Implanted Evidence Michael A. Peluso, 2019-03-26
In the future, reality depends on who is programming it. Kenneth Breaker is a private investigator in the middle of the strangest day he's ever experienced. A strange day that is about to be intensified to a level he never knew existed. Death, cops, and accusations from the past, present, and future are all looking for an address that has his name on it. With the department coming at him from one end to murders from the other and with the eyes upstairs being always in the middle of everything, Kenneth needs to figure out who's who, what's what, and if any of it is even real—and he needs to do it fast.

Digital Detox Molly DeFrank, 2022-04-19 This brilliant book is a game-changer.--WENDY SPEAKE, author of The 40-Day Social Media Fast and Triggers: Exchanging Parents' Angry Reactions for Gentle Biblical Responses Hope and practical direction for parents. --FRANCIS and LISA CHAN, New York Times bestselling authors It's time to flip the switch and get your kids back. Mom of six Molly DeFrank was sick of screen-time meltdowns. She wanted more for her family, so she pulled the plug, declaring a digital detox for her kids. The transformation blew her away: She got her sweet, happy kids back. The detox was easier than she

could have hoped, and the results were better than she could have dreamed. In just two weeks, her children were free from the grip of digital devices. Their moods shifted immediately, and their creativity exploded. They learned how to entertain themselves and enjoy life without screens. Her experiment led to a total tech overhaul that changed her family's life. Here's how she did it in just fourteen days, and how you can too. Digital Detox offers step-by-step guidance that will help you · overcome your fear of firing your electronic babysitter · cultivate your child's giftings outside of screens · confidently set the right tech boundaries for your family · develop a long-term plan to sustain lasting change Best of all, you'll transform screen zombies into friendly, happy, grateful kids. You can put technology in its right place. This book will show you how.

Blake's 'Jerusalem' As Visionary Theatre Susanne M. Sklar, 2011-10-20 Susanne Sklar engages with the interpretive challenges of William Blake's illuminated epic poem Jerusalem by considering it as a piece of visionary theatre - an imaginative performance in which characters, settings, and imagery are not confined by mundane space and time - allowing readers to find coherence within its complexities.

Angelomorphic Christology Gieschen, 2018-07-17

This study demonstrates that angel and angel-related traditions, especially those growing from the so-called Angel of the Lord in the Hebrew Bible, had a significant impact on the origins and early development of Christology to the point that an Angelomorphic Christology is discernable in several first century texts. Significant effort is given to tracing the antecedents of this Christology in the angels and divine hypostases of the Hebrew Bible and Second Temple Jewish literature. The primary content of this volume is the presentation of pre-150 CE textual evidence of Angelomorphic Christology. This religio-historical study does not spawn a new Christology among the many scholarly Christologies already extant. Instead, it shows the interrelationship of various Christological trajectories and their adaptation from Jewish angelomorphic traditions.

Boy Ron Mueck, 2001 Documents the making of sculpture Boy in 1999, and its exhibition at the Millennium Dome in 2000 and Venice Biennale 2001.

Blood Promise Richelle Mead, 2009-08-25 The recent Strigoi attack at St. Vladimir's Academy was the deadliest ever in the school's history, claiming the lives of Moroi students, teachers, and guardians alike. Even worse, the Strigoi took some of their victims with them . . . including Dimitri. He'd rather die than be one of them, and now Rose must abandon her best friend, Lissa—the

one she has sworn to protect no matter what—and keep the promise Dimitri begged her to make long ago. But with everything at stake, how can she possibly destroy the person she loves most?

Musical Landscapes in Color Bill

Banfield, 2004-09-01 A sequel to the award-winning *The Black Composer Speaks* (Scarecrow Press, 1978), this exploration of the creative world of African American composers traces the lives and careers of 40 talented individuals and, in their own words, provides perspectives on a world that has been slow to recognize their remarkable contributions to classical music. The discussion places the music of these composers within the greater context of Western art music, but analyzes it through the lenses of sociology, Western concepts of art and taste, and vernacular musical forms, including spirituals, blues, jazz, and contemporary popular music. Each chapter is devoted to an individual composer, who discusses his or her musical training, compositional techniques and style, and the composer's personal philosophy as reflected in his or her music. A selected list of compositions for each composer is included, as well as a photo and sample of the composer's hand. Banfield offers unprecedented insight into the history and influence of the African American composer with this documentary, which will appeal to everyone from the music scholar to the general reader.

Spirit Bound Richelle Mead, 2011 After a long and heartbreaking journey to Dimitri's birthplace in Siberia, Rose Hathaway has finally returned to St. Vladimir's - and to her best friend, Lissa. It is at long last graduation, and the girls can't wait for their real lives beyond the Academy's iron gates to begin. But Rose's heart still aches for Dimitri, and she knows he's out there, somewhere. She failed to kill him when she had the chance. And now her worst fears are about to come true. Dimitri has tasted her blood, and now he is hunting her. And this time he won't rest until Rose joins him . . . forever.

Two Powers in Heaven Segal, 1977-12 In this study of the rabbinic heretics who believed in Two Powers in Heaven, Alan Segal explores some relationships between rabbinic Judaism, Merkabah mysticism, and early Christianity. Two Powers in Heaven was a very early category of heresy. It was

one of the basic categories by which the rabbis perceived the new phenomenon of Christianity and one of the central issues over which Judaism and Christianity separated. Segal reconstructs the development of the heresy through prudent dating of the stages of the rabbinic traditions. The basic heresy involved interpreting scripture to say that a principal angelic or hypostatic manifestation in heaven was equivalent to God. The earliest heretics believed in two complementary powers in heaven, while later heretics believed in two opposing powers in heaven. Segal stresses the importance of perceiving the relevance of rabbinic material for solving traditional problems of New Testament and gnostic scholarship, and at the same time maintains the necessity of reading those literatures for dating rabbinic material. Please note that Two Powers in Heaven was previously published by Brill in hardback, ISBN 90 04 05453 7 (no longer available).
