The guest room is not up to standard for his mother-in-law, so Arch and Jug are recruited to give it a nice coat of paint. 022 Song of Solomon J.A. Roberts,2024-02-08 I feel this book of scripture is best looked at as a group of songs rather than one flowing song. There will be a lot of jumping back and forth between past and present through these different songs and story and I want to do my best to clarify that when we go through it. This book of the Bible is a very interesting one that looks deep between the relationship of the believer and Jesus Christ. Solomon is, of course, the writer (as we will see in a moment) and it is certainly something that is applicable for himself as he will be the shepherd that the Shulamite woman falls in love with. Solomon can do nothing but write about himself, seeing as this is what he was experiencing. The important thing to note and remember through this reading is (whether Solomon understood it or not) this wasn't about him. It was about Christ. All of scripture was/is about Christ. There are a plethora of books written and recorded by Solomon that are not even located in scripture. Some are found in books like the Apocrypha, and others are books that have not made their way into scripture (perhaps things like journal entries). Other holy books even talk about Solomon and his glory (including, but not limited to the Quran).

Solomon is a widely known figure in the religious circles, but there was something that shouldn't be lost on mere religion alone. Solomon knew the God of the Bible. He conversed with God. He desired to lead the people FOR God. Jerusalem needed a Godly leader, and Solomon was the one chosen for the job. Through all his wisdom, he eventually understands the relationship aspect that God desires, and I believe that God reveals this through this story/song.
