elements 15 Tips, Tricks and Shortcuts in easy steps not only offers a comprehensive guide to getting up and running with the software, but goes further: providing a wealth of detail in ways to progress to more advanced photo-editing and also find some of the hidden secrets of the software. Although the book looks at some of the ways you can expand your photo-editing exploits, it does not forget new users or anyone who wants to brush up on the basics, including: Navigating around Elements: including using the Expert Edit mode, the Expert Toolbox, Panels, Menu Bar, Preferences and the Organizer workspace. Organizing images: downloading images, viewing and organizing them using the People, Places and Events views, and using albums and folders. Standard image editing techniques: color enhancements, cropping, cloning, using the healing brush, rotating, transforming, magnification and using the eraser tools. Using "Quick Wins" for removing unwanted objects, removing red-eye, changing photos to black and white, enhancing images and Photomerge options. Using "Guided Edits" to create special effects such as Zoom Burst and Depth of Field. Using Text and Drawing tools, to add, format, edit and customize text. Sharing your photos in a range of formats and styles, such as photo books or cards. Printing your images in a variety of formats. In addition, the book covers some more advanced areas, including making selections, layers, handling RAW images, curves and using the histogram. It also looks at some of the new features in Elements 15: Editing and enhancing facial expressions. Creating breathtaking text from a photo. Producing eye-catching collages, complete with a range of effects. Adding motion blur to the background of photos. Creating works of art with paint effects, textures and themes. Using Smart Tags to find photos. Reducing camera shake or haze in a photo. Photoshop Elements 15 Tips, Tricks and Shortcuts in easy steps covers versions for both PC and Mac users, and has something for everyone: an in depth introduction for new users, and a range of options for those who want to take their photo-editing to the next level. Throughout, there are hundreds of tips and handy hints so that you will feel like an Elements expert in no time.

Photo Editing Margaret Brown, 2016-07-21 Photo Editing is filled with concise, easy to follow advice on everything from the basics of fixing and optimising your photos, through to special tricks, editing raw files, and how to prepare your best shots for large, high-quality prints. This handy guide explains how all image editors provide a workspace with menu bars and toolbars for accessing the adjustments. Although their layout may be a little different, in essence most of them operate similarly and are easy to use. Photo Editing shows you the best ways to adjust and optimise your photos, including how to resize, crop, retouch, convert to monochrome, fix contrast, brightness, colour, use layers, filters, and effects. This guide shows you how to take control of the many ways to improve and perfect your photos.

Professional Image Editing Made Easy with Affinity Photo Jeremy Hazel, 2023-05-31 Utilize Jeremy Hazel's vast Affinity Photo expertise to confidently solve problems in your photo edits by understanding the workflow structure and arming yourself with the most effective photo editing techniques in Affinity Photo. Key Features: Learn to use masking, selection, brushes, blend mode, and color tools in the photo editing workflow. Unveil advanced personas used in the editing pipeline like tone mapping, liquification, and more. Create your own brushes and build your artistic pallet in Affinity Photo. Book Description: In this book, you'll explore the Affinity Photo program through practice-based learning as you make popular photo edits, learning the tools and techniques in conjunction with the workflow concept. Instead of comprehensive description of the tools, you'll learn through practical application and understand why they work, not just how they work. This is neither a technical manual nor a workbook but a project-based hybrid approach that provides a deeper understanding of how to use each tool to achieve your goal. Starting with the fundamentals of navigating the interface, understanding layers, and making your first edit, this Affinity Photo book gradually increases the complexity of projects. You'll go from single-layer edits, composites, and RAW development to putting together a complex composition using the tools that you've learned along the way. Additionally, you'll learn the best practices used by expert photo editors for a flawless finish. By the end of this book, you'll have a good body of work, be able to evaluate the edits you want to make, and achieve desired results with Affinity Photo. What you will learn: Develop a repeatable methodology for use in your photo editing style. Understand the most frequently utilized techniques by professional editors. Compete a body of work for use and reference in future projects. Develop your own libraries of assets, macros and tone mapping presets for your style. Recreate popular editing styles utilized in print and film. Recondition older family photos. Understand and deconstruct other editing styles to expand your knowledge. Who this book is for: If you are a beginner to any form of photo editing or are a Photoshop user switching from Adobe, this book is for you. This book is also for small business owners who want to do brand-specific editing on stock photos but have limited experience in photo editing. Beginner-level editors, photographers, and people looking to get into product photography and advertising will be able to make the most out of this book.

Affinity Photo How To Robin Whalley, Are you ready to improve your skills and knowledge of Affinity Photo? If you ever find yourself wondering how to do something in Affinity Photo, then this book is for you. It doesn't matter if you are a novice or advanced Affinity user, you are likely to discover something you didn't know by reading this book. In *Affinity Photo How To* you will learn how to perform common tasks such as how to crop a photo, how to sharpen an image or how to create a mask. But in doing so you will learn much more than just a collection of simple techniques. Each chapter of the book focusses on a different activity, and using instructive exercises, explains how Affinity Photo works. Importantly, it links what might seem unrelated activities together, to build your understanding and editing skill in Affinity Photo. By the end of this book, you will find you are delving deep into Affinity Photo to perform tasks such as easily creating complex selections and masks. Here are just a few examples of what you will learn: · How to customise almost every aspect of the Affinity interface. · How to control the many different options when exporting an image, like colour space, bit depth and image resolution. · How to edit images using different colour formats for example RGB and CMYK, but how to do this without changing the image format. · How to easily add layer effects including shadows, outlines, and glows. · How blending modes work and how you can use these with different Affinity Photo tools like the Paint Brush. · How to use the Refine Selection dialog to greatly improve the accuracy of a selection automatically. What may seem like a simple topic will probably delve much deeper into Affinity Photo than you imagine. Accompanying the many exercises in this book are sample files. You can download these from the authors website, allowing you to follow along in your own copy of Affinity Photo. Packed with tips and advice, this book is a valuable resource for all users of Affinity Photo.
