Ursula K. Le Guin: Always Coming Home (LOA #315) Ursula K. Le Guin, 2019-03-05 Ursula K. Le Guin's richly-imagined vision of a post-apocalyptic California, in a newly expanded version prepared shortly before her death This fourth volume in the Library of America's definitive Ursula K.

Le Guin edition presents her most ambitious novel and finest achievement, a mid-career masterpiece that showcases her unique genius for world building. Framed as an anthropologist's report on the Kesh, survivors of ecological catastrophe living in a future Napa Valley, *Always Coming Home* (1985) is an utterly original tapestry of history and myth, fable and poetry, story-telling and song. Prepared in close consultation with the author, this expanded edition features new material added just before her death, including for the first time two "missing" chapters of the Kesh novel *Dangerous People*. The volume concludes with a selection of Le Guin's essays about the novel's genesis and larger aims, a note on its editorial and publication history, and an updated chronology of Le Guin's life and career. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

The Jews in Christian Europe Jacob R. Marcus, Marc Saperstein, 2016-12-31
First published in 1938, Jacob Rader Marcus's *The Jews in The Medieval World* has remained an indispensable resource for its comprehensive view of Jewish historical experience from late antiquity through the early modern period, viewed through primary source documents in English translation. In this new work based on Marcus's classic source book, Marc Saperstein has recast the volume's focus, now fully centered on Christian Europe, updated the work's organizational format, and added seventy-two new annotated sources. In his compelling introduction, Saperstein supplies a modern and thought-provoking discussion of the changing values that influence our understanding of history, analyzing issues surrounding periodization, organization, and inclusion. Through a vast range of documents written by Jews and Christians, including historical narratives, legal opinions, martyrologies, memoirs, polemics, epitaphs, advertisements, folktales, ethical and pedagogical writings, book prefaces and colophons, commentaries, and communal statutes, *The Jews in Christian Europe* allows the actors and witnesses of events to speak for themselves.
