Get Laid or Die Trying Jeff Allen, 2014-04-12 Tucker Max meets Neil Strauss in this irreverent and hilarious story of a modern-day hustler who decided to get laid or die trying. Before there were any books by Neil Strauss or Mystery, before there were pickup boot camps or DVD box sets, pickup existed as a loosely-knit "community" on Internet bulletin boards. There, would-be players shared their field reports, strategies, and results. They compared notes, exchanged critiques, and figured out a body of knowledge that defied everything men had ever been told about getting women—what has since come to be known as game. The undisputed king of the field report was a player named "jlaix." This was the handle of Jeff Allen, who would go on to be a founding member of Real Social Dynamics with Tyler Durden and Papa, all of whom play major roles in Neil Strauss's *The Game*, the bestselling exposé of the world of pickup artists. In an arena founded on one-upmanship, Jeff Allen did it bigger and better than anyone. *Get Laid or Die Trying* presents in utterly shameless, hilarious, and graphic detail, Jeffy's gritty, 100 percent real, and jaw-droppingly astonishing feats of seduction, revealing exactly how one goes about: • Attracting the girl you want by sleeping with all of her friends • Getting into the pants of the hottest girl at the party—a total stranger—in less than thirty minutes • Deflecting last-minute resistance with a single word • Pulling a chick who is surrounded by ten jealous guys • Cutting out enormous dudes that could easily pound you to a "fine red mist" • Getting threesomes as your default extraction • Having a stable so big you have to trim it down, and other "quality problems" • Convincing a girl you just met that before you sleep with her, she must mow your lawn Jeff's tactics produce superhuman results, yet he doesn't do anything you couldn't do—now that you've seen it done. The worst part? You could have been doing this your whole life.

However, there are many different varieties of the game, all with distinctly different rules and regulations. By far, the most popular forms of the game are the ones that originated in the USA, known as 'eight-ball' and 'nine-ball' pool. Both are played on a normal sized pool table with the regulation six pockets and both have multiple championships around the world. However, it is eight-ball that is the more common game - the one you'll most likely see being played at your local pool hall and the one that most people first think of when the word pool is mentioned. This guide is the road map that will take you through the key steps of learning how to play pool and it also review the essential game rules, skills and equipment. Follow the practices and techniques below, they're quite fun and easy in most cases. You need not practice for hours at a time (like my student) to develop a pro-like stroke. GET YOU COPY NOW !
