Revealing worlds of meaning in single paragraphs, these crystalline miniature stories that began as Facebook status updates mark a new turn in an acclaimed artist and illustrator’s career. It's High Time We Threw a 420 Party! Sandra Chan,2020-02-24 It's High Time We Threw a 420 Party! As the stigma surrounding the use of cannabis is gradually fading, partaking in the holy herb is becoming mainstream. Across the country, as municipalities legalize the use of weed, people are becoming more refined as to how they enjoy the benefits of marijuana. Sophisticated dinner parties and adult cocktail parties that feature cannabis-infused food and drink are becoming increasingly popular. When you throw a fun yet classy 420 party, you will be giving your friends an epic experience that they will never forget. There is nothing like a chilled out time together with friends, some fun activities, and luscious cannabis-infused food for munchies. I am a sucker for cannabis cocktail parties. I have always desired that people know more about cannabis and its benefits. For this reason, I chose to plan and hold parties with the intent of changing peoples' perception of marijuana as well as giving them extraordinary party experiences. It has been a dope journey. I have met a lot of good people, earned a bit of income from planning cannabis parties for other people, and also learned so much about CBD. I strongly believe that CBD has a lot more benefits than people give it credit for and that with a little CBD, we can get healthy ways to deal with many issues that life throws at us. My wish is to show you what I know about cannabis and how to make edibles that you can feature during your own party. In this book, we'll talk about: All about cannabis The differences between CBD and THC The history of the holy herb A word about cannabis oil and products on the market Different methods to extract cannabis oil Methods to extract THC Instruction on THC dosages Advice on handling cannabis How to throw the ultimate cannabis party! Including 20 recipes for cannabis-infused cocktails, appetizers, and party food that your guests will love I invite you to take a look at the table of contents for this book to see just what's covered. I tried to include as much helpful information as I could to assist you in your discovery of weed. For a limited time, when you purchase the paperback book on Amazon, you can download the Kindle version of the book for FREE!
