Bindi Babes Narinder Dhami,2009-03-25 Three feisty, fun-loving Anglo-Asian sisters rule the roost over their dad since their mum died. They've got a reputation at school for being the coolest, most sorted babes in town - and what they certainly DON'T need is an interfering Auntie-ji from India inviting herself over to England and cramping their style. Which is exactly what their dad organizes-The girls decide the only way out of this nagging-adult dilemma is an arranged marriage - for their auntie! Enter Mr Arora, the dream boat teacher who just might whisk Auntie off in his arms and into the sunset. (They hope!)

Babes in Captivity Pamela Redmond Satran,2010-05-11 They've satisfied their biological clocks. They met six years ago in a mom's group. Deirdre, Juliette, Anne, and Lisa are each living The Dream in the suburbs outside of New York City: beautiful wedding, big house, picture perfect family. What more could a woman want? Plenty, though none of them has ever admitted it. Out loud, anyway. It all starts with Deirdre....When she learns that her ex-lover, musician Nick Ruby, has moved back East, she confides in her girlfriends that she regrets her lost singing career, and her lost love affair with Nick. And since there doesn't seem to be a what's next in her life, she's more than a little curious about what if...? So what's that ticking sound? Deirdre's confession -- and her plan to revive her dreams and make them reality -- has a startling ripple effect. It turns out none of the four is as happy as she seems: Anne fears her marriage is in jeopardy. Juliette desperately wants to have another baby but can't. And Lisa's facing decisions that her life -- literally -- depends on. The doors swing wide when these babes start breaking out...but at what price? There's no satisfaction guarantee for any one of them, but taking chances together sure beats going it alone.

The Hearing Trumpet Leonora Carrington,2021-01-05 An old woman enters into a fantastical world of dreams and nightmares in this surrealist classic admired by Björk and Luis Buñuel. Leonora Carrington, painter, playwright, and novelist, was a surrealist trickster par excellence, and The Hearing Trumpet is the witty, celebratory key to her anarchic and allusive body of work. The novel begins in the bourgeois comfort of a residential corner of a Mexican city and ends with a man-made apocalypse that promises to usher in the earth's rebirth. In between we are swept off to a most curious old-age home run by a self-improvement cult and drawn several centuries back in time with a cross-dressing Abbess who is on a quest to restore the Holy Grail to its rightful owner, the Goddess Venus. Guiding us is one of the most unexpected heroines in twentieth-century literature, a nonagenarian vegetarian named Marian Leatherby, who, as Olga Tokarczuk writes in her afterword, is "hard of hearing" but "full of life."

Bunco Babes Gone Wild Maria Geraci,2009-11-03 Romance gets a little dicey in the sassy, sizzling second novel by the author of Bunco Babes Tell All. Georgia Meyer needs some time to think?and what better place to get her head on straight than Whispering Bay, Florida, in the company of her sister Frida and her sister's Bunco-playing friends, aka the Bunco Babes? Georgia's boyfriend?and boss?Spencer Moody made a slight miscalculation in the romance department and gave her a calculator instead of an engagement ring. So she needs some sisterly advice, in between rolling dice and drinking frozen margaritas, as to her next move. While considering subtracting Spencer from her life, Georgia meets the very handsome Dave Hernandez. Unfortunately when a Bunco night gets a little out of hand, Georgia reveals more of herself to Dave than she intended. Now, as she helps the Babes prepare for a Bunco Black Tie fundraiser, she needs to search her heart?and keep her shirt on?long enough to decide if a love affair with Dave might be a dream come true.

Babes in Toyland Glen MacDonough,Anna Alice Chapin,1904 The orphans Alan and Jane escape from their cruel miserly Uncle Barnabas, when he tries to have them drowned. They are taken in by gypsies, and during the course of their adventures visit Mary Contrary's Garden, the Noah's Ark House, the Tin Railway, and Mean Town. Eventually they return home, where they are taken in by the village's kindly widow.

Babes in Boyland Regina Barreca,1923 A humorous and provocative account of being a female undergraduate at Dartmouth College in its turbulent first years of co-education.

Babes in the Woods Jennifer Aist,2011-03-01 * Addresses concern about nature deficit disorder in children * Offers a fresh, modern approach to hiking and camping with kids * Makes parenting a celebration of the outdoors and a sharing of traditions There's a lot of information out there about introducing school-age kids to the outdoors, but what about babies and toddlers? Author Jennifer Aist bridges that gap and shares her tried and tested advice for active new parents. Babes in the Woods introduces outdoorsy moms and dads to the joy and vigor of taking babies and toddlers into the woods at a very early age. Well-organized chapters offer functional solutions for appropriate gear, clothing, and food, nature games to play, and tips on potty breaks and sleeping outdoors-but most importantly, Aist explores all the reasons why introducing even the youngest of children to wilderness experiences is healthy, rewarding, and fun. Whether planning a short day hike, a car camping trip, a base camp adventure, or a backpacking excursion, Aist covers every season and climate, while confirming that babies are well-suited for the mountains, the water, and the adventures that lie beyond.

Bunco Babes Tell All Maria Geraci,2009-05-05 A hot, sassy, Southern romance about girlfriends, gossip, the game of love- and the game of Bunco. Woman cannot live by Bunco alone . Meet the Bunco Babes of Whispering Bay. Every Thursday night they roll dice, drink frozen margaritas, and catch up on all the gossip in their small north Florida town. Kitty Burke is the only Bunco Babe who is still single-which is okay-but she's thirty-five and may need to face the fact that her image of Mr. Right is all wrong. Take Steve. Very sexy-but on paper, with three failed marriages and a shady career, maybe not great husband material. And yes, his ring tone is Freebird. Fellow Babes Shea and Pilar definitely vote thumbs down. But maybe there's more to Steve than meets the eye. Is it time for Kitty to roll the dice and hope that she can be as lucky in love as she is in Bunco?

The B.A.B.E.S.' Guide to Winning in the Workplace M. Reese Everson,2015-01-31 Sexual harassment is an ugly reality in many workplaces. Yet, no one teaches young women how to navigate this pitfall of the modern workplace. Oftentimes, young women are uninformed of the legal definition of sexual harassment, and thus can be easily targeted and unaware of how to respond. Since HR advocates for the company's best interest, women are often left without an advocate or a guide. How can we expect women to successfully navigate the workplace without knowing their rights and how to assert them? The B.A.B.E.S.' Guide to Winning in the Workplace is an essential manual for millennial women entering the workforce because it inspires and educates women to

the challenge of sexual harassment, and provides them the tools to empower themselves to succeed despite this reality of the workplace. Attorney Reese shares her experiences as a woman in a male-dominated work culture and how she learned to advocate for herself in the face of sexual advances from her superiors. Through these experiences, Reese provides inspiration and education to her readers who may be facing similar situations. Using her lessons and the examples of twelve Biblical women, the B.A.B.E.S.' Guide takes readers through the important life lessons that can be learned from the challenges that they faced, as well as practical applications of these lessons to modern, everyday life. This book provides tools for navigating the workplace to B.A.B.E.S who want to thrive in their careers without compromising their morals, values and integrity. If you or someone you know are entering the workplace or dealing with adversity, get a copy today.
