501 Must-Read Books Emma Beare, 2014-05-12 501 Must-Read Books is like the wisest, cleverest best-read and most trusted friend you have ever had. The recommendations for inclusion in this comprehensive book were made by a bibliophile and writer with a peerless reputation. The reviews themselves were compiled by lecturers, writers and book lovers, sharing their pleasure, surprise or even indignation with the rest of us. Reading is of course subjective, but the reviewers have set aside their personal preferences to share their thoughts and impressions with book lovers everywhere. This comprehensive guide will inspire you to read more widely than you could have imagined and to explore previously untrodden aisles in your bookstore or library. In these pages you will find travel rubbing shoulders with memoir, modern and classic fiction nestling together, sci-fi and thrillers, children's books and history all gathered and reviewed in sometimes surprising, but always stimulating essays.

501 Baseball Books Fans Must Read Before They Die Ron Kaplan, 2018-08-01 Propounding his small ball theory of sports literature, George Plimpton proposed that the smaller the ball, the more formidable the literature. Of course he had the relatively small baseball in mind, because its literature is formidable--vast and varied, instructive, often wildly entertaining, and occasionally brilliant. From this bewildering array of baseball books, Ron Kaplan has chosen 501 of the best, making it easier for fans to find just the books to suit them (or to know what they're missing). From biography, history, fiction, and instruction to books about ballparks, business, and rules, anyone who loves to read about baseball will find in this book a companionable guide, far more fun than a reference work has any right to be.

501 Golf Jokes For Almost All Occassions Franklin Dohanyos,2001-02-01 First Golfer: Hey, how's your golf game? Second Golfer: Not so good. It seems the older I get, the better I used to be! Whether you're slicing your way through the fairway or chipping up enough dirt to build an in-ground pool, there's nothing like a good golf joke to keep a duffer from taking the game too seriously (you know who you are). This riotous collection contains enough material for you and your fellow golfers to laugh your way to the 19th hole, game after game. Two golfer and their caddies were out on the course one day.
