

NIVAC Bundle 6: Gospels, Acts Michael J. Wilkins, David E. Garland, Darrell L. Bock, Gary M. Burge, Ajith Fernando, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.

24/6 Tiffany Shlain,2019-09-24 In 24/6, Tiffany Shlain explores how turning off screens one day a week can work wonders on your brain, body, and soul. Internet pioneer and renowned filmmaker Tiffany Shlain takes us on a provocative and entertaining journey through time and technology, introducing a strategy for living in our 24/7 world: turning off all screens for twenty-four hours each week. This practice, which she’s done for nearly a decade with her husband and kids (sixteen and ten), has completely changed their lives, giving them more time, productivity, connection, and presence. She and her family call it “Technology Shabbat.” Drawn from the ancient ritual of Shabbat, living 24/6 can work for anyone from any background. With humor and wisdom, Shlain shares her story, offers lessons she has learned, and provides a blueprint for how to do it yourself. Along the way, she delves into the neuroscience, philosophy, psychology, and history of a weekly day of rest across cultures, making the case for why we need to bring this ritual back. A compelling personal story and a fascinating, far-reaching examination of the complex world we’ve created, 24/6 is a call to rebalance ourselves and our society.
