Anniversaries, Volume 1 Uwe Johnson,2021-07-27 The first volume of a titanic masterpiece of twentieth-century literature, named one of the best books of 2018 by The New York Times critics. Published to great acclaim as a two-part boxed set in 2018, Anniversaries is now available as two individual volumes. It is August 1967, and Gesine Cresspahl, born in Germany the year that Hitler came to power, a survivor of war, of Soviet occupation, and of East German Communism, has been living with her ten-year-old daughter, Marie, in New York City for six years. Mother and daughter find themselves caught up in the countless stories of the world around them: stories of work and school and their neighborhood, with its shifting and varied cast of characters, as well as the stories that Gesine reads in The New York Times every day—about Che Guevara, racial violence, the war in Vietnam, and the US elections to come. Now, with Marie growing up, Gesine has decided to tell her daughter the story of her own childhood in a small north German town in the 1930s and '40s. Amid memories of Germany's criminal and disastrous past and the daily barrage of news from a world in disarray, Gesine, conscientious, self-scrutinizing, with a sharp sense of humor, struggles to describe what she has learned over the years and what she hopes to pass on to Marie. Marie, articulate, quizzical, with a perspective that is very much her own, has plenty of questions, too. Uwe Johnson's intimate portrait of a mother and daughter is also a panorama of past and present history and the world at large. Comparable in richness of invention and depth of feeling to Joyce's Ulysses and Proust's In Search of Lost Time, Anniversaries is one of the world's great novels.

Our Wedding Anniversary Memory Book Talus Corporation,Terrapin Software, Incorporated,1997-09

The Anniversary Book Steve Palin,2020-04 To have and to hold from this day forward; for better, for worse, for richer, for poorer, in sickness and in health, to love and to cherish, till death us do part... Any couple who have stayed together happily over the years have much to celebrate. Steve Palin, author and artist of the bestselling book A Murmuration of Starlings, displays here which gifts, modern or traditional, mark which particular anniversary of 'staying together', from the romantic first to the romantic last... The symbols and themes of love are explained and beautifully illustrated - from flowers, gemstones, practical or luxurious gifts to large or small love tokens. In watercolours and words are the gifts you might like to give on your anniversary, for each passing year.

10th Anniversary James Patterson,Maxine Paetro,2011-05-02 For every secret Detective Lindsay Boxer's long-awaited wedding celebration becomes a distant memory when she is called to investigate a horrendous crime: a badly injured teenage girl is left for dead, and her newborn baby is nowhere to be found. Lindsay discovers that not only is there no trace of the criminals--but that the victim may be keeping secrets as well. For every lie At the same time, Assistant District Attorney Yuki Castellano is prosecuting the biggest case of her life--a woman who

has been accused of murdering her husband in front of her two young children. Yuki's career rests on a guilty verdict, so when Lindsay finds evidence that could save the defendant, she is forced to choose. Should she trust her best friend or follow her instinct? There's a different way to die Lindsay's every move is watched by her new boss, Lieutenant Jackson Brady, and when the pressure to find the baby begins interfering with her new marriage to Joe, she wonders if she'll ever be able to start a family. With James Patterson's white-hot speed and unquenchable action, 10th Anniversary is the most deliciously chilling Women's Murder Club book ever.

Sports Illustrated: Almanac 2007 Editors of Sports Illustrated, 2006-11-28 America's No. 1 sports almanac since its introduction 16 years ago, the Sports Illustrated Almanac has got it all covered, from football to fencing, hockey to handball, and everything in between. Spanning 864 pages, the Sports Illustrated Almanac features essays by top Sports Illustrated writers, all-time stats and records, and ticketing and venue information for pro baseball, basketball, football and hockey.

The Meaning of Wedding Anniversaries Gretchen Scoble, Ann Field, 2003-11-27 From the 1st year's paper to the 65th anniversary's diamonds, the years of marriage have long been ascribed a symbol in the form of a traditional gift. But what do these symbols mean? From the creators of *The Meaning of Flowers* and *The Meaning of Herbs* comes *The Meaning of Wedding Anniversaries*, a beautiful compendium of lore and wisdom. This lovely gift book explores the significance behind the symbols, offering meditations upon the years, past and future. Each poetic entry is accompanied by an enchanting collage by acclaimed artist Ann Field, as well as gift suggestions ranging from traditional to uniquely creative. Whether a couple is just starting out, or celebrating a milestone, *The Meaning of Wedding Anniversaries* reminds us that these symbols aren't just inspiration for gifts, but a means of honoring a lifetime of love.

Anniversaries Uwe Johnson, 2018 A landmark of 20th Century literature about New York in the late 1960s, now in English for the first time. As a novel, Uwe Johnson's masterpiece, *Anniversaries*, is at once daringly simple in conception and wonderfully complex and engaging in effect. Late in 1967, Johnson, already one of the most celebrated German novelists of his generation, set out to write a book that would take the form of an entry for every day of the year that lay ahead. The first section was dated August 20, and Johnson had of course no idea what the year would bring--that was part of the challenge--but he did have his main character--Gesine Cresspahl, a German emigre living on the Upper West Side of New York City and working as a translator for a bank who is the single mother of a ten-year-old daughter, Marie. The book would tell the story of a year in the life of this little family in relation to the unfolding story of the year, as winnowed from the pages of the New York Times, of which Gesine is a devoted if wary reader. These stories would in turn be overlayed by another--Gesine is 34, born just as Hitler was coming to power, and she has decided to tell Marie the story of her grandparents' lives and of her own rural childhood in Nazi Germany. It is important that Marie know where and what she comes from. The days of the year are also anniversaries of years past. The world that was and the world of the 1960s--with the struggle for civil rights leading to riots in American cities and, abroad, the escalating destruction of the Vietnam War--

are, in the end, one world. *Anniversaries* was published in four volumes over the more than ten years that it took Johnson to write it, and as the volumes came out it became clear that this was one the great twentieth-century novels. The book courts comparison to Joyce's *Ulysses*, the book of a day, and to Proust's *In Search of Lost Time*, the book of a lifetime, but it stands apart in its dense polyphonic interplay of voices and stories. *Anniversaries* is many books--the book of a mother and daughter, of a family and its generations, of the country and the city, and of two times and two countries that seem farther apart perhaps than they are. It is a novel of private life, a political novel, and a new kind of historical novel, reckoning not only with past history but with history in the making. Monumental and intimate, sweeping in vision and full of incident, richly detailed and endlessly absorbing, *Anniversaries*, now for the first time available in English in a brilliant new translation by Damion Searls, is nothing short of a revelation.

The Wizard of Oz Jay Scarfone, William Stillman, 2013-10-29 Commemorating the seventy-fifth anniversary of *The Wizard of Oz*, this collectible edition delivers an interactive experience, transporting readers over the rainbow and into the Land of Oz with its host of unpublished artwork, behind-the-scenes stories from the stars, and removable special features. Open the door to the Land of Oz and travel down the Yellow Brick Road with Dorothy and her companions on the journey of a lifetime. Learn the filmmaking tricks and techniques behind the film's realistic tornado, why Dorothy's shoes were ruby-colored, and how the filmmakers got a fleet of Winged Monkeys to fly. Authors Jay Scarfone and William Stillman reveal filmmaking secrets and information on everything from the film's pre- and postproduction to early reviews and publicity to never-before-published stories from the cast and crew, making it the definitive book on the subject. Beautifully designed with an array of film stills, Technicolor™ test frames, rare artwork and photography, and costume and set illustrations, this collectible edition provides an unrivaled glimpse at the land where dreams come true.

The Calvin and Hobbes Tenth Anniversary Book Bill Watterson, 1995-09 A retrospective of ten years of strips with comments by the author.

My Home is Far Away Dawn Powell, 2011-11-08 *My Home is Far Away* is the most precisely autobiographical of Powell's fifteen novels. In this family chronicle set in early twentieth century Ohio, young Marcia Willard's family struggles to keep up with the rapidly changing times, and Marcia endures disillusionment, cruelty, and betrayal to forge a survivor's sense of independence. John Updike has compared Powell with Theodore Dreiser, Willa Cather, Sherwood Anderson, "and those other Midwestern writers who felt something epic in the national shift from rural to urban, from provincial sequestration to metropolitan liberation." By 1941, when Powell set to work on *My Home Is Far Away*, she was better known for the smart, boozy, bawdy, hilarious send-ups of Manhattan high and low life. She had begun to attain a reputation for high sophistication and nothing could be less "sophisticated" – in the glittering, all-knowing, furiously present-tense, big-city manner Powell had perfected – than *My Home Is Far Away*. This was the month of cherries and peaches, of green apples beyond the grape arbor, of little dandelion ghosts in the grass, of sour grass and four-leaf clovers, of still dry heat holding the smell of nasturtiums and

dying lilacs. This was the best month of all and the best day. It was not birthday, Easter, Christmas, or picnic, but all these things and something else, something wonderful, something utterly unknown. The two little girls in embroidered white Sunday dresses knew no way to express their secret joy but by whirling each other dizzily over the lawn crying, "We're moving, we're moving! We're moving to London Junction!" *My Home Is Far Away* is one of the very few examples of a book written for adults, with an adult command of the language, that maintains the vantage point of a hungry, serious child throughout. It might be likened to a memoir that has been penned not with the usual tranquility of distance but rather with the sense that everything happening to the characters is happening right now, without any promise of eventual escape, without any assurance that childhood, too, shall pass away. *My Home is Far Away* had been out of print for sixty years when Steerforth reissued it in 1995. It received immediate widespread acclaim, and was featured on the cover of the New York Times Book Review, where Terry Teachout called it "one of the permanent masterpieces of childhood, comparable with *David Copperfield*, *What Maisie Knew* and the early reminiscences of *Colette*," and where he proclaimed Powell to be "one of this country's least recognized great novelists."

The Baseball Hall of Fame 50th Anniversary Book Gerald Astor, 1992 Presents historical photographs and original essays on Hall of Fame players by nine of the country's finest baseball writers.

5th Anniversary Books with Soul, 2018-09-07 Looking for a special gift for a 5th Anniversary Celebration? Great present for the couple celebrating five years of marriage. Check out, *Remember When?* Guest Book by Books with Soul anniversary gifts, 5th anniversary, wedding, husband and wife, 5th anniversary gifts

The Foxfire 45th Anniversary Book Foxfire Fund, Inc., 2011-08-30 For almost half a century, Foxfire has brought the philosophy of simple living to hundreds of thousands of readers, teaching creative self-sufficiency and preserving the stories, crafts, and customs of Appalachia. Inspiring and practical, this classic series has become an American institution. The Foxfire 45th Anniversary Book continues the beloved tradition of celebrating a simpler life, this time with a focus on Appalachian music, folk legends, and a history full of outsized

personalities. We hear the encouraging life stories of banjo players, gospel singers, and bluegrass musicians who reminisce about their first time playing at the Grand Ole Opry; we shiver at the spine-tingling collection of tall tales, from ghosts born of long-ago crimes to rumors of giant catfish that lurk at the bottom of lakes and quarries; we recollect the Farm Family Program that sustained and educated Appalachian families for almost fifty years, through the Depression and beyond; and we learn the time-honored skills of those who came before, from building a sled to planting azaleas and braiding a leather bull-whip. Full of spirited narrative accounts and enduring knowledge, The Foxfire 45th Anniversary Book is a piece of living history from a fascinating American culture.

Happy Anniversary Lovers Journals, 2019-06-04 Romantic Prompt Book For anniversaries Tell your Husband, Wife, Boyfriend, Girlfriend or partner the 50 Reasons why you love them. Check out Lovers Journals for more versions.

The Last Anniversary Liane Moriarty, 2010-04-20 From Liane Moriarty, author of the #1 New York Times bestsellers Big Little Lies and Truly Madly Guilty, comes an unforgettable novel defined by her signature sharp wit, page-turning storyline, and lovable and eccentric characters. Sophie Honeywell always wondered if Thomas Gordon was the one who got away. He was the perfect boyfriend, but on the day he was going to propose, she broke his heart. A year later he married his travel agent, while Sophie has been mortifyingly single ever since. Now Thomas is back in her life because Sophie has unexpectedly inherited his aunt Connie's house on Scribbly Gum Island—home of the famously unsolved Munro Baby mystery. Sophie moves onto the island and begins a new life as part of an unconventional family, where it seems everyone has a secret. Grace, a beautiful young mother, is feverishly planning a shocking escape from her perfect life. Margie, a frumpy housewife, has made a pact with a stranger,

while dreamy Aunt Rose wonders if maybe it's about time she started making her own decisions. As Sophie's life becomes increasingly complicated, she discovers that sometimes you have to stop waiting around—and come up with your own fairy-tale ending.

Friends Forever Gary Susman, Jeannine Dillon, Bryan Cairns, 2019-11-26 A fully illustrated and authorized episode guide celebrating the twenty-fifth anniversary of the hit-television show Friends, including a look behind-the-scenes of cult-favorite episodes, exclusive photos from Warner Bros., brand new interviews with show creators Marta Kauffman, David Crane, and set designer John Shaffner, and more. The beloved show Friends introduced the world to six young New Yorkers living together, falling in love, breaking up (cue Ross's We were on a break!), and getting into hilarious shenanigans, which became an instant classic formula that inspired dozens of hangout sitcoms long after the show's reign. But no sitcom has ever come close to the series that started it all, spawning iconic looks like the Rachel and timeless catchphrases like How you doin'? while creating a cultural sensation that catapulted the cast members to instant mega-stardom. Throughout the show's ten- season run, viewers watched Monica, Rachel, Phoebe, Ross, Chandler, and Joey navigate their twenties and thirties with unwavering friendship, determination, and, of course, plenty of sarcasm. Friends Forever takes fans back to the set where it all began with exclusive photos of the sitcom that won four Primetime Emmy Awards, including Outstanding Comedy Series, eleven People's Choice Awards, and a Golden Globe for Jennifer Aniston for Best Lead Actress in a Television Series. This fully illustrated episode guide will treat readers to nostalgic flashbacks of the top one hundred episodes and sneak peeks of how popularly referenced lines from the show came to be. Friends Forever also boasts new interviews with show creators David Crane and Marta Kauffman on how the show got its start and set designer John Shaffner who reveals his inspirations behind the iconic looks behind Monica's and Rachel's apartment and Central Perk. It's no wonder why the Friends cast was chosen by TV Guide readers as the Best Comedy cast of all time, while countless other publications such as Vanity Fair named the show one of the best sitcoms of all time. Fun, hilarious interactives include: Joey's fake resume vs real one Countdown to the funniest Thanksgiving foods Trivia game Q&A from The One with the Embryos (Seriously, what is Chandler Bing's job?) Follow Ross's infidelity trail from The One with the Morning After Who's that celebrity? A comprehensive guide to some of the most famous celebrity guest stars from all ten seasons

Morning of the Earth Albert Falzon, 2021-11-04 This beautifully designed coffee table book commemorates Morning of the Earth's 50th Anniversary and showcases 170 brilliantly remastered images from the film. Executed without compromise, it is the definitive companion, featuring 50 screen grabs from never-before-seen outtakes that reveal a forgotten past. The book is swiss-bound for a truly immersive lay-flat experience, presenting crystal clear imagery on uncoated paper stock that transports the viewer back to a land before time. See Australia, Bali and Hawaii before rampant development took over; see the wide angled point of views that didn't make the film; see legendary scenes like the surf discovery of Uluwatu, Bali; and travel back to the early 70's where country soul was life, and surfing was too. The book includes a 40-page introduction with Albert Falzon and Torren Martyn, a foreword by David Elfick, and essays by Sean Doherty, Jamie Brisick, Simon Jones and Falzon, who share intimate stories, dive deep into the history of the film, reveal rare never-before-seen archival treasures, and explore the early development of an artist and the filmmaker's journey. This treasure keeps the story going and, as a comprehensive look at Morning of the Earth's 50-year heritage, is a must-have and pre-requisite for any surfer and cinephile alike. It is a stunning time capsule that paints a picture of imagination and will allow you to fall in love with Morning of the Earth all over again.
