The Coffee Bean Jon Gordon, Damon West, 2019-07-02 From bestselling author Jon Gordon and rising star Damon West comes *The Coffee Bean*: an illustrated fable that teaches readers how to transform their environment, overcome challenges, and create positive change. Life is often difficult. It can be harsh, stressful, and feel like a pot of boiling hot water. The environments we find ourselves in can change, weaken, or harden us, and test who we truly are. We can be like the carrot that weakens in the pot or like the egg that hardens. Or, we can be like the coffee bean and discover the power inside us to transform our environment. *The Coffee Bean* is an inspiring tale that follows Abe, a young man filled with stress and fear as he faces challenges and pressure at school and home. One day after class, his teacher shares with him the life-changing lesson of the coffee bean, and this powerful message changes the way he thinks, acts, and sees the world. Abe discovers that instead of letting his environment change him for the worse, he can transform any environment he is in for the better. Equipped with this transformational truth, Abe embarks on an inspirational journey to live his life like the coffee bean. Wherever his life takes him, from school, to the military, to the business world, Abe demonstrates how this simple lesson can unleash the unstoppable power within you. A delightful, quick read, *The Coffee Bean* is purposely written and designed for readers of all ages so that everyone can benefit from this transformational lesson. This is a book and message that, when read and shared, has the power to change your life and the world around you. You just have to decide: are you a carrot, egg, or coffee bean?

Lone Bean Chudney Ross, 2012-06-26 I have a flower name . . . but it is long and hard to spell and terrible. I'll never tell anyone what it is. Mom and Dad sometimes call me by my real name when I'm in big trouble, but otherwise I'm just called Bean. Bean Gibson is so excited about the first day of third grade, not even her m-e-a-n mean older sisters, Rose and Gardenia, can bring her down. But Bean's year gets off to a bad start—her best friend, Carla, has made a new best friend, and Bean has to begin music lessons. Bean picks the violin (the cello is too big) and tries to find new friends, but music lessons are a lot of work, Goody Two-Shoes Gabrielle is prissy, and Terrible Tanisha is a bully. And Bean's mom is always at work. Bean h-a-t-e-s hates third grade! *Lone Bean* is an entertaining read about spunky Bean Gibson and how she learns what it means to be a good friend. And that it's possible to have more than one.

Beans Ken Albala,2007-09-01 Winner of The 2008 Jane Grigson Award, issued by the International Association of Culinary Professionals (IACP). Winner of the 2008 Cordon d' Or Culinary Literature - History Culinary Academy Award. This is the story of the bean, the staple food cultivated by humans for over 10,000 years. From the lentil to the soybean, every civilization on the planet has cultivated its own species of bean. The humble bean has always attracted attention - from Pythagoras' notion that the bean hosted a human soul to St. Jerome's indictment against bean-eating in convents (because they tickle the genitals), to current research into the deadly toxins contained in the most commonly eaten beans. Over time, the bean has been both scorned as poor man's meat and praised as health-giving, even patriotic. Attitudes to this most basic of foodstuffs have always revealed a great deal about a society. *Beans: A History* takes the reader on a fascinating journey across cuisines and cultures.

Ivy and Bean Boxed Set 2 Annie Barrows,Sophie Blackall,2010-10-06 New York Times best-selling series of books for children - Ivy + Bean Ivy and Bean, two friends who never meant to like each other: This boxed set, *Ivy and Bean Boxed Set 2* (Books 4-6) continues the story of these two spunky characters. It includes the second of three books in the Ivy and Bean series. Author Annie Barrows talks about her award-winning Ivy + Bean series: One of the big problems of being a kid is that your parents often try to make you play with people you don't really like. My parents were forever trying to get me to like the kids of their friends. These kids were often weird. I didn't want to play with them. It was a problem. Ivy and Bean are very different: Bean is loud and wild and goofy. She loves to be involved in games and poke her nose in other people's business. Ivy is quiet and full of ideas. She spends most of her time learning how to be a witch. Each girl thinks the other one is weird. Each girl thinks she could never be friends with the other. Especially because their parents keep nagging them about it. But sometimes opposites can become the best of friends because they're opposites. *Ivy and Bean Boxed Set 2* (Books 4-6) includes: Book 4: *Ivy + Bean Take Care of the Babysitter* : What's the worst babysitter you can imagine? Okay, now multiply by a million. Bean's just found out that Nancy is babysitting for the afternoon. After Ivy rescues her from prison, the two girls turn tragedy into opportunity. Book 5: *Ivy + Bean: Bound to Be Bad*: Ivy has decided to become good. Extra-super-duperly good. Bean

figures that's a big waste of time-until Ivy explains that if you're really good, animals and birds follow you around. Wow! Animals and birds! Bean's going to be good, too! They're going to be nice; they're going to be sweet; they're going to be kind and generous and-Wait a second! How did they end up muddy, wet, and in trouble? Book 6: Ivy + Bean: Doomed to Dance: Ooops. Ivy and Bean have made a terrible mistake. They thought that ballet meant leaping, kicking, and cool costumes. Instead, it means they're going to have to be The Two Friendly Squids in a ballet the teacher made up. How embarrassing. As disaster looms, the girls come up with a great escape plan. It's an easy plan, a simple plan, a beautiful plan. It only involves a field trip, a couple of sharks, and some weird animals that glow in the dark. If you and your child liked Junie B. Jones, Magic Tree House books, and Princess in Black; yo
