Prof. Sham Tickoo

Inside 3ds Max 4 Kim Lee,2002 This latest edition of Inside 3ds max is retooled to focus on the needs of the intermediate to professional user, based on continuing conversations with our target audience. This market is crying out for information that goes beyond the basic to provide guidance on how to make the most use of the program in real-world work situations. Inside 3ds Max 4 explores changes in the program as well as more advanced functionalities and how they can assist the professional user in enhancing efficiency or output. Inside 3ds max 4 is organized into units that mirror and actually step through the workflow of a 3D project. Moreover, where differences exist in the application of techniques between the broadcast/film and game/interactive applications, the authors present careful analysis to assist readers in making the right choices for their technical work. The CD-ROM includes all of the project files necessary to complete the projects as well as any plug-ins referred to in the text.
