Sixty Meters to Anywhere Brendan Leonard, 2016-03-22 • The author is a popular journalist and blogger and the creator of Semi-rad.com • A full journey—from confusion to clarity, remorse to redemption • Will appeal to those searching for adventure and purpose When Brendan Leonard finished substance abuse treatment at age 23, he was lost. He knew what not to do—not drink alcohol and not get arrested again. But no one had told him what it was that he could do. He quickly realized that he had to reinvent himself, to find something other than alcohol and its social constructions to build his life around. A few years later, Brendan was sober and had completed a graduate degree in journalism, but he still felt he was treading water, searching for direction. Then his brother gave him a climbing rope. And along that sixty-meter lifeline, Brendan gradually found redemption in the crags of the American West. He became a climber, someone who learned to push past fear, to tough it out during long, grueling days in the mountains; someone who supported his partners, keeping them safe in dangerous situations and volatile environments; someone with confidence, purpose, and space to breathe. Sixty Meters to Anywhere is the painfully honest story of a life changed by climbing, and the sometimes nervous, sometimes nerve-wracking, and often awkward first years of recovery. In the mountains, Leonard ultimately finds a second chance.

Almost Anywhere Krista Schlyer, 2015-10-06 What do you do when your world ends? At twenty-eight years old, Krista Schlyer sold almost everything she owned and packed the rest of it in a station wagon bound for the American wild. Her two best friends joined her—one a grumpy, grieving introvert, the other a feisty dog—and together they sought out every national park, historic site, forest, and wilderness they could get to before their money ran out or their minds gave in. The journey began as a desperate escape from urban isolation, heartbreak, and despair, but became an adventure beyond imagining. Chronicling their colorful escapade, Almost Anywhere explores the courage, cowardice, and heroics that live in all of us, as well as the life of nature and the nature of life. This eloquent and accessible memoir is at once an immersion in the pain of losing someone particularly close and especially young and a healing journey of a broken life given over to the whimsy and humor of living on the road.

Pilgrimage to Anywhere Rijumati Wallis, 2012 Hoping to rediscover his deeper purpose, Rijumati, an English Buddhist teacher and businessman, embarked on a journey into the unknown: a round-the-world trip by land and sea that became a kind of pilgrimage. If you have ever felt the call of the open road, longed to travel as a form of self-discovery, or just wanted to know how to stay sane whilst getting a visa stamp in Kazakhstan, then *Pilgrimage to Anywhere* is for you.

Anywhere out of the world Jonathan Chatwin, 2017-10-02 By the time of his death in 1989 at the age of forty-eight, Bruce Chatwin had become one of the most celebrated writers of the twentieth century. Though his career spanned merely twelve years, his impact and influence was profoundly felt; Chatwin's first book *In Patagonia* 'redefined travel writing', whilst his later work *The Songlines* became one of the literary sensations of the 1980s. Incorporating original and extensive archival research, as well as new interviews with his family and friends, *Anywhere out of the world* provides the definitive critical perspective upon the literary life and work of this enigmatic and influential author. The work offers a chronological overview of Chatwin's literary career, from his first, ultimately aborted work *The Nomadic Alternative* – here discussed in detail for the first time – through to his final novel *Utz*. In subjecting his work to such analysis, the study uncovers a striking thematic commonality in Chatwin's oeuvre: his work is fundamentally preoccupied with the subject of human restlessness. This volume provides detailed insight into Chatwin's treatment of the subject in his work, identifying and discussing the biographical and philosophical sources of this defining preoccupation.
