**359°—Worker, Writer, World-traveller** Stephan Thimonds, 2016-10-24 CAUTION! DANGER! The work and travel life stories in this book will hardly leave anyone unaffected. Either they would rouse your desire to travel - even if you dislike traveling - or they would awaken the profound desire to become an industrial gypsy - even if you dislike working. You will be out and about with Stephan Thimonds, experiencing a motley collection of lively, funny, informative and ironic short stories. You'll be traveling through thirteen countries on four continents, from Europe to South America, via Asia, and even to the Antarctic. Along with entertainment, nostalgia and professional knowledge, his stories also offer extraordinary motivation to young people who are often on the look-out for adventurous career options after finishing school, because these stories show a globalized working life from a completely new and fresh perspective. On top of everything, they serve as proof that you can come a long way in this modern age of air travel - at least in terms of distance - with a grounded technical apprenticeship. Are you ready to begin your world-tour?
