Emergency Call 5015 Jörg Fehr,2021-03-13 This book talks about some significant experiences during my childhood and how God has formed me for a future life in Africa and as ADRA executive director. It shows the breakout of a typical professional career into volunteer missionary work in Africa. After my permanent return to my homeland, I worked for a large civil engineering company managing multimillion Swiss Francs projects. I started my own planning company before I got called back into denominational work, to be the executive director of an ADRA country office and an ADRA division office. During my career, I traveled intensively in African countries, the Middle East, Afghanistan, and North Korea. I have been a resident in 7 countries (Cameroon, Zimbabwe, Botswana, Zaire, Rwanda, Turkey, and Switzerland) and have traveled to 66 countries. This book explains how I depended on my daily relationship with God. My heavenly father blessed me richly.
