*The Man From 3015* Luke Hill,2014-08-22 When ambitious young reporter Serena Adonyi has a chance meeting with a man claiming to be from the future, she doesn't believe him – but she does think his story has all the makings of a hit news piece. She didn't expect the network to refuse to air it. She didn't expect her coworker to turn up dead the next day, and she certainly didn't expect she and her new young acquaintance would be framed for his murder. The young man's story, true or not, has definitely ruffled some very powerful feathers, and Serena soon finds that her association with this mysterious stranger has put her entire existence in jeopardy. Will she believe his story and help him on his unlikely quest, or feed him to the wolves in order to save herself? *The Man From 3015*, a sci-fi thriller, is a story of hope, redemption and the David-and-Goliath struggle between one of the 'little people' and a run amok corporate juggernaut that asks: Can one person really make a difference?
